Year 30, Issue 9

July 1, 2017 - Pilot Butte Come C E L E B R A T E !

CANADA 150 EVENTS NEED VOLUNTEERS

ON July 1st the Town hopes to celebrate Canada with heritage activities from 1:00 am to 4:00 pm.

The Committee is looking for volunteers to man such events as sack and three-legged races for all ages, tug-of-war, outdoor bread-making, hay rides, Art in the Park and other activities yet to be determined. The June issue of the News & Views will contain an itinerary of events and times, however, none of this can happen without volunteer participation.

If you will be at home in Pilot Butte on July 1st and would like to participate in the celebratory events, please call any member of the committee: Chairperson, Jean Lowenberger, Denise Einarson, Loraie Langenberger, Greg Moisiuk, Nathan Schmidt, Heather Mackenzie, Cara Kirkham, Allison Wells, Rhonda Perry or Jeannie Devers.

COLOURING CONTEST!

The News and viewS in conjunction with the Pilot Butte Library will be sponsoring a coloring contest for all ages! The colouring page is in this issue. Age categories are:

**0—2; 3—5; 6—8; 9—11; 12—14; and
15 to Adult**

Prizes will be awarded in each category. Please submit your colouring page along with your name, age and contact info, no later than Wednesday, June 28th at 5:00 pm to the Pilot Butte Town Office in order to be judged. Pages will be judged and prizes awarded on July 1, 2017 at the Canada Day 150 Celebration! We look forward to seeing the talent that Pilot Butte has in its midst!

Water Main Flushing

From May 24th to June 2nd the Town Staff will be flushing the water mains. Flushing is performed to remove sediment from the water mains and to improve the quality of the water in the distribution system. During the flushing, the water from your tap may carry some sediment or be discoloured. This is an expected part of flushing the water mains and can be alleviated by running a cold water tap until the water is clear.

Thank you for your cooperation and the Town apologizes for any inconvenience this process may cause.

Submissions and Payment

Please remember to send your submissions no later than 5 pm on the 20th. Anything received after cannot be guaranteed to be inserted into the issue. Your continued co-operation is appreciated. **PLEASE EMAIL the News and viewS @ newsandviews@sasktel.net or drop it off at the Pilot Butte Town Office.**

