The **Town of Pilot Butte** provides financial funding as well as continued support in other ways. The Town has pledged to ensure that the News and viewS will publish, no matter what! Thank you to the Town for their ongoing and continuing support. It takes a tremendous financial worry off of the volunteers!

The **R.M. of Edenwold** also supplies the newsletter with financial funding and we use a portion of these funds to send copies of the newsletters to some R.M. residents.

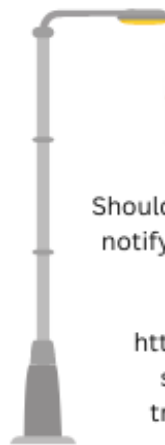

This financial windfall (for us!) is enabling us to produce a larger, more attractive newsletter for your enjoyment. We hope that we can continue to provide a quality of newsletter that makes us the “**must read**” item each month.

We truly appreciate the support and could not publish without this funding along with our backpage sponsors.

"From Canola Field to Field of Dreams"

Jeff Holland and Bob Baker

WCGC members Jeff Holland and Bob Baker will share their challenges and triumphs over the last 5 plus years developing their 22-acre yard.

From this

to

this in 5 years!

In 2016, they purchased the corner of field, and built their dream home. Since then, they have undertaken multiple projects developing 22 acres of farm field into a yard. This included: starting a shelter belt, planting a lawn, developing a three-quarter of an acre garden and orchard (including a 35 ft long greenhouse), and numerous perennial beds. Through numerous pictures (including drone shots), Jeff and Bob will discuss how (WHY) they took on this challenge, and their progress to date.

NICOLE'S PRESCHOOL

December!

At preschool this month we used some Christmas stories to springboard ourselves into the festive season. The preschoolers enjoyed reading, retelling and dramatizing the stories "Chicka Chicka Boom Boom", "I Know a Cold Lady Who Swallowed a Bell" and "How Do Dinosaurs Celebrate Christmas?" among many others!

We also spent time enjoying the festivities of the holiday season decorating a Christmas tree, playing with bells, making gingerbread playdough cookies, wrapping "blocks" as presents and making a special gift for our families.

We were also thrilled to return to an in-person Christmas concert this year! All the preschool families met at the Pilot Butte School's gym and brought a delicious treat to share for our Dessert Potluck and enjoyed listening to a special performance by the preschoolers. Each child decorated a large paper Christmas shape at home and wore it around his or her neck while singing. After the performance Santa dropped by to deliver a treat bag to all the kiddos! Special thanks to Mrs. Darla Verity for playing the organ for us and Grandpa Ray Chisholm our "Santa"!

Happy Holidays everyone!

Hybrid Yoga Class

This class will combine chair and mat yoga.

Each class will include a warm up, a dynamic sequence of poses, and a mindful cool down.

Our dynamic sequence will begin with yoga poses seated on a chair. Each chair pose will be demonstrated with different levels of flexibility. This means people of all ages and fitness backgrounds can adapt each chair-based posture to suit their fitness needs and goals. Levels of flexibility help ensure postures are practiced safely and effectively on the chair.

While it might look a little different, the benefits of chair-based yoga are the same as mat-based postures. This class will use postures created by Lakshmi Voelker-Binder. Her method, known as LV chair yoga, is practiced all over the world and is used by the Mayo Clinic in its wellness programs.

After we work with chair-based postures, options will be given to transition these postures onto a mat. Participants will choose whether they continue on the chair or move onto their mat based on their own comfort level.

LV CHAIR YOGA

In LV chair yoga traditional yoga poses are adapted to be done while seated on a chair. While it might look a little different, the benefits of a session of chair-based yoga are the same as a mat-based yoga session. **LV yoga isn't just stretching on a chair, it is yoga on a chair.** Each chair pose is demonstrated with different levels of flexibility. This means that **LV chair yoga is inclusive and accessible for all.** Regular practice can help improve flexibility, mobility, strength, posture, and balance. Each class will include a warm up, a dynamic sequence of poses, and a mindful cool down.

Kim Kozak will be instructing this course. She has been a certified yoga instructor for 10 years. After a skiing injury prevented her from doing mat-based yoga, Kim discovered the benefits of a chair-based yoga practice. **The best thing she discovered is that you can use chair yoga in your daily life.** Whether you take a few minutes to do some chair yoga at your kitchen table before your morning coffee, or you break up long days of sitting at an office desk with a few poses.

Developed by Lakshmi Voelker-Binder in 1982, LV chair yoga is practiced all over the world and is used by the Mayo Clinic in its wellness programs. As Lakshmi says "get fit where you sit". Transform how you look at fitness and try something new! Chair yoga is for everyBODY!
