Landscape Deposit

If your house was built in 2022 the summer of 2025 will represent your last opportunity to take advantage of the Builders Landscape Deposit.

The landscape deposit is refundable within 3 years of the date of the permit approval. This is a minimum landscaping deposit- all of the front, back and side yards must have the bare ground covered with either grass or landscape material to prevent water erosion, blowing sand, or the unsightliness of weeds. No other landscape features are required to qualify for the rebate, though we love to see fences, flowers, trees, bushes, water, boulders and anything else your imagination can provide. The Town appreciates all those residents who take pride in their yards and make them beautiful! Please note that your landscaping may not change the lot levels in any way that will have a negative effect on your neighbours' properties or on public lands.

When you are ready, send pictures of your yard from every perimeter to permits@pilotbutte.ca. I will make an appointment to come out and view the finished yard. Inspections are usually on Thursday afternoons. The Town will send a cheque in the amount of \$1,000 after the Council Meeting next following the inspection providing all requirements are met.

I look forward to a great summer season of lovely yard inspections.

Examples of notices sent using this system include but are not limited to town events, road closures, policy or procedure changes which effect residents, local emergency alerts, as well as reminders for collection pick up days. 3 Keep fire hydrants clear of snow

In an emergency situation, every second matters! An inaccessible snow covered/blocked fire hydrant can impede the process. Help keep our community safe by keeping fire hydrants accessible and clear of snow.

❌ Please do not put snow from your driveway or front sidewalk onto or blocking a fire hydrant.

✅ Clearing a path to and approximately 3ft around the fire hydrant allows space for the fire department to access it and work.

✅ If you see a fire hydrant that is covered in snow or inaccessible and are able to help remove the snow, we appreciate it!

📞 Town crews check and clear fire hydrants, but if you see one that is inaccessible and aren't able to clear it, please let us know.

The Town appreciates residents contributions to keeping our community safe!

4 Sign up for e-notices

The Town has implemented a new program for providing e-notices for taxes & utilities. Notifications will still be sent by email, with a link to sign in to a secure website to view your current notice, payment receipts, utility and tax notices, as well as previous notices (starting from February 1, 2024) and current balances!

View your Tax & Utility notices & balances online!

Total	\$2,700.00	Total	\$1,000.00	Total	\$2,000.00

5 Coyotes safety tips

- Keep unattended cats and dogs indoors or in completely enclosed runs, especially at night. Do not assume that a fence will keep a coyote out of your backyard.
- Never feed coyotes, deer, or other wildlife. Feeding wild animals may endanger your family and neighbours as it lures coyotes into neighbourhoods.
- Remove coyote attractants, including pet food, dirty barbecue grills, and unsecured trash or compost.
- If you encounter a coyote, yell, clap your hands, whistle, and try to make yourself look large.

Pilot Butte Summer Fun Camp 2025 announcement

Dear Pilot Butte Parents and Guardians,

The Town of Pilot Butte would like to provide official communication that the annual Summer Fun Camp for youth will no longer be operating. This change will come into effect immediately for the 2025 summer season.

The Summer Fun Camp operated for a total of five (5) weeks over the months of July and August and directly served our Pilot Butte families. Overall, the camp achieved positive outcomes and proved to be a success program. However, it was determined through careful consideration that operating a Summer Camp is best outsourced to maximize registration capacity and programming potential. As a Town, we did not come to this decision lightly. As a result of the closure to the Summer Fun Camp, the Town of Pilot Butte will be emphasising our Summer Ambassador program. The Summer Ambassadors will be providing on-going recreation throughout the months of July and August in various indoor and outdoor locations around our community. Activities hosted by the Summer Ambassadors will provide recreation opportunities for youth and their families to come and engage in spontaneous and free activities on a daily basis.

The summer program will focus on expanding our community's recreation resources, deliver accessible and fun play opportunities, and grow community connections.

Stay tuned to our website, News and Views, and social media for more information on the Summer Ambassadors upcoming activities!

For any questions or concerns, please contact the Town of Pilot Butte at general@pilotbutte.ca or at 306-781-4547

“Adventures in snow-shoeing” or “How I learned to stay upright”

When the Recreation Department announced that the Town now carries various sizes of snow-shoes and was making them available for residents to use, I recognized an opportunity. I had watched many movies and documentaries where some intrepid adventurer snowshoes confidently through a frozen landscape; hunting, or evading bad guys, whatever. Didn't look too challenging. I thought I'd like to try that.

The Recreation Department kindly outfitted me with a set of snow-shoes and poles all tidy in a neat carry bag. I was set!

