Water Project Construction Update #2

Residents on 5th Avenue, Aspen Crescent and North Butte Street Area,

This is to provide you an update on the construction on 5th Avenue and Butte Street, as of May 17, 2011:

This is to advise the **5th Avenue Underground Construction crew** is presently working on Butte St. and will not start any construction on 5th Avenue until the week of Tuesday May 24, 2011. There will be no construction from Friday May 20 to Monday May 23, as the construction crew will be on days off.

With the construction start again on Tuesday, May 24, please park your vehicles away from your property when construction is adjacent to or near your property. The crew will be working 7am to 7pm each day.

If you have any questions, please contact the Project Manager, Darlene Woloshyn at 781-4547 or by email at pbprojectmgr@sasktel.net.

Please check your phone messages and the Town website for future construction notices.
