#### PILOT BUTTE BEAUTIFICATION COMMITTEE

The Pilot "Butte" ification Committee's mandate is to work in partnership with the Town of Pilot Butte, local businesses and other volunteer groups to develop a multi-year plan that focuses on sustainable, environmentally responsible green spaces and beautification plans. In addition to having a "greener" Pilot Butte, we hope to further enhance our community pride, help to reduce crime and promote tourism. In support of these goals, we are also committed to being active members of the national and provincial Communities in Bloom program.

Our recent and past initiatives include design and coordination of the hanging baskets around town, install annuals in the planters and flowerbeds at the Rec Centre, at the cemetery, with the on-going metal recycling bin fundraiser and participation in the Pilot Butte Cleanup Day. We also offer a Mother's Day hanging basket fundraiser, worked cooperatively with the Town to develop the Spray Park landscaping plan; weeding and maintaining the planting beds. We have assisted with town sign design and future plantings. We run a community garden box program and weed and mulch the food forest in one of the Plains Development parks.

We are always looking for volunteers to help with all types of jobs from general cleanup to construction to weeding, raking, planting annuals, perennials, shrubs and trees, installing mulch and fencing around new plantings, mixing "soil" for the garden boxes- the list goes on. If you are able to help out, please let us know by email at: beautifypb@gmail.com or by phone to Noreen Lolacher-Lang at 306-540-7812.

Our Facebook page is "Beautify Pilot Butte" – check it out!
