Rodeo Weekend Recap

The Pilot Butte Rodeo took place June 13-15th for it's 32nd year was once again a success! From rodeo entertainment to a fantastic parade and family fun day activities, there was activities and entertainment for all! (photo credits to OshShots- thank you for sharing these photos!)

Special thanks from the Rodeo Committee

The Rodeo Committee wishes to thank everyone who in any way contributed to the success of the 2025 Pilot Butte Community Rodeo event.

This includes the many volunteers, sponsors, media and local businesses that donated time and equipment. Also, the local groups that assisted, including: the Town of Pilot Butte staff, The Pilot Butte Fire Department, Old Timers Hockey Club, the Lions Club and the Golden Sunset Club. And to everyone that took in the event - your presence is our success. We don't want to miss anyone, so if you were involved in any way, we want to express our sincere thanks and gratitude for your continuing support.

The Cabaret was once again a resounding success!! Thank you to everyone that attended or donated their time to volunteer in order to help make that happen.

A Big Bouquet to all of you.

Congratulations to the recipient of the **Harold Panno Volunteer Award** for 2025 – Guy Jacobson. We thank him for his tireless commitment to our community and beyond!!Guy has been a volunteer and committee member with many groups, including coaching baseball and hockey, bringing us the opportunity for the Westerns, which spearheaded our ball diamond facility development, refereeing hockey and mentoring young hockey officials. Guy continues volunteer timekeeping with Jr B and minor hockey... Always giving of himself first, for everyone.

Thank you, Guy for your contributions to our community.

Landscape Deposit

Did you complete landscaping this year?
If your house was built in 2022 the summer of 2025 will represent your last opportunity to take advantage of the Builders Landscape Deposit.

The landscape deposit is refundable within 3 years of the date of the permit approval. This is a minimum landscaping deposit- all of the front, back and side yards must have the bare ground covered with either grass or landscape material to prevent water erosion, blowing sand, or the unsightliness of weeds. No other landscape features are required to qualify for the rebate, though we love to see fences, flowers, trees, bushes, water, boulders and anything else your imagination can provide. The Town appreciates all those residents who take pride in their yards and make them beautiful! Please note that your landscaping may not change the lot levels in any way that will have a negative effect on your neighbours' properties or on public lands.

When you are ready, send pictures of your yard from every perimeter to permits@pilotbutte.ca. I will make an appointment to come out and view the finished yard. Inspections are usually on Thursday afternoons. The Town will send a cheque in the amount of \$1,000 after the Council Meeting next following the inspection providing all requirements are met.

This program gives the community the opportunity to raise funds for childhood cancer research. Family, friends and relatives can collect tabs

from beverage cans and students can bring the tabs to school, OR there is now a drop off bin at 256

8th Street. This is a very easy way for everyone to help out.

July 25/26th were red-letter days for me. First I travelled with my daughter, Rachel Brimacombe of Lumsden Florist Etc. (shameless plug for my girl) on a lovely sunny day to Russell, Manitoba where, after we tried them out, we purchased two beautiful new horses. Ahhhh, life is good when you are doing something you love with someone you love. We brought them home to Pilot Butte, showed them around their new pasture and left them.

When I went out with my sister to check on them 2 hours later, they took one look at us and hid in the trees. And we never saw them again. They breached the fence behind the trees and fled down the railway, then south down highway 362, amazingly taking the overpass and proceeding across country south of White City. Full bore, hell bent for election all the way. People took photos! Posted them on Facebook!

Fortunately and amazingly for me, Erin Barrett of Darcy Acres Feed and Supply (another plug for a local business – check out their website) recognized the horses as belonging to someone and, setting her own evening agenda aside, followed them, notifying the RCMP as she did so. The RCMP officer found me trekking down the highway on foot, spoke to Julie Rattai who had also seen the escapees, and organized the hunt. That young officer together with neighbouring horse-owners, the Parents and Rosses, and Tanya Kleemola, all came out to drive around fields in the dark searching and trying to catch them. We had to give up as darkness fell.

I went out the next morning, driving back and forth down little back roads, and talking to farmers. Tina Ubell, who works in the Town office, kindly posted messages on Facebook and Just Bins. All the networking paid off, the horses were found and brought home where John and Lucille Saum offered them the security of their farm and superior fencing.

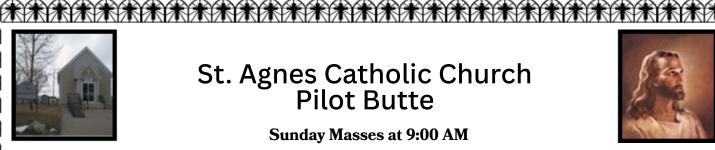

I was incredibly moved at the kindness of all the people to whom I spoke and who went out of their way to help. I received many messages from people I don't know well (or at all!) who offered their services.

If it hadn't been for Erin, who gave up her evening without a second's thought, who knew that loose horses were sure to represent someone's heart-ache, and who followed them as far as she could, I may not have had any idea where to start looking. And to my sister, that most supportive of women, who drove her little car all over muddy roads for hours, a big hug and thanks.

The residents of rural Saskatchewan, and of Pilot Butte in particular, re-affirmed for me that there are still people in the world who will go out of their way, with no thought of reward, to help someone else. To all of you, you have warmed my heart and moved me to tears. Thank you.

IN LOVING MEMORY

Join us on Sunday October 5, 2025, at 10:00 AM at White Butte Trails, 20 kilometers east of Regina on highway 46, (Frankslake Rd entrance) for a 5km walk, run, or leisurely stroll in loving memory of those we hold dear. We invite you to share your stories and photos of loved ones by emailing; awalkdownmemorylane24@gmail.com We can celebrate each life together at the trail entrance. The event supports Greenall's Outdoor School Program, with a suggested donation of \$5 that can be made at the event. A small contribution that makes a big difference. This special event honors the life of Lane Antosh, whose life was tragically cut short in an accident. During his time with ODS, he was an inspiration to his classmates and instructors. Lane was the first to contribute to class discussions and the first to volunteer to help a fellow classmate or instructor. Lane was compassionate, caring, and brave, and his contributions to ODS will never be forgotten. Event Hosted by: Greenall ODS

OUR APPROACH TO WEALTH MANAGEMENT

Optimizing your investments is an important step to achieving your financial goals but realize that it is just one step in a much longer journey. Yeorgo, along with a licensed portfolio manager from Optimize, will focus on looking at the complete picture as it relates to your particular situation. We begin this process by listening intently to your specific goals and objectives.

We then analyze every aspect of your situation such as your investments, mortgage and other debt, will, insurance, company plan, and tax preparation needs. Once we have completed our analysis, we then design you a coordinated strategy to achieve all of your particular goals and objectives. The range of services offered through Yeorgo and a licensed portfolio manager from Optimize are outlined in detail below, to provide you with a better sense of just how much value we could bring to you and your family.

- Financial Planning
- Investments
- Will & Estate Planning
- Loans & Mortgages
- Insurance Solutions
- Tax Planning

Yeorgo helps coordinate your financial plan by organizing the strategy into efficient steps toward your goals. Proper Wealth Management is an ongoing process which helps you make prudent decisions about your money in order to achieve your specific goals.