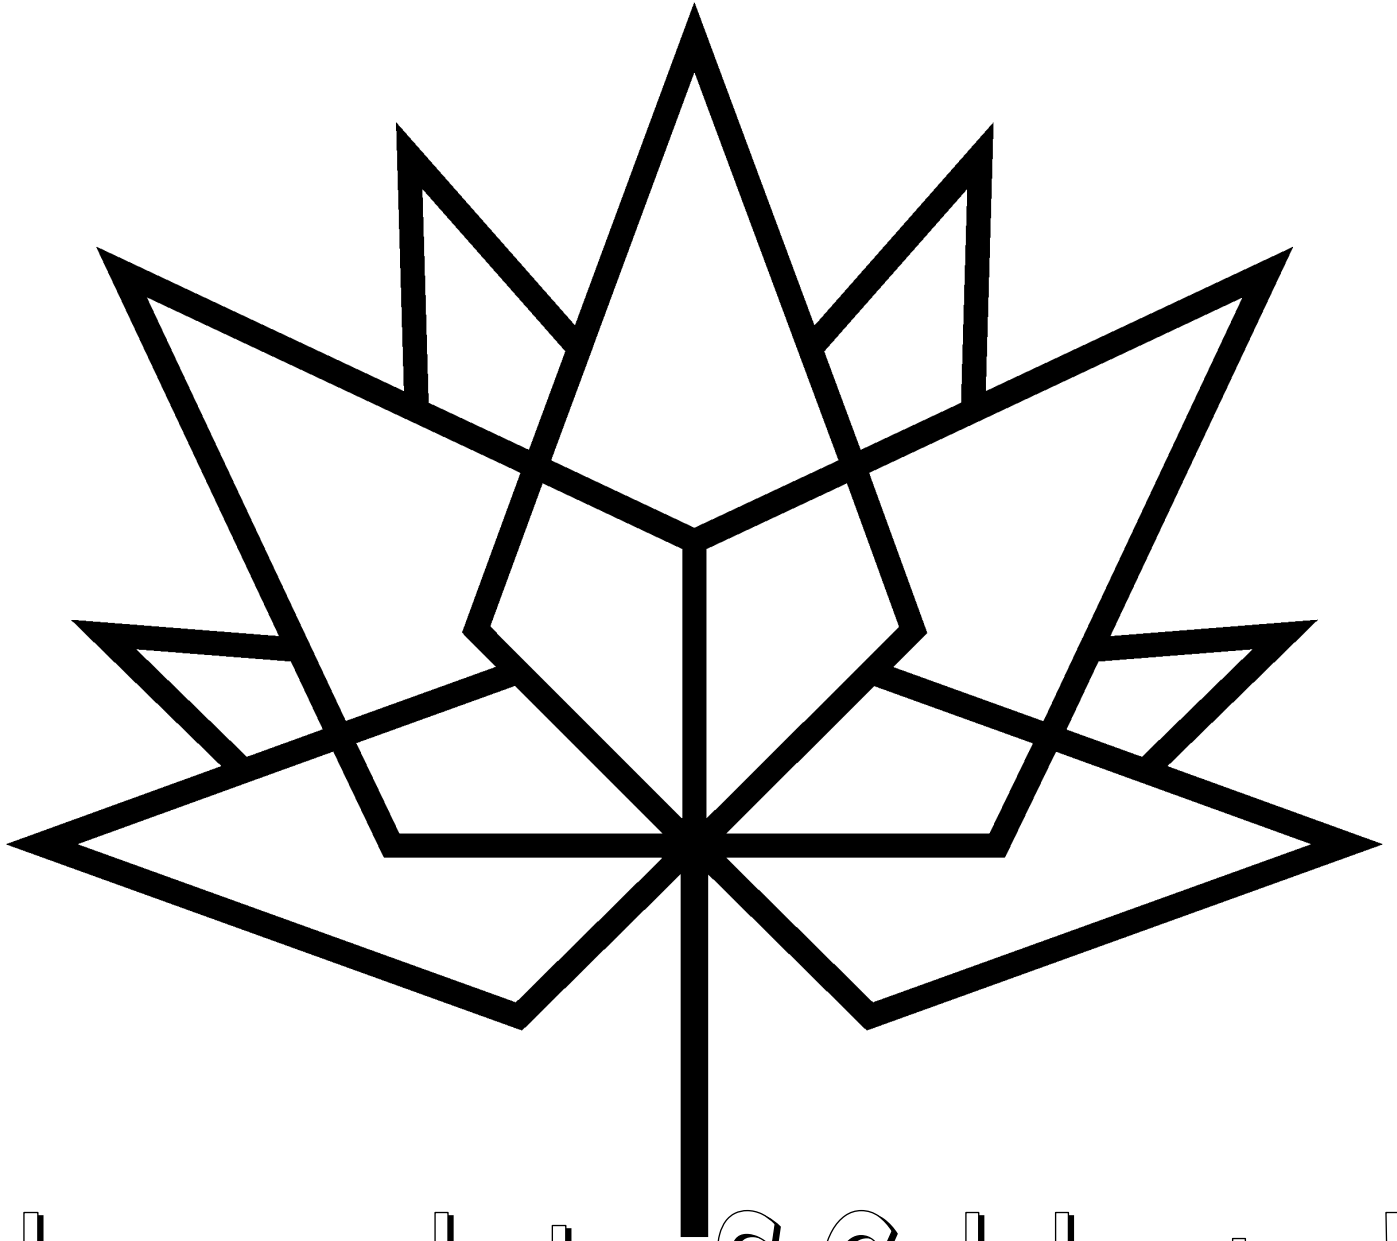

As always, a huge THANK YOU to the sponsors who have renewed their squares or are new to our backpage—We truly cannot publish without your generous support!

Thank You to our Back Page Sponsors

Remember to patronize our back page sponsors.

They keep the News and viewS FREE to all residents!

The News and viewS appreciates all those who help in getting the 10 issues printed and out to the residents. It takes a community!

Garbage and Recycling Carts

It's windy so it must be Thursday in Pilot Butte! Shock this past Thursday wasn't!

The last few pickup weeks have been really windy and the wind has been sending carts sailing around the neighbourhood!

Did you know your cart has a number on it and the town records this number with your name and address?

Please take a moment and write down your garbage and recycle cart numbers.

The number on the black garbage cart is stamped in white on the hinged side.

The number on the blue recycle cart is stamped in white on the side where the arm from the truck picks up the cart.

Please record the numbers of both carts on your Garbage/Recycling Calendar for handy reference.

If you don't have a copy of the 2017 G/R Calendar, you can download and print a copy from the town's website @ www.pilotbutte.ca then to Municipal Services—Waste & Recycling and there you will find the calendar and the Single Stream Recycling Guide.

If you do lose one or both of your carts, due to no fault of Loraas or the Town, you will be required to purchase a replacement cart.

Thank you for your co-operation.

