RODEO VOLUNTEERS NEEDED

June 16, 17 & 18 2023

Once again we're looking forward to a successful Rodeo event. Many volunteers are needed to make the event a success, so if you can spare a few hours that weekend it would be great. We require volunteers in the concession, at the gate, cabaret and for the children's activities. Thank you for your past support and we hope we can count on you for this year's event.

For more information please contact Leanne at leanne@caradawntransport.ca or 306 581-2484 or Pat at david037@sasktel.net or 306 781-4992.

We have a special place in our hearts for our volunteers, but understand you may have another Group or Organization you would like to support.

We can accommodate that - we would gladly write a check to your Group or Organization in your name, \$12.00 per hour based on the number of hours you worked at the rodeo. If you're interested in this option, please tell us that at the time of your email/call.

WELCOME TO THE PILOT BUTTE TEAM!

Tina was born and raised in Regina and recently moved to Pilot Butte with her family, after living in Alberta for the past 15 years. She is excited to be a part of the Town of Pilot Butte office as an Administrative Assistant and has worked in similar roles for many years. Growing up in Regina she played ringette for numerous years and remembers visiting Pilot Butte for games and tournaments, and remembers delicious candy apples that would be at the tournaments sometimes! With two little girls, Tina and her family look forward to exploring Pilot Butte and meeting fellow residents, taking in walking trails, parks and the spray park, as well as spending time with family and friends in Regina!

DID YOU KNOW?

That some spring flowers may be used as an edible garnish for dishes? eg. Pansies, tulips, marigolds, lilacs and peonies as well as many others.

Why Couldn't the little flower ride a bike?
It didn't have any petals!

How can you tell spring flowers are friendly?

They always have new buds!

Hybrid Yoga Class

This class will combine chair and mat yoga.

Each class will include a warm up, a dynamic sequence of poses, and a mindful cool down.

Our dynamic sequence will begin with yoga poses seated on a chair. Each chair pose will be demonstrated with different levels of flexibility. This means people of all ages and fitness backgrounds can adapt each chair-based posture to suit their fitness needs and goals. Levels of flexibility help ensure postures are practiced safely and effectively on the chair.

While it might look a little different, the benefits of chair-based yoga are the same as mat-based postures. This class will use postures created by Lakshmi Voelker-Binder. Her method, known as LV chair yoga, is practiced all over the world and is used by the Mayo Clinic in its wellness programs.

After we work with chair-based postures, options will be given to transition these postures onto a mat. Participants will choose whether they continue on the chair or move onto their mat based on their own comfort level.

Sometimes churches are in need also. This past month we found ourselves in a situation where we needed high chairs. A call was put out to the community and within a couple of hours we had chairs!

We would like to thank the **Glen Ryan family** and the **Kirstin Sikora family** for their kind and very quick response. The high chairs will be put to good use. Many blessings!

The St. Agnes Parish CWL is asking for your Support with a project they are undertaking for the month of May. The **Neighbourhood Project**, spearheaded by St. Anne's Parish, aids families referred to them by Catholic Family Services. Some of these families are new immigrants and some just need a helping hand. In addition to household goods, they also have begun supplying food items.

We are specifically collecting protein food items to pass along to them. Dried and canned beans and legumes, canned meats and fish, canned stews and chillis and peanut butter.

There is a shelf at the entrance to the church for your donations along with a list of items we are asking for. Any donations would be greatly appreciated.

We will be collecting these items until the end of May.

Should you have any questions, call on any one of the CWL members.

Thank you for your support!

Father Chinh Vu is available before mass between 8:20 and 8:50 on Sundays if you would like to meet or speak with him and to hear confessions.

Pilot Butte and District Lions Club Urgent Request for New Members

Are you aware that Lions Clubs have formed all over the world and globally are 1.4 million members' strong? Lions International is the largest Service Club in the world.

