The News and viewS needs your help! Some of our back page sponsors have been unable to continue their support of the News and viewS. We thank them for their previous support and wish them continued success!

Do you require an inexpensive but widely distributed advertising medium? The News and viewS may be for you! The News and viewS is published 10 times per year with a monthly distribution of over 1100 issues per month. If you would like to become a back page sponsor (upon approval) for a minimum of \$150.00 per year, please contact the News and viewS by email at newsandviews@sasktel.net or call 306-781-4067 or 306-781-6250. Thank you!

The Council Connection

Council meetings are **Open to the Public**. Meetings are normally held the **2nd and 4th MONDAY** of each month. If a Statutory Holiday falls on a regularly scheduled Council meeting Monday, the Council meeting will be held on the Tuesday. Unscheduled Special Meetings are advertised in advance for public attendance.

Your Elected Council Members who represent your interests are Mayor **Peggy Chorney**, along with Councillors **Teresa Blommaert**, **Jean Lowenberger**, **Bruce MacKenzie**, **Lydia Riopka**, **Nathan Schmidt**, **Ed Sigmeth**. Please contact the Town Office at 306.781.4547 should you have any questions or concerns on any issue.

The Council meetings for 2018 are as follows:

| | | | |
|------------------|----------------------|------------------------|---------------|
| May 14, 28 | June 11, 25 | July 9, 23 | August 13, 27 |
| September 10, 24 | October 9 (Tues), 22 | November 13 (Tues), 26 | December 10 |

You can contact us at 306.781.4547 or townofpilotbutte@sasktel.net. We are also on the web at www.pilotbutte.ca. The site is updated on a regular basis. If you have any suggestions or comments on our website, please feel free to let us know. We welcome any and all feedback.

... that the Town of Pilot Butte makes use of the **Group West** (formerly Synrevoice) messaging system for **their residents**?

You may receive town news, announcements and information by telephone (old or new!), e-mail, or both. If you are a resident of the Town of Pilot Butte and **are not** receiving town notices and information using this system please contact the **Town Office at 781-4547 Option #1 or email the town at townofpilotbutte@sasktel.net**. Forever...in motion Program

Resumes in April (April 10)

The Town of Pilot Butte is offering Forever...in motion in the Community Hall (222 Diamond Place) on the following dates and times:

- ⇒ Every Tuesday starting April 10th
- ⇒ April and May
- ⇒ Held from 10 am to 11 am

Forever...in motion provides and promotes safe physical activity opportunities for older adults living in Saskatchewan.

For more information, please contact Brian at (306) 781-3402 or pilotbutte.rec@sasktel.net

SEWAGE BLOCKAGE - If you suspect you have a sewer blockage, the line **MUST** be checked by the **Town Maintenance Staff**. **Payment may be refused** (at the discretion of the Director of Public Works & Maintenance Operations) if this condition is not met. A **maintenance man is on call after hours for emergencies** and is available by calling **306-781-4547 Option 4**. Thank you.

Summer Parking

As of May 1st the 72 hour parking restriction on boulevards Yay, we survived another winter. Now that sunny skies and warmer temperatures are here the Town wishes to remind residents of summer parking restrictions.no longer applies. This relaxation of the restriction applies **only** to boulevards.

- ⇒ Street parking for periods over 72 hours is never allowed. As in the winter this 72 hour restriction does not mean that you drive your vehicle around the block and re-park it every 72 hours. It means that any vehicle not in regular use **should not be parked** on the street. The streets are not to be used for storage of vehicles.
- ⇒ Please remember that there is **NEVER** parking allowed on the pavement where no curb exists.
- ⇒ While recreation vehicles (campers) and trailers are not restricted from parking on the boulevards or curbed streets, please exercise discretion in parking on those sites. Streets and boulevards were not designed to accept the haphazard parking of campers or trailers. Being larger than cars they restrict sight lines and create blind spots for drivers in respect of small children and other vehicles. Small trailers full of debris are considered unsightly and are not acceptable.
- ⇒ No unregistered vehicle may be parked on public lands or in private front yards.

Vehicles in Violation will be ticketed by the Bylaw Enforcement Officer and may be towed if not moved within a week after the ticket is issued.

Please remember that streets are shared with everyone else in Town; consider your neighbours when you use public roadways for private parking.

The Town thanks you for your cooperation and appreciates your commitment to making Pilot Butte the community of choice.