SEWAGE BLOCKAGE - If you suspect you have a sewer blockage, the line **MUST be checked by the Town Maintenance Staff**. Payment may be refused (at the discretion of the Director of Public Works & Maintenance Operations) if this condition is not met. A **maintenance man is on call after hours for emergencies** and is available by calling **306-781-4547 Option 4**. Thank you.

Do you know someone who gives to the Community of Pilot Butte ?

Someone who is deserving of being acknowledged?

A community volunteer either currently or in the past or both?

Do they give or have given their time to volunteering to programs in our community?

Do they go the extra mile with no expectations of personal gain?

We are looking for the person who can be the next recipient of

The HAROLD PANNO COMMUNITY VOLUNTEER AWARD

This award was created by the family of Harold Panno to honor him.

He gave countless hours volunteering his time with many programs and facilities in Pilot Butte - from promoting activities for the youth, being a very active member of the Pilot Butte District Lions, he was invaluable in initiating and building the Pilot Butte Rodeo.

He was a man who believed in giving back to the community.

12 HOURS OF PRAYER FOR PALLIATIVE CARE

Human life is a precious gift from God. However, at the end of our life, we may experience weakness and frailty. It can be a difficult time when we need reassurance that we will be treated lovingly and with respect. Palliative care offers all of this and so much more—compassionate care

and support for all involved in a spirit of dignity and peace.

Unfortunately, this is not so for all Canadians. Through our resolution, petitions, personal letters and government visits—and now our prayer day, we are promoting a culture of life that includes quality palliative care for all citizens.

YOU ARE INVITED to join us in prayer.
When: Thursday May 4

Where: St. Joseph's Catholic Church, Balgonie

Time: 9:00am to 9:00pm (come anytime and stay as long as you wish)

MEMBERS OF ALL FAITHS ARE MORE THAN WELCOME TO JOIN US.

"Let us not underestimate the power of so many voices united in prayer"—Pope Francis

THANK YOU

Samantha and I would like to thank our friends and family for all the kind things they have done for us. From starting the truck, cutting the lawn, cleaning the fridge and all the cooking. But most of all - for being there while times are so tough.

We miss John terribly and don't

know which way to turn. But our friends and family are here to try and make each day a little easier.

John loved his community and he will be missed by everyone who knew him. It is our family we want to thank for the many kind thoughts during this hard time.

Thank you so much! Darlene and Samantha Becker

THANK YOU

I would like to thank T & S Nursery and Greenhouse located in Qu'Appelle, for the supply of gorgeous flowers, that beautified our cemetery in 2016.

Steve and his staff have high quality plants and great customer service. I will be getting 2017 flowers from them, as well.

Thanks

From the Pastor's Desk...

When the calendar flips to spring at Way of Life we get serious about preparing for the town garage sale at the beginning of June. Donations have been coming in steadily and we're going to have a huge selection of items again this year. As well, the hot dog and hamburger sale will be happening both days.

The Community Closet will be open during the sale, with a gently-used clothing for children, women and men available to you at no cost.

We want to thank all of you who have donated items the past few years - your contributions are greatly appreciated! If you are considering donating this year, we hope you'll be able to call ahead (our phone number is below) so that we can be sure someone will be at the church when you arrive, and we can help unload and store your donation.

Thank you and see you at the sale!

Please call Pastor Norm or Pastor Matt at 306-779-1084 if you have any questions about God, the church or our events and programs. We'd love to talk.

Nicole's Preschool

"Why try to explain miracles to children when you can just have them plant a garden." ---Robert Brault

I love this quote. A tiny shoot poking its way out of the soil to grow and blossom into a beautiful flower remains a miracle no matter what our age! There are no words to describe how nature accomplishes this feat....it can only be experienced. At preschool we embraced the arrival of spring by planting little seeds in our indoor vegetable garden and caring for potted flowers. Each child also planted a sunflower seed. They watered and cared for the tiny plants and before they were sent home to grow further in their home gardens they measured and made drawings of their plants development. The look on their faces was priceless as they watched their little "miracles" come to life!

We continued our exploration of plants with a visit to the Regina Floral Conservatory in Regina. The Conservatory is

filled with plants from around the world from a desert cactus, to a plant that eats bugs and even a pineapple plant! We learned about the function and parts of a plant; how plants need soil, sun and water to grow and we planted a seedling to take home.

Back at preschool we dissected real flowers to examine the different parts; counted and sorted various seeds and practiced pouring, scooping and exploring capacity with the lentil sensory box. Best of all we tasted each part of a plant! They were surprised to learn the carrots are really roots, celery is a stem and broccoli is a flower!

