

Regina Bypass Traffic Update

(as of November 3, 2017)

PILOT BUTTE

Diverging Diamond Interchange

PHASE 1

Starting Saturday afternoon (Nov. 4/17), drivers heading west on Highway #1 can now take the Pilot Butte ramp and overpass to make their way back to the Emerald Park businesses.

KEY FACTS:

- Will be under construction until fall 2018
- Will reduce delays and improve safety
- When completed, traffic lights shift traffic to opposite sides of the road to maintain traffic flow and assist with left turns
- Overhead guide signs and lane designation signs will guide you into the correct lanes for driving

For more information about the diverging diamond interchange, visit reginabypass.ca.
