What is Forever...in motion?

- **Forever...in motion (FIM)** is a Health Promotion initiative in partnership with community organizations that support older adults to become physically active through a peer volunteer led program.
- The program goal is to improve and/or maintain the health of older adults living in the community through education and physical activity.

St. Agnes Catholic Church

Sunday Mass Time 9:00 am

As summer comes to a close, we can reflect once again on the change of seasons as fall approaches, summer holidays come to an end and the school year is again in full swing. Did we take time over the summer to slow down and appreciate all the gifts God has given us in our lives?

"Since God is found in every person, how we treat our neighbor is how we treat God." Dr. Carolyn Woo

Food for thought:

Just as Jell-O takes the form of the container it is surrounded by, so too are we shaped by what we are surrounded by." Dr. Allen Hunt

What's happening at St. Agnes?

We would like everyone to help us in welcoming our new Shepard, **Father JB Okai!!** Father JB has been assigned to the parishes of St. Agnes (Pilot Butte) and St. Joseph's (Balgonie). Father JB was previously the pastor at St. Peter's. We look forward to getting to know him as he joins our parish family!

This summer, we bid farewell to our former Shepard, Father Ed Hengen who has been assigned to St. Mary's parish. We were very blessed to have his spiritual leadership over the past seven years. He will be missed! We

wish him all the best in his new parish family!

September 24, 2017: Coffee and donuts after mass. Everyone welcome! Come enjoy some fellowship! Volunteers are needed to pick up donuts and prepare coffee each month. If you are able to help out, there is a sign-up sheet at the back of the church.

If you are interested in registering your child in School of Religion and Sacrament classes this fall; or for more information, contact Jackie Peat at stone.n.steel@sasktel.net.

Nicole's Preschool

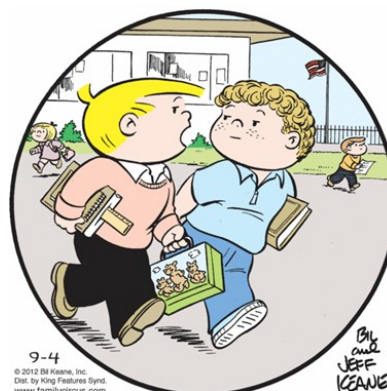

Sending everyone a great big warm hello and welcome to our new school year! As Dr. Seuss says "You're off to great places. Today is your day. Your mountain is waiting. So get on your way!". This year at preschool we also have many great adventures awaiting us and I am honored to have the opportunity to be one of your children's first teachers. Here's to a fun-filled year packed with learning, discovery and big smiles!

Just a reminder, Welcome Packages have been sent out at the beginning of August to all registered preschool families. If your child is registered and you did not receive your package please call me at 789-6914 or email nicolespreschool@sasktel.net.

For registered families: **Preschool Open House** is Thursday, August 31 from 9:00 am - 5:00 pm. Our first days of school (depending upon your child's schedule) begin the week of

September 5-8/17. See you soon!

Some Back to School Giggles!

"The hardest part about goin' back to school is getting my voice to whisper again."

While typing up this issue, I noticed many of our local groups have submitted content for publication to residents and surrounding areas and town. Have you ever wondered how all this work gets done? It gets done by the many **VOLUNTEERS** who work on your behalf to offer programs for your children and/or you!

What does your child participate in? Hockey? Soccer? Ringette? Figure Skating? Isn't it nice that you can just show up and your child can participate in all these sports?

What if we didn't have these volunteers? Simply, there would not be any sport, culture, recreation or extra curricular activities in and around Pilot Butte, Balgonie, White City and all over Saskatchewan!

Recreation Report

"Pilot Butte Summer Youth Club Tagged a Success"

During four days in the middle of the 'dog days of summer' youth 10 to 14 yrs old got the opportunity to hang out at the Pilot Butte Recreation Centre for a few hours of socialization, physical activity and fun. The Pilot Butte Recreation Department offered its first Summer Youth Club July 24th to 27th from noon to 4:00 pm each day. Kids got to hang out in the "lounge" created in the Hall complete with a couch, comfy chairs, foosball table and board games, play dodge ball, basketball and floor hockey on the Arena floor, watch movies and got to play Laser Tag on the final afternoon of the program. Up to 20 kids came out each day and enjoyed the opportunity to have

a place to spend part of the day. Recreation Director Brian Chmarney hopes to run the program again next summer in an expanded format.