Last but not least a special bunny visited for our annual egg decorating day before the Easter break to deliver a special treat hidden around the classroom for each preschooler to find. And it certainly did not take long for them to find it! LOL

Until next month---Happy Spring!
Mrs. Marshall

AT HOME SCIENCE: Place a few bean seeds in an old CD case with a bit of wet soil and place in the sun. Your child can watch the seed sprout and record measurements of the sprout with a marker on the case.

A message from the RM of Edenwold

Canada 150 events announced

To celebrate Canada's birthday, and in the spirit of inter-municipal cooperation, the RM will sponsor and participate in a variety of neighbouring communities events. In May, the RM of Edenwold Canada 150 Legacy Tree project will see seedlings given out to every elementary school child in Balgonie, White City, Emerald Park, Pilot Butte and the Village of Edenwold.

CANADA 150

"When you plant a tree, you're putting a bit of hope into the ground for the future," says Reeve Mitchell Huber. Trees will be sourced from Help International's Shelterbelt project in Weyburn. A tree-planting event is scheduled for August. "The tree honours the history of the RM, the effort once required to process crops," says Councillor Craig Strudwick.

RM staff and council will be hosting a lunch for William Albert House residents in Emerald Park in September and bringing along Dennis & Curtis Fiorio to perform.

Pickle Ball coming to Emerald Park

The Emerald Park tennis courts, at Emerald Park Road and South Plains Road, will be turning into a multi-use recreation space to accommodate both tennis and pickleball. Pickleball is one of the fastest growing sports, with three to four players using paddles to hit a perforated wiffle ball over a net. This request for pickleball was submitted by an Emerald Park resident and discussed at an Official Community Plan early engagement meeting. The Planning Department brought this request to Council and Division 3 Councillor Wayne Joyce did some research on the sport. Council approved the multi-use recreational space at the April 11 RM meeting.

Official Community Plan update

Over 200 residents, landowners, business owners and their employees took the time to respond to the RM of Edenwold's call out to help update the Official Community Plan (OCP). "We received a wide response from rural and urban community members across the municipality," says Senior Municipal Planner Jana Jedic. "We are thankful to everyone who contributed." Five early community engagement meetings were held in March in Emerald Park. The RM promoted resident involvement and requests for completion of the OCP survey through their website, print advertisements, email campaigns, phone calls and portable signs. "Next steps are for us to go over the survey feedback, things shared at community meetings and other comments and communications we have received," explains Planner/Development Officer Paige Phillips. "We'll take that information, best planning practices, census information and planning trends data and start updating the Official Community Plan, our maps and the Zoning Bylaw." A draft OCP and Zoning Bylaw will be provided to the public for review and updates on the process will be posted on the RM of Edenwold website.

Easter Bunny makes stop in Emerald Park

April 9 an Easter Egg Hunt was held at the Emerald Park Soccer Pitch. Emerald Park Home Hardware and IGA hosted the event while the RM of Edenwold provided the use of the park and candy for the kids (and some adults who may have snuck a few pieces, too). Photo courtesy Holly Hough.

The News and viewS would like to thank the Pilot Butte Recreation Board in conjunction with Sask

Lotteries Assistance Grant, for their generous donation to our newsletter. The donation from the Rec Board enables the News and viewS to keep publishing and aids in local sports, culture and recreation advertising. Our continued thanks for the support!

This grant will continue to expand our News and viewS with still more local content, some advertising, more appealing and interesting to read. The Town of Pilot Butte provides financial funding as well as continued support in other ways. The Town has pledged to ensure that the News and viewS will publish, no matter what! Thank you to the Town for this wonderful support. It takes a tremendous financial worry off of the volunteers!

The R.M. of Edenwold also supplies the newsletter with financial funding and we use a portion of these funds to send copies of the newsletters to some R.M. residents. This financial windfall (for us!) is enabling us to produce a larger, more attractive newsletter for your enjoyment. We hope that we can continue to provide a quality of newsletter that makes us the "must read" item each month.

We truly appreciate the support.

Balance Massage Therapy

BEV STEVENSON
REGISTERED MASSAGE THERAPIST

THERAPEUTIC MASSAGE

Does pain or restricted movement keep you from living the life you want? Sports injuries, household accidents, repetitive action on the job and tension from everyday stress can all cause problems that to often take up permanent residence in our bodies.

HOW CAN IT HELP YOU?

Massage can help. Massage is a gentle therapy that can relieve pain and, in combination with other appropriate health care measures, can help heal certain conditions and prevent their return. In some cases massage can reduce or even eliminate the need for medication or surgery.
