WEYBURN CREDIT UNION ANNOUNCES EXPANSION INTO PILOT BUTTE
OCTOBER 15, 2026

Pilot Butte, SK – Weyburn Credit Union is proud to announce its expansion into Pilot Butte, bringing its member-owned, relationship-based approach to banking and advice to one of Saskatchewan's fastest-growing communities.

The expansion reflects Weyburn Credit Union's commitment to serving strong communities, building meaningful relationships, and helping more people experience the benefits of cooperative banking.

"Pilot Butte is a strong fit for Weyburn Credit Union," said Krista Hubic, Chief Strategy and Solutions Officer. "Its growth, strong sense of community, and appreciation for local, relationship-based financial advice make it a natural fit for our member-owned approach. We see an opportunity to build meaningful relationships, support local families and businesses, and become part of a community with incredible momentum."

As a financial cooperative, Weyburn Credit Union is owned by its members and exists to help them succeed. Its focus is on providing personalized advice, local decision-making, and meaningful investment in the communities it serves.

Sustainable growth helps strengthen the organization, create new opportunities, and support future investments that benefit the entire membership. By welcoming new members and expanding into communities that align with its values, Weyburn Credit Union strengthens its ability to invest in its people, services, and communities while continuing to deliver value for the members who own it.

The Pilot Butte Advice Centre will provide personalized financial advice, lending expertise, day-to-day banking services, and digital solutions, supported by local decision-making and a commitment to helping members achieve their financial goals.

"Pilot Butte is the kind of community where our member-owned, relationship-based approach can make a meaningful difference," said Don Shumlich, Chief Executive Officer. "It's a growing community with a strong sense of connection and shared investment in its future. We believe that's a natural fit for who we are as an organization."

"Our goal is simple: to bring our approach to banking and advice to more people while continuing to strengthen Weyburn Credit Union for all members. We're excited to build relationships, support local success, and become part of what's next for Pilot Butte."

Weyburn Credit Union looks forward to building relationships, supporting local success, and becoming part of the Pilot Butte community. Through community partnerships, sponsorships, scholarships, charitable giving, and its Community Fund, the credit union remains committed to helping people and communities thrive.

Additional details regarding services, community engagement opportunities, and opening plans will be shared in the coming months.
