The Town would like to remind residents that from November 1st to April 30th the 72 Hour parking restriction is in effect for Town boulevards.

Only vehicles that are in daily use are allowed to be parked on the boulevard.

Please ensure that campers, boats, trailers, or any other items owned are not stored on the boulevard.

AT NO TIME may vehicles be parked for periods longer than 72 hours on the pavement of any curbed street and may never be parked on the pavement of a street with no curb.

Information/Reminders

Winter Preparation Tips

Add driveway markers to your property

Driveway markers are a great way to mark your driveway in preparation of winter for snow removal to help our operators effectively navigate the grader and know where the grass and property lines are. These can be found at local hardware stores.

Register for VoyentAlert

The Town uses the VoyentAlert notification system to keep residents informed on day-to-day notices, general and critical information. Examples of notices include town events, town programming, planned maintenance, road closures, local emergency alerts, as well as reminders for collection pick up days. Residents can choose to personalize their preferences to specific topics of interest or receive all notifications.

Ensure you are aware of parking restrictions

Parking restrictions are in effect as of November 1st. No person shall park a vehicle on a highway or boulevard for any period of time exceeding seventy-two (72) consecutive hours. The 72 hour restriction on the boulevard portion shall be waived from May 1 to October 31 of each year for legally registered vehicles. Only vehicles that are in daily use are allowed to be parked on the boulevard. Please ensure that campers, boats, trailers or any other items owned are not store on the boulevards as of November 1st.

DID YOU KNOW?

If walking on a road without a sidewalk, it is recommended to walk on the left lane, facing oncoming traffic.

Whenever possible pedestrians should stay on sidewalks and pathways, but if a sidewalk is not available it is recommended to travel on the shoulder of the left lane, facing oncoming traffic. This allows pedestrians to establish and maintain eye contact with opposing drivers and assists pedestrians with the ability to see possible dangers coming their way.

We've been working on a new logo for the Town of Pilot Butte and are thrilled to unveil it!

This logo was designed with the intention of encompassing a representation of Pilot Butte using modern elements and the rich history of our town.

THE BUTTE

Representative of the Butte.

The Butte was utilized by local Indigenous peoples, who camped near Boggy Creek and used the Butte as a lookout and signal point.

Butte definition: "an isolated hill or mountain with steep or precipitous sides usually having a smaller summit area than a mesa"

THE SUN

A familiar image used in previous logos, including the logo designed by a local resident in 1986.

THE GREEN LINE

Representative of the greenspaces and parks located throughout Town.

Pilot Butte is committed to maintaining, protecting and enhancing its natural environmental, parks and green spaces.

THE TAN LINE

Representative of sand.

The community's sand and gravel deposits were utilized during the construction of the Canadian Pacific Railway throughout the region in 1882 and for the local brick plants.

Pilot Butte was once known as "Sand Capital of Canada" after a town slogan contest.

THE NAVY BLUE FONT

This font style was selected for the welcome signs at two of the main entrances to Pilot Butte.

The navy blue colour has been used in previous logos, offering a familiar connection and incorporation of past, present and future.

A trip down memory lane

In 1986 the Town invited residents to submit ideas for a town logo. Numerous visual submissions were received, which provided evidence of the desire to include elements of history and symbolic features of Pilot Butte. The logo by Vic Ellis was selected as the new town logo to represent Pilot Butte.

