Candidates for Council

Karen Byrd

My name is Karen Byrd and I am one of a number of candidates vying to be a Council member for the Town of Pilot Butte.

My husband, along with our daughter and her family have called Pilot Butte home since 1977. Our community is a wonderful place to live due to the efforts of a number of past and present Council members, staff and residents. I would like to contribute to the work done and the work to follow, over the next four years.

I have extensive certified municipal knowledge along with comprehensive financial skills and would appreciate the opportunity to continue to make Pilot Butte the best place to call home. It would be my honour to help our residents "Live Your Lifetime Here".

Candidates for Council

Zac Forster

Dear Residents,

I am excited to announce my candidacy for re-election to the Town of Pilot Butte council. Over the past term, I have focused on sustainable growth, affordability, and enhancing our community's quality of life. I am eager to continue this important work with your support.

Seven years ago, my wife Amanda and I built our home and started our family in Pilot Butte. We cherish its small-town feel, and I am committed to maintaining it as we grow. I have worked with The Mosaic Company for 16 years as a Global IT Manager. During my term, I served on the regional EMO, RCMP, and Pilot Butte Fire committees, and I have had the honor of serving as the Deputy Mayor for the past three years.

Some of my focus areas will be:

Sustainable Growth: Particularly through low-density housing

Healthcare: Continuing work to attract and support doctors, nurse practitioners and lab services

Economic Development: attracting new businesses, creating job opportunities, and supporting existing businesses

Education: Continued collaboration and advocating with Prairie Valley School Division for a new school in Pilot Butte

Infrastructure: Prioritize Investing in infrastructure, including roads, lighting, walking paths, recreational assets, and parks.

Community Facilities: Furthering the groundwork for a multiplex facility to provide space for community groups, events, sports and recreation activities.

I am grateful for your trust. I am committed to listening to residents, working collaboratively with Council, Administration, and surrounding municipalities. With your support in the upcoming election, we can continue our progress and ensure our town remains a wonderful and affordable place to live, work, and thrive.

Sincerely,

Zac Forster

- Candidacy for Council withdrawn

Noreen Lolacher-Lang

My name is Noreen Lolacher-Lang and I am excited to announce my candidacy for Town Council.

Our family moved to Pilot Butte in 1967 from a farm north of town near Zehner. My husband Kim and I raised our two boys, Carter and Evan, in this great community. They played multiple sports and were involved in many community events, volunteering alongside us. We now have 4 wonderful Grandchildren, so we know the parks and playgrounds around Pilot Butte very well!

I presently work at Queen City OBGYN as a Senior Receptionist/Office Manager. With a background in healthcare, I believe I have the skills necessary to make sound, informed decisions that prioritize the needs of residents.

I have seen huge growth over the years; a tiny outdoor rink to an arena in 1970 (big stuff to a kid), a Village to a Town in 1980 and the ball diamonds, library, playground, etc. developed into a beautiful park area to name a few.

I have volunteered with the School, Rodeo, Minor Ball, Minor Hockey, and St. Agnes Church which has deepened my understanding of what it takes for a community to thrive.

As a dedicated resident for over 50 years, I am passionate about fostering the growth and sustainability of our town. If elected, I will work hard to ensure that Pilot Butte remains a great place to live, work and raise a family. I am committed to listening to concerns and making informed, transparent decisions that move our community forward.

Candidates for Council

Lydia Riopka

Ed Sigmeth

I am completing my third term (2012-2024) as councillor for the town, which I have called home since 1983. After retiring from a 35-Year plus professional career in Municipal/ Provincial administration and mentoring, I am willing to continue serving my town and residents.

My education (B. Admin/B.A. Econ. plus Junior/Senior Local Government Certificates) and numerous workshops provide background. Sask Water Operator Certification Board Executive appointments, UMAAS Division Director term and current Chairman of Urban Board of Examiners exposed most municipal "Best Practices" and importance of fiscal financial perspective.

My past council duties include Deputy Mayor, White Butte Regional Planning Member, RCMP Committee Rep and Regina Bypass Partners Liaison, Asset Management, Spray Park alternate and Local Library Board.

While affordability, transparency and open communication are my goals, I am pleased to work with the council, administration and staff team to try to make Pilot Butte the best that it can be.

While I have worked with 3 different Councils, 2 Mayors and 3 CAOs, I am only one vote out of seven.

