Many Thanks to Gail, Tianna and Debbie for helping out during our time of need!

Greenall Griffins Update

Our Sr. Boys VBALL Team won Gold at their tournament at the U of R on September 15

Open House and Academic Awards are SEPTEMBER 26

9 to 5 is the 2009 (PG) Broadway adaptation of the 1980 Dolly Parton film. Three office workers manage to kidnap their bigoted boss and take control of the company making changes that increase productivity and better the lives of their fellow employees. Greenall is pleased that we already have a cast and chorus of 43 Griffins who have auditioned to act, sing and dance for our show. The directors were blown away by the talent that showed up for these auditions. Our show dates are Thursday, Dec. 6 at 7 pm, Friday, Dec. 7 at 7 pm & Saturday, Dec. 8 at 2 pm. We already have a great group of musicians lined up to play in our live orchestra. Please come out and support the local talent that is from our communities. We have so many talented students & musicians and we are pleased to showcase them.

A NOTE FROM OUR PRINCIPAL MR. WEITZEL

In schools across Prairie Valley School Division we have started our year with the intent of living up to the motto "Be Kind, Because Being Kind is Something Everyone Can Do".

Throughout Greenall High School you will see words and phrases that help to guide our work and learning. "Providing a Caring Climate Conducive to Learning" is our school mission statement and our school values (which will be under construction this year) are: Self-Control, Kindness, Empathy, Respect, Fairness, and written on our walls you will also find the word tolerance, but we are inserting Acceptance as a more welcoming and inclusive word than tolerance as one of our values.

These shouldn't just be words on our walls, these values should direct our learning and work with each other on a daily basis. Living up to these values is essential to ensure we benefit from a positive learning environment which will enable each of our student to maximize their learning potential.

Each of us at Greenall High School holds responsibility for the climate of our school. Through our interactions with one another we each have the power to be a positive influence on the experiences of others. We are a school community of over 700 people. Given these circumstances it would be naïve to believe that conflict would never occur. We can learn lessons from conflict and both individuals involved can still be respected. When behaviours become intentionally hurtful and are initiated by a person or group targeting another; we view these behaviours as harassment and bullying and such behaviour **has absolutely no place within our school**. Our staff have been involved in developing an action plan known as "Respect for Self and Others – the Greenall Anti-Bullying Action Plan". The actions laid out in the plan are identified to improve the climate of our school.

As we look forward to the year before us, we ask that our entire school community plays an active role in making our school a safer, more enjoyable place to learn by demonstrating respect for yourself and respect for others. We have challenged each of our staff and students to deliberately and consistently be kind and respectful to one another, day in and day out.

It's simple, if kindness towards each other is our primary focus we will all enjoy our time here even more, we will be more likely to learn and we will all be happier, healthier people.

Nicole's Preschool

SEPTEMBER

The excited chatter of children filled our days at preschool this month as the pre-schoolers settled in to a new year! The children busied themselves getting acquainted with the classroom and its routines and enjoyed the friendship of both old and new classmates. This September started off, as is expected, with a whirlwind of emotions! Meeting new people, getting to know a new place and even learning how to open our snack can be a tricky experience! But we're off and running now eager to discover, explore and

welcome our year ahead!

Some of September's highlights included getting to know ourselves better. Squeaky, the squirrel, Snowy, the lamb, and Story Mouse also stopped by to help us better understand our emotions and the importance of paying attention to the feelings of others. Studies have shown that children who have effective and satisfying social interactions also tend to do better in other areas of their lives such as in future academic success. Our puppet friends spent time teaching these important social skills to help us springboard into the learning adventures awaiting us!

As the month closes we are looking forward

to studying the signs of autumn as the seasons begin to change once more. Have a great month and Happy Fall everyone!

Saskatchewan LOTTERIES 

The News and viewS would like to thank the **Pilot Butte Recreation Board** in conjunction with **Sask Lotteries Assistance Grant**, for ongoing donation to our newsletter. The donation from the Rec Board enables the News and viewS to keep publishing and aids in local sports, culture and recreation advertising. Our continued thanks for the support!

The grant allows expansion of the **News and viewS** as necessary, with local content, assorted advertising and hopefully making it more appealing and interesting to read. The **Town of Pilot Butte** also provides financial funding as well as continued support in other ways. The Town has pledged to ensure that the News and viewS will publish, no matter what! Thank you to the Town for their continued support. It takes a tremendous financial worry off of the volunteers!

**Pilot Butte residents Rob & Jacy Reinhardt are on their way to the
Jack Daniels World BBQ Championships in October!**

Their BBQ competition team Prairie Smoke & Spice is one of just 3 Canadian teams who received an invitation in 2018. This exclusive invitational contest only has room for 80 teams from around the world, and they truly represent the best of the best. The distillery hosts the contest at their home in Lynchburg, Tennessee.

To qualify for this event, teams need to win a “Grand Championship”, at a qualifying BBQ contest in Canada. Rob & Jacy won two of these events in 2018, including the largest BBQ competition in Canada - Porkapalooza in Edmonton, Alberta. Even a championship isn’t enough though - there is also a draw process. Since there are a dozen BBQ contests in Canada, each of these champions get a shot at the invitation, which is determined by a random draw.

Rob & Jacy consider this opportunity a very special one - not to be taken for granted. This is actually their 7th invitation in the past 10 years. The event is celebrating their 30th anniversary this year, so there are bound to be some surprises waiting for teams in the “Holler” of Lynchburg. Joining them for the first time in 2018 will be their children - Delaney and Emmett. Rob cooks on Gateway Drum Smokers - using traditional fuels such as Canadian hardwood charcoal and wood.

During the rest of the year, Rob & Jacy operate Prairie Smoke & Spice as a food truck and Catering business headquartered right here in Pilot Butte.

RM Town Hall meetings well-attended

Three of four public town hall meetings were held in September to talk about the recent annexation proposal put forward by the town, to discuss options and get direction from our ratepayers as this is "Our Communities, Our choice." The meetings were 'standing room only' as residents brought their questions and concerns to RM council and staff about the proposal and what it means for the future. Residents continue to raise their concerns about the impact annexation will have on their water and weekly service delivery and White City's ability to fully pay for all the costs without raising taxes on residents. The RM Council is also concerned about continued growth along the Highway 1/Highway 48 corridor and what annexation will mean for future regional cooperation and development. The RM is holding a fourth town hall for all residents on October 4 at the Ramada in Emerald Park to help provide more information to residents, give them the full story, and have their say. After all, these are Our Communities, Our Choice.

Following a public hearing, September 11, 2018, council approved a new cannabis processing, manufacturing and retail venture in a commercial sector north of Pilot Butte.