The "Love Me As I Am" garden tour is a community event put on by the White City Garden Club, as a way to share our passion for gardening and promote our beautiful community. We are looking for a few more gardens to participate in the tour to be held Saturday, July 14, 2018. The self-guided tour invites visitors to enter a variety of neighbourhood yards and "love me as I am" . . . Whether under renovation, whimsical, surviving our prairie conditions or just plain loved. If you have (or know of) a garden someone loves and might be willing to share, let us know too! Just send an email to WCGC at wgcg.communications@gmail.com and our committee will take it from there!

IT'S A PARADE!

Yes, it is time once again to think about the Annual Pilot Butte Family Day Parade. This parade runs in Conjunction with the Rodeo weekend and will take place this year on Saturday June 16 at 10:30 am.

So get out your group banner, your bicycle, your horse and cart, your antique car, your tractor, truck, motorcycle, or ATV, your little red wagon, your dog, your balloons, your mascot, your clowns. Use your imagination! Put together a float with your friends, neighbours, business partners, hockey team or social group and show us how much fun you are!

Call the Town office at 306-781-4547 to sign up. We are so looking forward to an awesome parade this year. We can't wait to hear your great ideas!

Pilot Butte is a fun, vibrant community. Let the Party begin!

Our Furry Friends and their “deposits” . . .

This came to the attention of the News and viewS in regards to our Furry Friends! It is a timely article on how our responsibilities as citizens are so far reaching and never ending! Please read and help our community stay as beautiful as possible!

Wherever we live, we have every right to choose to share our home with a furry friend. Animals enrich our lives, give us comfort, keep us company, make us laugh. The choice, though, comes with responsibilities. We must

respect the rights of others who do not wish to share their home, property or common areas with a dog or cat.

Now that summer is almost here, many of you may be spending more time outside with your pets. You might want to check out the bylaws on the town website in regards to dogs and cats and licencing your pet. Be reminded that it is not acceptable at any time for anyone to allow pet droppings to remain where they are deposited. Pets are so cute when they are babies but they do grow up!

There are as many non-pet-owning residents, as there are pet-owning residents. It is expected that responsible owners, when walking their dogs, carry on their person those materials which will facilitate the collection of droppings that may occur when walking pets. This is particularly important when you enjoy a walk down the pathways and public areas that are shared with all of the other residents of the Town who do not deserve to be presented with reminders of a pet's passage.

Inland Park contains stations with polite little bags for residents

who have come away from home unprepared, along with several garbage containers for disposal. As for cats, there are few things more unpleasant than to be happily digging in a flower-bed and to thrust a hand into droppings from the neighbour's cats. It is appreciated that cats may be keeping down the rodent population but please keep cats at home.

Finally, we all know that it is **NOT** Ok to just open our door and let our pet out to run free and to defecate where it pleases. It is **NOT** OK to walk our dogs off-leash (Town bylaw) and allow them to defecate in the yards of other residents or on ball diamonds or soccer fields or streets while you stand on the street or walkway and pretend you don't see him. Again, there are lots of people in town who have made the choice not to keep a pet; they shouldn't have to clean their yards because of someone else's pet. Those of us who have children and grandkids – we want them to play in our yard and not have to worry about cleaning pet droppings in our fenced back yard before we can go out to enjoy the sunshine!

If it is already your practice to clean up after your pet, as it is for most of you, many thanks and you are applauded for your commitment to keeping our town beautiful.

There are many areas in our town where walking dogs is a very pleasant exercise. Enjoy the summer out with your pet.

Greenall Griffins Update

The **Outdoor School** group has been busy preparing for a variety of upcoming events! On **Friday, April 20**, we will be travelling to Balgonie Elementary to participate in a wheelchair basketball game and provide lunch to two winning classes, funded by SaskTel's *I Am Stronger* campaign. At 7pm on **Tuesday, April 24**, we

will be hosting teacher and biologist, **Jared Clark**, as he leads us through a climate talk. **All are welcome!** As well, we are celebrating **10 Years of ODS** on May 4th, where we hope various alumni and contributors will join us for an evening of celebrations.

Congratulations to the twenty-two Grade 9 students who participated in Regional Science Fair yesterday. They proudly brought back 10 medals and three Special Awards to Greenall

Brooklyn Kowbel and Marika van den Berg received bronze medals.

Mya Helgason, Tess Bernard, Jasmyn Rebeyka and Rory Bauman received silver medals.

From the Pastor's Desk...

As we watch the days get longer we know that warm or cold, Spring is taking hold. That means the Town garage sale in June is drawing near.