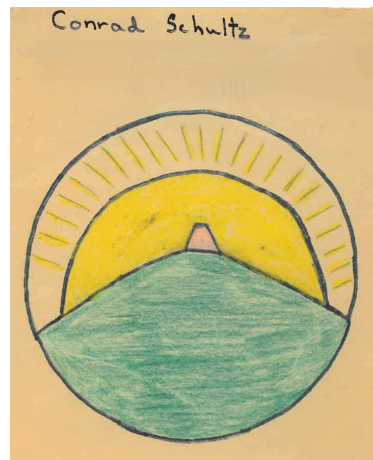

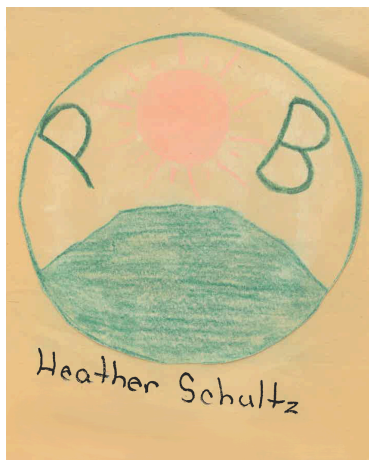

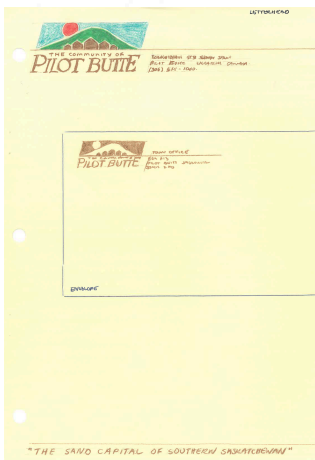

Philip Antonio

This design is such that it could be made into a school pin, as well as a pin to be sold in the community.

Logo Contest,
Pilot Butte, Sask.
Dear Cathy McIlwain -
Please consider this concept as a Pilot Butte logo.
The symbolism is as follows:
The mountain depicts the fact that Pilot Butte was the nucleus to the building of the C.P.R. in 1892 (August 1892 to Regina), with the "Crest of the Mountains" the first station locomotive to operate in Western Canada.
The sun and moon depicts sand and gravel, natural products which were the reason of the formation of the settlement, and which has continued to be a main resource for the area of this "Sand Capital".
I hope you receive many entries, and that a suitable logo will be amongst them.
Yours sincerely,
Conrad King

Dear Sirs,
Enclosed is my submission
for a logo for Pilot Butte.
Thank You

SPIRIT OF THE BEAR AWARD SEPTEMBER VALUE - HELPFUL

Each month, teachers nominate one student from each classroom who goes above and beyond to demonstrate our monthly value.

In October, our Bears focused on the value of being helpful.

The affirmation we practiced was:

"When I am helpful, it makes me feel good and has a positive impact on others."

We are so proud of these Bears for showing kindness, teamwork, and a willingness to lend a hand. Their actions remind us how small moments of help can make a big difference.

SILVER FOR GOLD

November: A Time to Learn, Plan, and Strengthen Your Financial Future

As the vibrant colours of fall sweep across Pilot Butte and harvest season winds down, November invites us to reflect — not just on the year gone by, but on our financial wellbeing.

FINANCIAL LITERACY MONTH: KNOWLEDGE FOR EVERY GENERATION

Across Canada, November is recognized as Financial Literacy Month, highlighting the importance of understanding money, debt, and saving for the future.

Financial literacy isn't just for adults — it's a life skill that benefits every generation.

According to the Financial Consumer Agency of Canada, fewer than half of Canadians feel confident managing their finances, and nearly 40% live paycheque to paycheque.

These numbers show why it's vital to start financial education early.

Teaching kids how to budget, save, and set goals builds strong financial habits that last a lifetime. Financial literacy empowers families to make informed decisions, reduce stress, and create a more secure future — one smart choice at a time.

YEAR-END FINANCIAL READINESS: WHY NOVEMBER MATTERS

With most of the year's financial activity behind us, November is also the perfect time to review and fine-tune your finances before the December 31 deadline.

Three smart steps for the season:

Review investments:

Realize capital losses and make charitable donations that can impact your 2025 taxes.

Plan early:

Beat the year-end rush and secure time with a financial advisor.

Act now:

Ensure any transfers or trades clear before year-end.

"November is when smart financial planning begins,"

says Yeorgo Traiforos, Financial Advisor with DNY Financial Services Inc., serving the greater Regina and Pilot Butte area.

"A few small adjustments now can lead to real savings and peace of mind heading into the new year."

Take time this November to learn, plan, and prepare — your future self will thank you.
