Rural Crime Watch 158

The Rural Crime Watch 158 Executive would like to extend an invitation to all residents of the RM of Edenwold to join our Rural Crime Watch Group.

Rural Crime Watch 158 is a community driven, community led and police supported crime prevention and crime reduction collaborative group. Residents in the RM of Edenwold formed Rural Crime Watch 158, a non-profit organization, in the 1980's. We are resident volunteers with a vested interest in our community and a shared goal of safe homes and a safe community.

We utilize the social media platform "WhatsApp" as our means of real time communication to our membership of any unusual or suspicious activity in the community. We have a public Facebook page, Rural Crime Watch 158 that promotes safe practice initiatives, provides updates related to the organization and is a way to boost awareness of any issues within the community.

Our goal is to promote neighbours watching out for neighbours.

If you are interested in joining Rural Crime Watch 158 or require more information, please contact us at:

If you are a resident of the Town of Pilot Butte and **are not** receiving town notices and information using this system please contact the **Town Office at 781-4547 Option #1 or email the town at townofpilotbutte@sasktel.net**. You may opt out at any time.

BOULEVARD PARKING

However much we might like to avoid it, winter is here. That means snow removal. And **THAT** means that, for the winter season, residents must remove trailers and any other items stored or otherwise parked on the boulevards.

Vehicles that are being used every day may be parked on the boulevards for periods no longer than 72 hours starting at the end of October.

The 72- hour restriction does not mean that you drive your vehicle around the block and re-park it every 72 hours. It means that any vehicle not in regular use should not be parked on the boulevard for the winter months. The boulevards are provided to you for your convenience but they are Town property and, for ease of snow removal, the Town requires them to be unobstructed for the winter.

Properties in Violation will be ticketed by the Bylaw Enforcement Officer.

Please remember that there is NEVER parking allowed on the travelled portion of the road where no curb exists.

The Town thanks you in advance for your cooperation and appreciates your commitment to making Pilot Butte the BEST town in which to live.

SEWAGE BLOCKAGE - If you suspect you have a sewer blockage, the line **MUST** be checked by the Town Maintenance Staff. Payment may be refused (at the discretion of the Director of Public Works & Maintenance Operations) if this condition is not met. A maintenance man is on call after hours for emergencies and is available by calling **306-781-4547 Option 4**. Thank you.

Be gentle with yourself. You are a marvelous creation, but you are a work in progress. In order to be happy, you must realize that happiness is an inside job. It has very little to do with money, jobs, possessions, pleasure or circumstances. Pay attention to what is happening around you. There's a good chance God is speaking to you without using words.

Nicole's Preschool

FEBRUARY!

"Popcorn kernels in the pot! Shake them, shake them, shake them till they pop!" The preschoolers loved singing this song this month at preschool because popcorn filled our days and activities. It was everywhere---literally lol!

We researched how corn is grown and how popcorn is made. We scooped popcorn at the Sensory Table. We made popcorn trees and collages, sold popcorn at our pretend Popcorn Shop and counted and made patterns with popcorn. We also blew popcorn on the floor with a straw in a Popcorn Race and tossed it into the air with a popcorn box. The highlight of course was making a Popcorn Volcano. It's become a tradition around here with this topic! A hot air popcorn machine, without the lid, was placed on the floor. After estimating how far the popcorn would explode the children watched from a safe distance as popcorn exploded into the air. Normally my kitchen looks like this whenever I attempt to make popcorn for myself so it was fun to actually do it on purpose. The children were delighted!

MK Photography also visited us this month for our Class Picture Day and on one Saturday evening we made our annual visit to the Glencairn Bolodrome in Regina for Family Bowling Night. It was so much fun and for many little ones it was their first bowling experience. Thank you once again to the Baer Family of Pilot Butte who own alley for their warm hospitality!

For the Valentine season the children also participated in our annual Valentine Party and card exchange. Special thank you to all the parents who sent a special treat for the children's snack!

See you next month!

Mrs. Marshall

AT HOME RECIPE FUN!

Make Popcorn Lollipops!

Caramel Popcorn Lollipop

1 cup popcorn kernels
 1/3 cup brown sugar
 1/3 cup butter
 1/3 cup light corn syrup
 1/3 cup sweetened condensed milk

1. Pop the popcorn on medium heat over the stove top. If you want to use microwave popcorn you will need two bags.
2. While the popcorn is popping mix the sugar, butter, light corn syrup, and sweetened condensed milk on a small sauce pan over medium heat until it is well incorporated and begins to bubble.
3. Put the popcorn in a large bowl and pour the caramel mixture over the popcorn. Mix gently so as to not break the popcorn, making sure that the popcorn gets fully coated with caramel.
4. Gently form popcorn balls and push a lollipop stick in the centre.

The News and viewS would like to thank the Pilot Butte Recreation Board in conjunction with Sask

Lotteries Assistance Grant,

for ongoing donation to our newsletter. The donation from the Rec Board enables the News and viewS to keep publishing and aids in local sports, culture and recreation advertising. Our continued thanks for the support!

The grant allows expansion of the News and viewS as necessary, with local content, assorted advertising and hopefully making it more appealing and interesting to read. The Town of Pilot Butte also provides financial funding as well as continued support in other ways. The Town has pledged to ensure that the News and viewS will publish, no matter what! Thank you to the Town for their continued support. It takes a tremendous financial worry off of the volunteers!

The R.M. of Edenwold also supplies the newsletter with financial funding and we use a portion of these funds to send copies of the newsletters to some R.M. residents. This financial windfall (for us!) is enabling us to produce a larger, more attractive newsletter for your enjoyment. We hope that we can continue to provide a quality of newsletter that makes us the "must read" item each month.

We truly appreciate the support.

A message from the RM of Edenwold

RM prepares for March SARM convention

The RM of Edenwold council has passed a resolution to be presented at the SARM convention taking place in Regina March 14 - 16.

The resolution recognizes the importance of mental health services for volunteer firefighters. Previously the Saskatchewan Volunteer Firefighters Association (SVFA) has engaged in a Critical Incident Stress Management initiative, supported by the Saskatchewan Association of Fire Chiefs and the Emergency Management and Fire Safety branch of the Ministry of Government Relations.

"We value the work of our local volunteer firefighters," says Councillor Tim Brodt. "We are aware that some call outs they attend to result in those volunteers helping at scenes and witness to incidents which can stay with them after the trucks have returned to the fire halls. We want to ensure they have the help they need so they can return whole and helped to their families and friends."

If passed by SARM delegates, the resolution would see a one time per-capita levy of 50 cents collected from residents and placed in a fund in trust with the SVFA.

Little Libraries coming to Emerald Park

Free little libraries have been popping up all over North America for some time. The small libraries, mounted on posts in residential areas, are meant to help inspire the community, encourage reading and help to initiate conversations between neighbours. When the ground thaws, three Little Libraries will pop up in Emerald Park. People can leave books and borrow books from the libraries at any time. Residents are encouraged to post a selfie of themselves using the Little Library and post it on the RM of Edenwold Facebook page. For more information about the Little Libraries contact the RM office at 206-771-2522.

A Little Library being built. In spring, they will begin popping up in Emerald Park.