The Recreation Department would like to thank all the participants that came out for the program and the organizations that contributed to its success.

"Pilot Butte & YMCA of Regina Youth Leadership Program"

The Town of Pilot Butte Recreation Department is working with the YMCA of Regina to bring a Youth Leadership Program to town for this coming fall and winter. The programs goal is to grow personal leadership skills in youth along with promoting active volunteerism and community involvement. The expected ages will be 8 to 15 yrs (divided appropriately), for boys and girls and operated by trained YMCA staff. Participants will meet once a week at the Pilot Butte Hall and will take part in various

physical activity, discussion, games and community work. For more information on this program, contact Brian Chmarney at pilotbutte.rec@sasktel.net or by calling 306-781-3402.

A message from the RM of Edenwold

Recreation funding in 2017-18 budget announced

The Emerald Park Soccer Centre will be completed this year. Additionally, the surrounding urban municipalities received a community recreational grant to assist with their recreational improvements, maintenance and upgrades. Communicate and the golf courses received a tax abatement for the recreational facilities they provide to the community.

"We have our own recreation facilities in the RM," Councillor Wayne Joyce says, "and we have to invest in those." The RM plans to enhance the Emerald Park soccer fields for the Emerald Park Soccer Centre build at the July 11 council meeting. Construction is well underway with expectations of completion in October. Soccer Centre sponsorship opportunities are available. Please contact the RM office for information.

Coun. Lorne Beer participated in the Ochapowice Nation gas station sod turning, July 7

Budget

"The council requested a 'revenue neutral' budget be submitted and they approved it at their June 27 meeting," says the RM's Chief Administrative Officer Kim McIvor. The mill rate has been set at 4.4 per cent on all assessable properties.

Paving projects

At Crawford Developments paving of Bardel Crescent is 90 per cent complete and had a price tag of \$574,000 paid in part by a local improvement levy. Hogan Drive is now a registered road and connects Emerald Park Road in Emerald Park to Fairway Road in White City. "The RM's goals are such that within ten years all roads within Emerald Park will be completely updated and/or paved to current engineering specs," says McIvor. Council accepted tenders for the following road projects at the July 25 council meeting: Grid 734, Nicklaus Place, Diamond Road and Pearl Crescent.

Hydro-seeding by Rapid Lawn at Crawford Developments, August 1.

Ministry of Highways and RM work on highway signage project

Starting in August, local businesses will be given the opportunity to promote their companies to Highway 1 facing traffic with a new sign pilot project. For a fee, the Ministry will include their companies name or logo on signs to be erected by October of this year.

"This will help with visibility for Emerald Park businesses and provide information for the travelling public regarding specific services such as hotel accommodations, fuel services and restaurants," says McIvor.

So what is BodyTalk?

BodyTalk is a form of individualized healthcare that focuses on the **root causes** of dys-function and dis-ease, rather than the symptoms, to help the body heal itself. It treats the whole person including mental, emotional, environmental, and spiritual aspects of life.

All of your life's story is stored somewhere in your body - good, bad, or otherwise. When you continue to store things in the same spot it starts to experience dys-function and dis-ease, you may begin to experience pain in the shoulders, knee, or other locations.

A BodyTalk practitioner listens to your body and identifies the best connections needed to heal itself and return to health and wellness. Simple tapping of the head, heart, and abdomen occur to help your body make positive lasting changes. Check out www.bodytalksystem.com.

When it comes to your body NO body knows it better than you!

Current rates for sessions:

Adults	\$80
Seniors	\$70
Children	\$60

* Sessions may last up to an hour.

To book your session with Chrysa phone or text 306-331-5569.
