October Verse

**Give thanks to the LORD,
for he is good; His love

Psalm 107:1

**Psalm 107:1 Give thanks to
the Lord, for he is good;
his love endures forever.**

**The ability to feel gratitude is one
of the greatest gifts God has given
us as humans. This one attribute
can enhance feelings of good times
and bring us through the most
challenging of dark times. And our
deepest spiritual night can hold the light of hope
with an ounce of gratitude for what we have, and
who we are grateful for. God is good.
Happy Thanksgiving!

How RESP Works

An RESP is a tax-advantaged account designed for post-secondary education.

Contributions can come from parents, grandparents, relatives, or friends. There's no annual cap, and each child has a lifetime contribution limit of \$50,000.

Types of Plans

- Family Plan: Funds for multiple children, with flexibility to share.
- Individual Plan: Focused on one beneficiary.
- Group Plan: Pooled with other families (specific rules apply).

Your Local RESP Guide

With over 25 years of advisory experience, Yeorgo at Optimize Wealth Management & DNY Financial has helped families in Pilot Butte maximize RESP benefits while integrating them into broader wealth strategies.

Free Money for Education ?

Why Every Family Should Know about RESP

A Registered Education Savings Plan (RESP) is one of Canada's most effective strategies for building a child's education fund. For families in Pilot Butte, a well-structured RESP not only provides tax-sheltered growth but also unlocks thousands of dollars in government grants — an opportunity too valuable to miss.

Government Incentives

- Canada Education Savings Grant (CESG): 20% matched on annual contributions up to \$2,500 — up to \$500/year and \$7,200 lifetime per child.
- Canada Learning Bond (CLB): Up to \$2,000 per child for modest-income families, even without personal contributions.

“RESPs are one of the most underutilized tools available. Combined with grants, they create an unmatched head start.”

Quick Tip 1 : Automating monthly deposits ensures you never miss the full CESG match.

Quick Tip 2 : Consider joint subscribers (spouses) for added control and contribution flexibility.

Quick Tip 3 : Time RESP withdrawals during school years to minimize or eliminate tax.

Take Action Today!

Education is one of the best investments you can make for your family. Contact Yeorgo today to create a personalized RESP plan and receive a complimentary family financial review.