Donations have been pouring in and this looks like it will be our largest sale ever! The popular hot dog and hamburger sale will be happening again and we hope to see all our regulars and many new faces this year. The Community Closet will be open during the sale, with plenty of gently-used clothing for children, women and men available to you at no cost.

We want to thank everyone who has donated items over the past 5 years. Your generosity is deeply appreciated! If you are considering donating again this year, we are open Mon, Tues, Thurs and Friday from 9am to 3pm. If you can't make those hours, please call our number below to book a drop-off time. That way we can have someone hereto help unload and safely store your donations.

Thank you and see you at the sale!

Nicole's Preschool

April!

What has no eyes, ears, lungs, arms or legs, eats its weight in food every day, breaths through its skin and can live up to 10 years? It's our friend the earthworm! At preschool this month the children explored the life of an earthworm and the importance of caring for living beings. Gently with our hands we held and observed how the wiggly creatures felt and moved. To see the worm tunnels we made a worm "hotel" out of a clear plastic jar filled with alternating layers of soil and sand. We checked our worms daily and fed our worms dried leaves and old vegetable scraps and carefully spritzed them with a water bottle so they wouldn't dry out! But if a worm has no eyes would it notice the light? The children discovered worms still sense light despite having no eyes! They wiggled away whenever we shone a flashlight on them.

Our gardener's friend the earthworm was also a great springboard to practice digging for and counting rubber worms in a giant bucket of topsoil. Our puppet friend "Super Worm" taught us about the letters "W and S" which, by the way, look a lot like worms! We painted "worm tracks" with cooked spaghetti dipped in paint and used string "worms" to measure objects around the classroom. We also made clay sculptures of worms, worm cocoons and even "castings" (uh hum...that's worm poop). These were but a few of the many wormy activi-

ties that elicited several "Ewwws!" from the pre-schoolers (and their teacher). J

We are now getting ready to investigate the topic "Farms!" and are looking forward to a trip to 49 Rivers Ranch north of Regina to see real farm animals up close.

Happy Spring and see you next month!

Mrs. Marshall

Hard to Believe Worm

Facts: Did You Know.....?

- Baby worms are not born. They hatch from cocoons smaller than a grain of rice.
- The largest earthworm ever found was in South Africa and measured 22 feet from its nose to the tip of its tail.
- In one acre of land, there can be more than a million earthworms.
- Worms are tough little creatures. If you accidentally cut an earthworm in half while gardening, only half will die. The piece with the saddle (the fatter, pink part) will survive.
- Even though worms do not have eyes, they can sense light, especially at their anterior (front end). They move away from light and will become paralyzed if exposed to light for too long.

Muriel Blair – Centenarian

Muriel (Nee KAISER) Blair recently celebrated her 100th birthday. She was born in Indian Head on April 11, 1918.

The Pilot Butte Golden Sunset Club recently hosted a party at the Drop In Centre to celebrate this milestone event. Marion Zsombor chaired the party, with a

theme of "The Way We Were" and Barry Leibel served as MC. Artifacts that might have been in the homes a century ago decorated the club.

As the eldest child of 3 girls, Muriel enjoyed music, playing the 'fiddle' in a local dance band, and is accomplished on the piano and organ.

She married Ken Blair and shared 57 years together, raising 3 daughters and were blessed with 5 grandchildren, 7 great-grandchildren and 1 great-great grandson.

Muriel and Ken moved to the Pilot Butte District in the 1970's, renovated an old schoolhouse into a charming country home just off the TransCanada Highway. She enjoyed landscaping and gardening.

In 2004, after Ken's death, Muriel moved to the condo in east Regina. She retained her ties to Pilot Butte by joining the Senior's Club where she is a keen card-player and an active member.

Muriel Bravely faced several health problems over the years, the latest a severe bout of shingles. She also gave up driving recently although she retains a valid driver's license until 2022. She has bounced back to health after each problem.

Asked about the unbelievable changes over 100 years of life, she amusingly related the transformation of communication – gone are the rotary dial telephones, and party line "listening in" to more modern equipment.

She attributes her longevity to good genes, positive attitude and a great sense of humour.

Official greetings were received from:

Friend or Foe? Noxious Weeds in Our Gardens

with

Renny Grilz, P. Ag.

Meewasin Authority, Saskatoon

What we plant in our yard does not always stay there. Some ornamental species have invasive characteristics that may allow them to escape or spread through roots, seed dispersal (birds, animals, humans and wind) or intentional plantings. Sometimes these ornamental plants are so invasive that they end up on the noxious weeds list. This presentation will talk about some of the different ornamental species that are starting to pop up in natural areas and the issues they are causing for biodiversity and wildlife throughout Saskatchewan.

