NEW: Water and Sewer Line Repair Policy - 03-2023

The new policy can be found on the Town Website:

<https://pilotbutte.ca/local-government/bylaws-and-policies/>

SEWAGE BLOCKAGE - If you suspect you have a sewer blockage it is the responsibility of the property owner to contact the Town recommended Plumber (**Roto Rooter 306-359-3996**) to ensure location of the blockage or break is clearly defined. Video inspection footage will be required. A plumber must video each affected line to determine where the blockage is located.

The property Owner is responsible for the cost of maintenance or repair of the line from the building structure right up to and including the connection to the sewer main, including any blockages, breakages or collapses.

The Town of Pilot Butte is responsible for a failure at the main line, which is owned by the Town of Pilot Butte. If a blockage originates from the residence or business, the Owner will be responsible for the costs associated with clearing the line. Tree roots, or any other impediments, originating on private property, which affect the pipe's integrity on Town-owned property, are the responsibility of the Owners.

Sewer line back-ups and blockages can be caused by a variety of issues including but not limited to:

Excessive grease, root infiltration of line, infrequent use (frozen lines), breaks in the lateral sewer line and obstructions. Obstructions may include, but are not limited to: rags/fabric, 'flushable' wipes, household debris, personal hygiene products, and diapers, toys, disinfecting wipes or paper towels.

It is the responsibility of the property owner to investigate and arrange for the clearing of blockages as well as the repair to pipe defect on their property.

It is the Town's responsibility to repair pipe defect on Town property.

Greenall Provincial Champs- Senior Boys Curling

Congratulations to our Sr Boys Curling team who are this year's Provincial Champions. Our Skip is Peyton Blair, Third Freddie Comfort, Second Ryder Blair Lead Blake Rathgeber and Fifth Ryan Hooper. After some years away, curling is back at Greenall. It was a quick season that began on Feb 4. We were not sure how many practices we would get in or if the District or Regional tournament would happen. This year's Provincial Championship was in Gull Lake on March 8-9th. The round robin did not go as we would have liked. Difficult ice conditions put us off our normal game plan. However, we were able to pull out a win and some luck with the other teams record, which allowed us to move forward to the tiebreaker round. To make it to the semi-final we had to win two tiebreakers. The boys played great, keeping shots as simple as they could and got on a roll. It was a long 4 game day but the boys pulled through and are now Provincial Champs. The team would like to thank the officials and host committee for putting on a great event. We would also like to thank our Community Coach Jessica Blair, who was instrumental in organizing ice times for practices, help coach the team and organizing hotels for Regionals and Provincials.

**Unified Griffin Basketball**

Unified Sport is an opportunity to witness Authentic inclusion. Unified Basketball, created in conjunction with Special Olympics, allows students who may not have the opportunity to play team sports the opportunity to play. It was inspired by a simple principle: training together and playing together is a quick path to friendship and understanding. In Unified Sports, teams are made up of people of similar age and ability. That makes practices more fun and games more challenging and exciting for all. Our Griffin team, coached by Mrs. Jana Toth will be hosting three games this season, as well as traveling to various high schools within the city to play. Greenall hopes to host 3 home games this year. We look forward to another successful season and welcome any and all fans to join us and cheer.

**Social 10- Mr. Headrick**

The Social Studies 10 class have spent the last couple of weeks researching, planning and implementing a mock election and mock parliament. We finished our unit with a trip to the Legislature on March 14. We received a tour of the building, watched question period and had the chance to get a photo and speak with our MLA Don McMorris. We had a fun morning of learning and watching our decision-making process in action.

March!

"Leprechaun stew! Leprechaun stew! If I don't get some I don't know what I'll do!" Maybe you've heard this little jingle growing up? At preschool this month the Leprechauns made a visit to the classroom but not before the children worked hard at building Leprechaun traps to catch one. The traps were set out with care. The next morning we discovered little green messes everywhere and to our delight they left us a giant bag of rainbow Skittles to eat!

Other highlights of our month included learning more about friendship making skills and a return to looking at how much we've grown since the beginning of the year. We practiced these skills while role-playing at our "Sandwich Shop"! We also began a special "All About Me" project that will go home in our Memory Boxes in June.

Bunnies and baskets filled our activities during the last half of March as we learned about rabbits. We enjoyed taste testing some "rabbit food" (carrots, celery, lettuce) and practiced some math skills by graphing which was our favourite! We are also working with canvas, paint, coloured glue, gems and ric-rac to create a large group collaborative piece of artwork! Ahhhh...it's been a Marvelous March! See you next month!

Mrs. Marshall

Just for Fun!

1. What kind of bow can't be tied?
2. What do you call a fake rock in Ireland?
3. Why do frogs like St. Patrick's Day?

(Answers: 1. Rainbow 2. Shamrock 3. Because they're always wearing green!)

Encouragement—we all need it don't we? There's nothing like a kind word to lift us up when we feel down. This month let's continue encouraging others: give a note, a thumbs up, a smile, or some positive feedback every day. We will find when we do, it will naturally lift our spirit as well.

Be blessed,
Pastor Kathy