Pilot Butte and District Lions Club first chartered in 1986 (37 years ago) and presently has 14 members. The current members, in the club, have served for an average of 18 years with a good balance of young and older members. We would encourage each of you reading this to think seriously about the good you could do for our community. The Club needs new members immediately to sustain its Programs and Service Projects. Age is no barrier - just bring your ideas, a willingness to serve and be prepared to meet new people and have fun. Our Club welcomes both men and women. There are meetings once per month and participation in special projects as your time permits.

Our Lions motto is "We serve". **So consider joining** - now.

The following listing will give you an idea about some of the activities that our Pilot Butte Lions have been involved in over the last 37 years. Some projects continue, some have stopped or been modified and definitely new projects are always on the horizon.

- Initiated the PB Rodeo and developed the track, bleachers and some of the structures for the annual Pilot Butte Community Rodeo;
- Bike Helmets for Life - Provided a bicycle helmet for every kindergarten child in Pilot Butte School for the last 30 plus years with the exception of the COVID years;
- Assisted with funding School Programs and playground improvements;
- Funded Lions Quest training for teachers at Pilot Butte School;
- Donated to local sports teams and aesthetic programs;
- Organized local winter festivals and ball tournaments;
- Raise money for the Guide Dog Program and have supported 5 Service Dogs to date - Autism and Diabetic alert dogs;
- Provided assistance to families requiring travel and support due to family illness;
- Provided assistance for several individuals to receive needed therapy and special equipment items over the years;
- Coordinated relief and repair services for families following the Plow Wind Disaster in Pilot Butte in 1995;
- Conducted necessary fundraisers to assist many other projects in the community and through Lions International. Monies are always available through Lions International to assist with disaster relief such as hurricanes, earthquakes and famine. If there is a need Lions are there;
- Continue the collection of used eyeglasses which are recycled and sent to third world countries;
- Members worked and coordinated bingo opportunities for local groups;
- Built and maintained the "Neighbourhood Notes" bulletin board at the Post Office;
- Support Town Projects like the Family Fun Day Pancake Breakfast and parade and Beautification Committee; and
- Support the local library and local Senior Center as needs arise.

These are many of the activities over the years but not all. Service Clubs such as Lions assist in many ways to keep things active, current and vibrant.

Come and be part of this organization and make a difference. We need members to enhance the future of the Club and continue to build Pilot Butte and District into the place we all want to be from and raise our families. Give what time you can and that is more than adequate.

If you would like to find out more information or have questions about what Lions do feel free to go to the Lions International website www.lionsclubs.org or contact a PB Lions executive below or any local Lions member. You could also express interest through email - kidorn2002@gmail.com and I will get back to you.

We also meet at the Golden Sunset Club at 7:30PM every 4th Tuesday of each month except for July or August. Please feel free to come and meet us and see what we are up to.
The 2023 Lions Executive contacts are:

Lion President Ray Cordick - 306-530-7693

April!

"Why try to explain miracles to children when you can just have them plant a garden."

---Robert Brault

I love this quote. A tiny shoot poking its way out of the soil to grow and blossom into a beautiful flower remains a miracle no matter what our age! There are no words to describe how nature accomplishes this feat...it can only be experienced. At preschool we embraced the arrival of spring by planting little seeds in our indoor vegetable garden and caring for potted flowers. Each child also planted a sunflower seed. They watered and cared for the tiny plants and before they were sent home to grow further in their home gardens they measured and made drawings of their plants development. The look on their faces was priceless as they watched their little "miracles" come to life!

We began our exploration of plants with a field trip to the Regina Floral Conservatory in Regina! The Conservatory is filled with plants from around the world from a desert cactus, to a plant that curls up if you touch it to even a pineapple plant! We learned about the function and parts of a plant; how plants need soil, sun and water to grow and we planted a seedling to take home. Back at preschool we dissected real flowers to examine the different parts; counted and sorted various seeds and practiced pouring, scooping and exploring capacity with the lentil sensory box. They were surprised to learn the carrots are really roots, celery is a stem and broccoli is a flower! Until next month---Happy Spring!