May 13th, 2017
10 A.M to 2 P.M

To celebrate the hero, the comforter, the role model in your family, we will have a wide selection of hot items, salads, and dessert for Mother's Day.

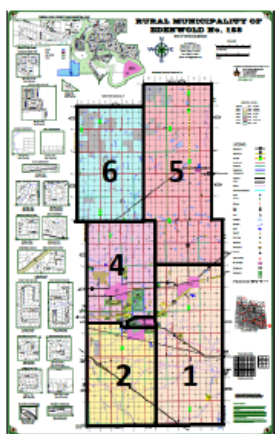

A message from the RM of Edenwold

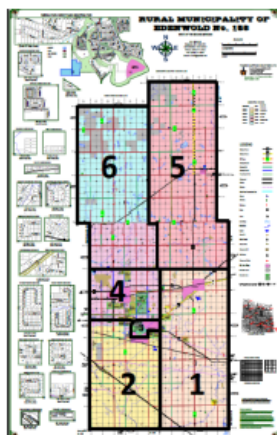

RM responds to survey sent out to RM residents

We are aware that a survey has been distributed by the town of White City to gather information from the community. This survey was delivered door-to-door to residents of not only the town, but also Emerald Park, and the surrounding residential subdivisions of Escott/Deneve, Park Meadows, and Meadow Ridge, all of which are within the jurisdiction of the RM of Edenwold. RM staff and council feel the survey was meant to direct members of the community to a specific conclusion. We are disappointed to have not been included in the survey design process to ensure RM viewpoints were represented accurately. The RM encourages any ratepayers who would like to, to feel free to contact our office at any time to discuss the survey or the topics being discussed. In spring 2017, the RM of Edenwold's Planning Department held five public meetings and distributed a comprehensive survey to get input from both residents and business operators. A follow-up survey was then hand-delivered to businesses in the summer of 2017. Your input—gathered in 2017—is invaluable and will help inform policy and our new Official Community Plan.

Boundary realignment completed

Current

Approved 2018

Proposed Alterations:

- ▶ Division 2: Northern boundary moving North to Highway #1.
- ▶ Division 3: Expanding boundary South to include all of Aspen Village and the north side of South Plains Road.
- ▶ Division 4: Southern boundary moving North to Highway #1 & Northern boundary moving South to Township Road 182.
- ▶ Division 6: Southern boundary moving South to Township Road 182.

After public consultation and council discussion, divisional boundaries for divisions 2, 3, 4 and 6 have been altered. The last of three public meetings on the topic boundary realignment was held March 21 in Emerald Park with twelve residents attending.

"This year, elections for even numbered divisions will be held in October," says Kim McIvor, Chief Administrative Officer with the RM of Edenwold. "With changing demographics within the RM, the boundary realignment addresses changing population densities and the RM's geographical diversity."

"This change completes a two phase solution approach, which began in 2016 with the redrawing of divisional boundaries to create a fully changed Division 3," explains Reeve Mitchell Huber. "With phase two now completed, we thank our residents for participating in public meetings and engaging in discussions with staff and council members. The work done here shows we're listening as a council and that our community is engaged." Maps showing the revised boundaries can be found on the RM website. Nomination day is September 19 - the day candidates must announce they are running in municipal elections.

The **News and viewS** would like to thank the **Pilot Butte Recreation Board** in conjunction with **Sask Lotteries Assistance Grant**, for ongoing donation to our newsletter. The donation from the Rec Board enables the **News and viewS** to keep publishing and aids in local sports, culture and recreation advertising. Our continued thanks for the support!

The grant allows expansion of the **News and viewS** as necessary, with local content, assorted advertising and hopefully making it more appealing and interesting to read. The **Town of Pilot Butte** also provides financial funding as well as continued support in other ways. The Town has pledged to ensure that the **News and viewS** will publish, no matter what! Thank you to the Town for their continued support. It takes a tremendous financial worry off of the volunteers!

The **R.M. of Edenwold** also supplies the newsletter with financial funding and we use a portion of these funds to send copies of the newsletters to some R.M. residents. This financial windfall (for us!) is enabling us to produce a larger, more attractive newsletter for your enjoyment. We hope that we can continue to provide a quality of newsletter that makes us the "must read" item each month. **We truly appreciate the support.**
