RODEO VOLUNTEERS NEEDED

June 14, 15 & 16 2024

Once again we're looking forward to a successful Rodeo event. Many volunteers are needed to make the event a success, so if you can spare a few hours that weekend it would be great. We require volunteers in the concession, at the gate, cabaret and for the children's activities. Thank you for your past support and we hope we can count on you for this year's event.

For more information please contact Leanne at strawberry48.ln@gmail.com or 306 581-2484 or Pat at david037@sasktel.net or 306 781-4992.

We have a special place in our hearts for our volunteers, but understand you may have another Group or Organization you would like to support.

We can accommodate that - we would gladly write a check to your Group or Organization in your name, \$15.00 per hour based on the number of hours you worked at the rodeo. If you're interested in this option, please tell us that at the time of your email/call.

May Update

Thank- You to all families that attended the Parent Teacher Student Conferences April 16 and 17th. Communication is key to the success of our students. If you were unable to attend and would like to touch base with teachers please do so through EDSBY or call the school to arrange an opportunity to connect.

Congratulations Griffins!

Katie Benesh has been chosen as a finalist for the Caring for our Watersheds contest, where she will be travelling to Saskatoon in May to take part in the final presentations. Caring for our Watersheds is a provincial competition and only 10 final projects were chosen out of hundreds of entries. Grade 12 students Cailyn Leake and Shannen Mee will join Katie, as they present on their successes from last years' projects.

Greenall Students Quilting for a Cause

As the Clothing, Textiles and Fashion 20 students delve into the world of quilting, students are not only honing their sewing skills, they are also applying principles of mathematics to create beautiful quilts for babies in the Neonatal Intensive Care Unit in Regina. Their attention to detail in measuring and sewing showcases their dedication to the craft. Each quilt made by the students was crafted with love and precision. As a teacher, it is truly heartwarming to witness students' enthusiasm for creating something meaningful for babies in the NICU.

Looking for a little help...

If anyone in the surrounding community has some "washed out" yogurt, sour cream or ice cream pails that they would like to donate, the Commercial Cooking classes would be happy to accept them. Donations can be dropped off at the office.

Greenall Website Updates

Just a reminder to families that information updates are often shared via EDSBY, however; deeper information and content is also shared through our website. The website is a great place to look for updates for Graduation, Grade 9's entering the building as well as SLC content.

Welcome to the Griffin Family

We are pleased to announce the new Head Coach of the Greenall Griffin Football Team, Marco Ricci. We are also please to welcome assistant coaches Stephen Day and Scott Schultz, who will be joining our returning coaching staff next season. Go Griffins!

NICOLE'S PRESCHOOL

April!

"April showers bring May flowers! Or perhaps I should say "snow" ha ha? Spring is here even if a bit of snow paid us a short visit! The birds have returned and everyone has a "spring" in their step.

We took the opportunity at preschool this April for the children to button up their lab coats to begin an assortment of science experiments! "What will happen if? What can I do to change that? Why does it work that way?" are the just a few of the questions children daily ask about the world. Children are natural scientists. They are born with a powerful desire to explore, question and manipulate the world around them! We enjoyed learning about magnetism, the wind, force and motion with ramps and absorption with sponges in the water table. We explored a chemical reaction between vinegar and baking soda to make "lava" in toy volcanos and had sticky fingers squishing "oobleck" slime! Our favourite was Rainbow Cloud jars with water and shaving cream. We used pipettes to squirt coloured water on our "cloud" to make rainbow "rain"! We finished our theme with a field trip to the Science Centre!

For the second half of April we are looking forward to our theme on "Transportation". Buses, cars, planes, boats and trains will take centre stage. We will learn all about the types of vehicles that travel our roads, waterways and fly in our skies! We can't wait to enjoy making "tire track" paintings with small toy vehicles, bus driver hats, paper airplanes and getting "stuck" in a "traffic jam" while playing inside our giant fire truck and school bus tents. See you next month!

Mrs. Marshall

Why didn't anyone take the school bus to school?

It wouldn't fit through the door!

Scripture Verse for May

And be kind and compassionate to one another, forgiving one another, just as God also forgave you in Christ.

Ephesians 4:32

Baby dedications, adult baptisms, and Basics of Christian Faith classes are offered in the year. If interested, please contact the church office.

From the Pastors Desk

"I can do all this through God who gives me strength" phil 4:13

In a world where stress and pressure are increasing daily, it's hard to find the energy at times to keep going. Phillipians 4:13 reminds us that we have a God we can lean on and gain strength from no matter what we are going through- and He is only a prayer away!

Be blessed,
Pastor Kathy