Gene Tiefenbach

Good day, let me introduce myself, my name is Gene Tiefenbach. I was born November 15th, 1960 in Regina, Saskatchewan. I was ninth of ten children. Growing up in a large family in North Regina.

I was taught the value of hard work to live within my means by avoiding unnecessary debt, buy the things you need and if there is money left over, then you fulfill your wants.

Fast forward, I moved to Pilot Butte in the summer of 1987. I have raised my family here and enjoy this community, and have no plans to relocate.

I am a sheet metal worker by trade and have owned my own business since 2000.

My company has never carried any debt or had a deficit.

I hope to bring my business knowledge and fiscal responsibility to this community.

Don Turner

Hi, my name is Don Turner and I'm running for Pilot Butte Town Council. I work for the Water Security Agency as an Environment Officer. I grew up in Cupar and moved to Regina to go to University. I completed a degree in Chemistry in 2008 and have been working for the Government since. My wife and I moved to Pilot Butte in 2016 and frankly we wouldn't have it any other way. We love it out here. During a coffee with a friend this summer, she remarked that her husband is on their Council, and he really enjoys it. That prompted me to look into it further.

My goals, if elected, would be to work with my fellow councillors to ensure the viability of the Town well into the future. What that means to me is encouraging business to set up shop in Pilot Butte, in order to diversify our tax base, but also maintaining the smalltown environment that everyone knows and loves. I would also strive to work with our neighbouring communities and First Nations to work towards thoughtful, regional planning projects for the benefit of all. I love the work that our current council has done with beautification/walkability, and I would happily continue to expand on that. I think Pilot Butte is one of the best towns to live in and I want to work towards keeping it that way.

If you'd like to talk more, please feel free to reach out to me at donwilliam5@live.ca.

GreenALL Equity Members Take Part in Awareness Walk

GreenALL Equity members, and other Greenall students, volunteered to spend October 4 participating in a walk for Missing & Murdered Indigenous Women, Girls, and Two-Spirit peoples. This was hosted by the RCMP Heritage Museum and included family members of victim's families, RPS recruits, RSP members, Mayor Sandra Masters and Elders who guided us through our day. Our students also learned some teepee teachings, enjoyed a rap performance by Informed Bellegarde, and had a chance to do some sculpting inspired by the Red Dress movement. Greenall students were powerful student ambassadors on this very important day to draw attention about this tragic epidemic.

Reconciliation Presentation from Cadmus Delorme

Some of our grade 12 students recently travelled to Indian Head High School to join other PVSD schools to hear Cadmus Delorme speak about Reconciliation and his journey into celebrating his indigenous identity. He shared his engaging sense of humour and gift of storytelling with all of us in the room and reminded us that perseverance and patience is required for all of us to learn how to listen to one another and hear the uncomfortable histories we have all inherited together.

Law 30 Invites Former Student to Share

Law 30 would like to thank former Greenall graduate and now alumni, Logan Tonge, for coming to our class to discuss the Charter of Rights and Freedoms. Logan talked about how challenging it can be for people living with exceptional needs, that need accommodations, to advocate for themselves – especially if they are non-verbal. His presentation gave our students insight into the experiences of a person with Cerebral Palsy and helped expand their perspectives.

Walk Down Memory Lane

Greenall's 2025 Outdoor School class hosted the first annual Walk Down Memory Lane at White Butte Trails on September 22. Over 80 participants came to the non-competitive walk to honour a loved one who is no longer with us. Outdoor School students worked as course marshals, as all voluntary proceeds will go towards the learning experiences for this year's ODS program. Donations were also made by Prairie Summit Shop and My Mutual Insurance. The staff and students are so appreciative of the community support they continue to receive and look forward to next year's event.

Meetings typically fall on the third Tuesday of each month – call the school to register for the next meeting – all parents welcome!

**[John 15:13 KJV] Greater love hath
no man than this, that a man lay
down his life for his friends.**

In WW1, some 61000 defenders of our land died, and in WW2 there were 42000- and these numbers do not include the thousands upon thousands of wounded. Today there are no veterans alive from ww1 and only a little over 180,000 from ww2.

These courageous men and women exemplified the very character of Christ with a love and dedication so great as to die for others. We must never forget or take lightly their sacrifice for the freedom they fought and died for. As the official words of our National Anthem state: "God keep our land glorious and free! O Canada, we stand on guard for thee." -Amen.
