## PILOT BUTTE BEAUTIFICATION COMMITTEE

The Pilot "Butte"ification Committee's mandate is to work in partnership with the Town of Pilot Butte, local businesses and other volunteer groups to develop a multi-year plan that focuses on sustainable, environmentally responsible green spaces and beautification plans. In addition to having a "greener" Pilot Butte, we hope to further enhance our community pride, help to reduce crime and promote tourism. In support of these goals, we are also committed to being active members of the national and provincial Communities in Bloom program.

Our recent and past initiatives include design and coordination of the hanging baskets around town, install annuals in the planters and flowerbeds at the Rec Centre, at the cemetery, with the on-going metal recycling bin fundraiser and participation in the Pilot Butte Cleanup Day. We also offer a Mother's Day hanging basket fundraiser, worked cooperatively with the Town to develop the Spray Park landscaping plan; weeding and maintaining the planting beds. We have assisted with town sign design and future plantings. We run a community garden box program and weed and mulch the food forest in one of the Plains Development parks.

We are always looking for volunteers to help with all types of jobs from general cleanup to construction to weeding, raking, planting annuals, perennials, shrubs and trees, installing mulch and fencing around new plantings, mixing "soil" for the garden boxes- the list goes on. If you are able to help out, please let us know by email at: [beautifypb@gmail.com](mailto:beautifypb@gmail.com) or by phone to Noreen Lolacher-Lang at 306-540-7812. Our Facebook page is "Beautify Pilot Butte" – check it out!

## PARKS, RECREATION, ARTS & CULTURE (PRAC) ADVISORY COMMITTEE

The Parks, Recreation, Arts and Culture Advisory Committee is established to support and facilitate the achievement of the Town of Pilot Butte's vision, goals AND to advise Council on matters relevant to the Town's sport, Arts, Culture, and Recreation Activities.

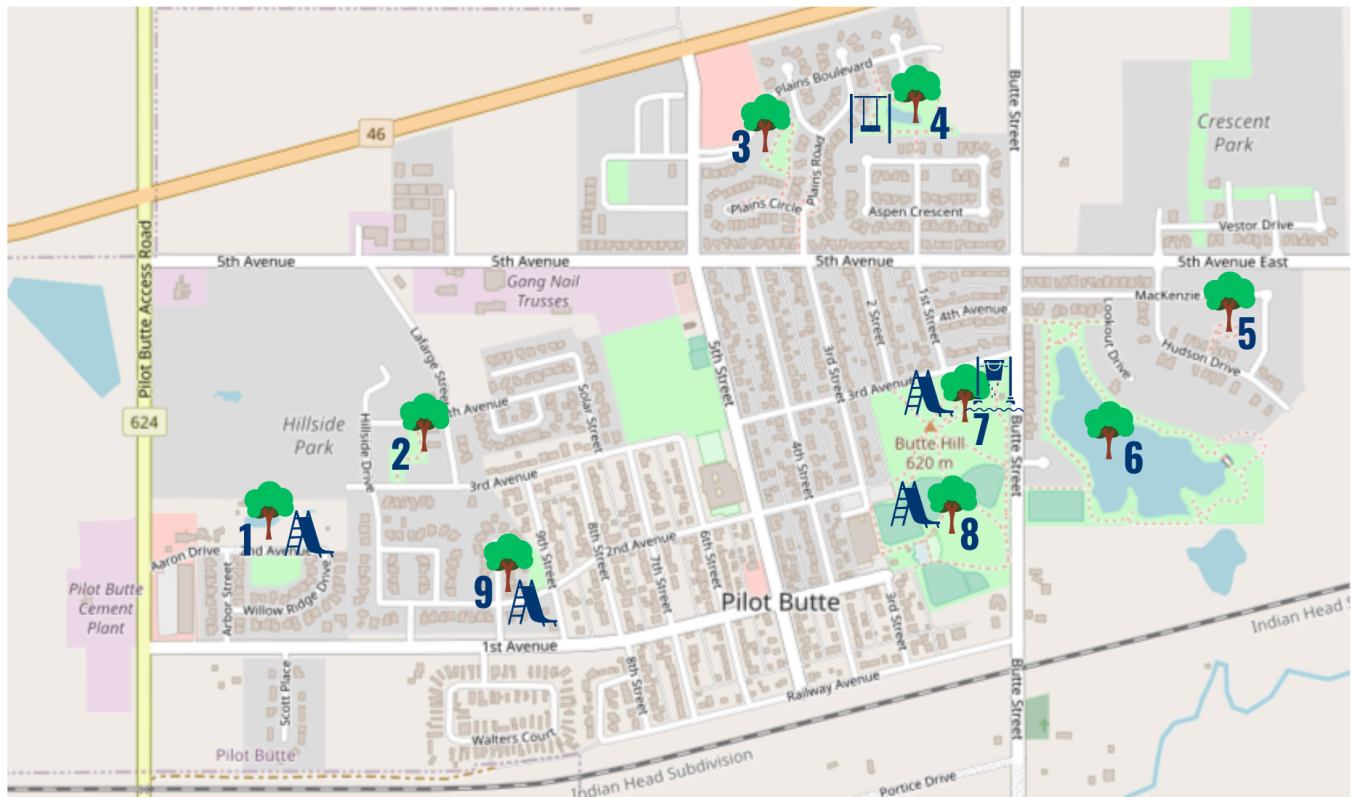

The Committee's key objectives are:

- Provide input in the development of plans and policies under the responsibility of the Town of Pilot Butte's Parks, Recreation and Culture Department.
- Raise the profile of parks, recreation and culture through positive support and promotion in the community.
- Encourage and support volunteerism and volunteer organizations within the Town.
- Identify concerns and present constructive solutions for the Town of Pilot Butte's programs, facilities, open spaces, trails and events.
- Undertake other assignment as may be requested by Council or Administration, as it relates to parks, recreation, and culture.

Recent initiative includes the Name the Parks project. The Town and Parks, Recreation, Arts & Culture (PRAC) Committee had initiated a park naming project and requested the community's input! A survey had been created for residents to provide their opinion on themes for park naming, name suggestions based on the themes, and name designation for honorable name submissions. This survey closed on September 17, 2025 - stay tuned for the survey results!
