

August 7, 2012

Dear Resident:

**Central Water Project Update**

**On behalf of the Town of Pilot Butte Council, this is to provide you with an update on your Central Water Project.**

The Town staff are now completing sewer line locating on 7<sup>th</sup> Street and 8<sup>th</sup> Street and working on Courtyard Crescent and 9<sup>th</sup> Street-if you live on these streets and have not had your sewer line located to date, please contact the project manager, Darlene Woloshyn, by August 20th for your appointment at 781-4547. The location information for your sewer line on your property is required prior to the water service line being installed.

Thank you.
