WINTER PARKING RESTRICTIONS

Winter parking restrictions are in place from November 1st to April 30th every year. There is a 72 hour restriction on parking on Town boulevards.

- The boulevard is the Town-owned land between the edge of the paved street and your property line.
- On streets with no curb, there is NO allowance for parking on the pavement at any time.
- On streets with no curb, the boulevard may be used for parking of vehicles in daily use. The 72 hour restriction doesn't mean that you drive your vehicle around the block and re-park it. It means that you cannot store vehicles on the boulevard during the winter months. The same thing applies to paved streets where there is a curb.
- On any street, where there is or is not a curb, the Town appreciates that vehicles will not be parked either on the boulevard or on the pavement when snowfall is imminent. When operators are cleaning the streets, particularly after heavy snowfall, that snow has to go somewhere, the boulevards serve that purpose.

The Town thanks all those residents who help us out by complying with the law. Please be assured that vehicles which are left on boulevards or on streets may be ticketed and /or towed.

NICOLE'S PRESCHOOL

November!

It may be cold outside but we were warm inside--even in our hearts this month at preschool because our beloved pets took over our activities! Pets can teach us so much and we enjoyed learning all the different types of animals people keep as pets as well as how to care for them. If Fido needed a bath or nail clipping the "groomers" at the Grooming shop were happy to help out! We also practiced correctly meeting a new dog by holding out our hand and letting him sniff us.

There was a Teddy Bear invasion later in November. At the Sensory Table children explored capacity while scooping and measuring dried chickpeas. Coffee sprinkled on bears shapes covered with glue also made for another interesting sensory experience. No coffee drinkers in the group yet....yuck they said! One day they'll understand lol!

Goldilocks and the Three Bears also "visited" the classroom and we enjoyed strengthening our comprehension skills when acting the story out. Our Teddy Bear frenzy ended with a Teddy Bear Picnic Day as all the children made bear hats and brought teddy bears from home to show their friends, sort by colours and size and to share in a tasty indoor picnic!

The month of November ended with a look at the difference between day and night and the comforts of bedtime. A special Pyjama Day with popcorn topped off our day! See you next month!