The very next weekend, I ventured out on a frosty (-24C) Sunday over to White Butte Trails to try out my new equipment. With fingers rapidly losing flexibility in the brisk wind, I buckled the shoes onto my boots and was away. Of course, you can't snowshoe on the ski trails, so I got a rhythm going on the main track - stride forward, cuss a little when the shoes keep falling off the boots, swing the poles, repeat. I figured once I was challenged a little with some deeper snow my boots might more firmly fit into the shoes. So I left the path as soon as I could and headed into virgin snow. And over I went. Struggled to my feet, one of the shoes was still stuck in the snow, thank heaven for the poles. I'm 70 and not that limber any more so getting up again takes a minute or two. But there you go! Up again. Boot back in the shoe. The snowshoes sink a lot farther into the sugary snow than I thought they would and are harder to lift out again than my own boots. But I persevere. And fall over twice more. Good thing this is an easy winter sport, eh? Soft snow to land in and not going very fast. It quickly became clear that the smooth forward momentum I was striving for was beyond me. Even in my heavy chore mitts my hands were freezing on the poles and I was NOT having any fun. I gave up and schlepped back to the car in defeat.

Fast forward a week. Now I am visiting my daughter who has a little farm on a hillside in the Qu'Appelle Valley not far out of Lumsden. And she offers to take me snowshoeing. I have brought the neat little kit from Pilot Butte just in case. And you know what? Turns out that I am a complete ninny when it comes to putting on those snowshoes - those are RATCHETING buckles. No wonder I couldn't keep the darned things on my feet. Rachel rolls her eyes fondly at me (she is very tolerant of her mother's short-comings - no pun intended). My grandson Tyler joins us and we set off up into the hills. Today it is only -15c in the sunshine though there is still a brisk wind, and we swing easily along the high hills dipping into several sharp little ravines where the banks loom over us. The view from the top - all the fresh snow gleaming across the valley - is an added bonus to the day. I am having a marvelous time! I still don't think I would try running in them like the guys in the movies, but it turns out that snowshoeing is FUN!

So, as mentioned, any resident can rent snowshoes for himself or his family for the weekend by calling or dropping into the Recreation office any weekday. There is no fee, but there is a form to sign and your credit card number will be taken in case of unforeseen circumstances.

What kind of winter adventure stories will YOU have to tell?

Visit the Town website to learn more about renting snowshoes for FREE!!!

The Golden Sunset Club welcomes new members. We have a variety of regular activities & are planning new activities as well.

The Club offers a soup and sandwich lunch on the first Tuesday of every month, the next one being Tuesday March 4th at noon (come a little early). The cost is \$10 per person and includes a choice of soup, sandwiches, lots of desserts, and tea and coffee. After lunch you are invited to stay and play cards, make new friends and reconnect with old ones.

A crib tournament is held on the 3rd Saturday of each month, with cash prizes and a delicious lunch. Spots fill up quickly, so if you are interested in participating call Neil Veroba at 639-571-2702.

The Club is planning a members only St Patrick's day brunch and bingo on Monday March 17th.

One new project is Sunshine for Seniors. We meet at the Club facility once a month with each grade 4 class from Pilot Butte School for various activities planned by the teachers. Although we have had a few cancellations due to weather we had a great get together on January 20 and played bingo with a wonderful and enthusiastic group of grade 4 students. We all left smiling and laughing.

If you are looking for a convenient facility to rent for a shower, birthday party, family gathering, crafts, exercise class or other events, our club is available. Contact Lynette Nagy at 306-539-8281 or Mary Ross at 306-539-5187 for rates, availability and other information.

Pilot Butte Lions Club

March: Spring is officially here
and while it might take time to
see it fully, we can see the signs.
And we know that summer will
be on its heels. Looking for signs
of spring and summer is actually
Biblical. And watching for the
signs of Jesus return is also Bibli-
cal. Winter can be long but spring
and summer eventually arrive-
just like Jesus. Do you know the signs?

**"Now learn this lesson from the fig tree: As
soon as its twigs get tender and its leaves
come out, you know that summer is near.
Mark 13:28**

Public Welcome!

Growing a Cut Flower Garden
Paperwhite Flower House
Amie Lindenbach

I'll discuss:

- the best varieties for cut flowers,
- where to get them,
- how to grow them - including which ones can be direct seeded and which should be started inside early.
- How I start seeds, light requirements and soil blocking, and
- plant spacing and harvesting.

My family and I own a dairy farm by Balgonie. While helping my mom run Vollman Gardens greenhouse through my teens I learned all about growing plants. I now use that knowledge to grow flowers!

Paperwhite Flower House is a u-pick flower farm, offering various flower related workshops throughout the season as well as wedding flower services.
