Around the World,

Multi-cultural Potluck Supper

This event is open to all who would like to share dishes from their cultural heritage. Please bring a dish, warm or cold, that is typical of the food you and your family would enjoy at home or with parents and grandparents. Bring only as much as you would ordinarily make for your immediate family. Ideas might be salad, or a bread, or a vegetable or meat entrée or best of all, a dessert! Then the fun part - we will all TASTE each other's FOOD. If you are a new resident this would be a great way to come out and meet your neighbours - we know they'd love to meet you!

Sunday, October 27, 2019 5 pm Town Hall

Beverages, cutlery and plates provided or feel free to bring your own plate and cutlery, like we used to do for potlucks in the old days.

We look forward to enjoying flavours from all over the world!

WINTER PARKING RESTRICTIONS

Yes, that season of snow removal is coming. While we have had a lovely long summer to enjoy our boulevard parking, residents are reminded that, from November 1 to April 30, there is a 72 hour restriction on parking on Town boulevards.

****** The boulevard is the Town-owned land between the edge of the paved street and your property line.

****** On streets with no curb, there is NO allowance for parking on the pavement at any time.

****** On streets with no curb, the boulevard may be used for parking of vehicles in daily use. The 72 hour restriction doesn't mean that you drive your vehicle around the block and re-park it. It means that you cannot store vehicles on the boulevard during the winter months. The same thing applies to paved streets where there is a curb.

****** On any street, whether there is or is not a curb, the Town appreciates that vehicles will not be parked either on the boulevard or on the pavement when snowfall is imminent. When operators are cleaning the streets, particularly after heavy snowfall, that snow has to go somewhere. The boulevards serve that purpose.

The Town thanks all those residents who help us out by complying with the law. Please be assured that vehicles which are left on boulevards or on streets may be ticketed and /or towed.

SEWAGE BLOCKAGE - If you suspect you have a sewer blockage, the line **MUST** be checked by the Town Maintenance Staff. Payment may be refused (at the discretion of the Town Maintenance Director) if this condition is not met. A maintenance man is on call after hours for emergencies and is available by calling **306-781-4547 Option 7**. Thank you.

Nicole's Preschool

We have had a wonderful start to our new preschool year and already fall is upon us bringing with it cooler temperatures, shorter days and colourful surroundings! For the preschoolers, the month of September brought with it the joys of meeting new friends and learning more about our self and our new surroundings. The children were excited to see the return of "Squeaky" the squirrel and "Snowy" the lamb, and "Mr. Monkey" puppet. They have been busy teaching us the importance of caring and sharing. We also learned how we are

alike and different while exploring the "I'm Me, I'm Fantastic" topic. Some of September's highlights also included getting to understand our feelings and the importance of paying attention to the feelings of others. Meeting new friends, catching up with old ones, getting to know a new place and even finding where to hang up one's jacket can be a scary experience when you're little. But we're off and running now eager to discover, explore and welcome our preschool adventures ahead. Have a great month!

The News and viewS read with regret, the passing of Anita Ring on August 6, 2019. She wrote with flair and accuracy and it was a pleasure to have her submissions in our little newsletter. Thank you Anita.

Greenall Griffins Update

September 2019 | - - -

On behalf of Greenall High School staff we wish to extend a warm Griffin welcome to our students and their families for the 2019-2020 school year. Thanks to Greenall's outstanding Student Leadership Committee, our entire school family of over 700 met in a welcome back assembly where our staff were introduced and key start up information was shared with students. One of our school's greatest points of pride is the welcome our Grade Nines receive on their first day of high school. Dressed in their royal blue "I Heart Gr. 9's" tee shirts, our Student Leadership Committee were here on day one to help with locker location and combinations, provide school tours and to ensure students found their busses at the end of the day to name just a few of the tasks they helped with. We know that return to school can be an anxious time, but thanks to our SLC and our outstanding staff our startup was as orderly as can be with 180 of our 669 students attending Greenall for their first time.

Thanks to the creative minds of our teachers and the engagement of our students, we are proud to offer new courses based on student interest. French Immersion 10, Mental Health and Wellbeing 20L, Sports Medicine 20L and Robotics 10 are all new programming options for the 19-20 school year. Students have been busy in try outs and auditions for athletic and arts pursuits and joining leadership and social justice clubs such as the Greenall QSA and a Truth and Reconciliation leadership group. Competition in cross country running, football and volleyball have all begun with Griffin football earning an undefeated record of 2-0 (having yet to have a point scored against), the Sr. Boys volleyball team won our invitational tournament and the Sr. Girls Volleyball team captured the U of R and Mega Volley tournament championships. A cast and crew of over 60 students are busy preparing for this fall's musical production, *The Addams Family*, with the opening show on November 28th. For tickets please call Greenall's office in October.

Our school motto is "Excellence Doesn't Happen By Accident" and we are looking forward to another enjoyable year of commitment, growth and excellence for each of our Griffin students and staff.
-Principal Jason Weitzel

Griffin Athletics are off to a strong start! As of the 3rd week in September the Sr. Girls Vball team and the Football team are undefeated!

Greenall's production of "The Addams Family" got off to a swinging start. After 2 days of back to back after school auditions during the first week of school, we were pleased to announce our cast list on Sept. 9. Rehearsals have begun in earnest and we will be working on Choreography starting Saturday, Sept. 21st. 68 Griffins auditioned or signed up to be a part of the chorus or backstage crew. This is phenomenal. Greenall's got talent.

Greenall presents "The Addams Family" on Thursday, Nov. 28 and Friday Nov., 29th at 7 pm and on Sat., Nov. 30 at 2 pm. Tickets will go on sale the Remembrance Day weekend. They can be purchased through cast, crew and the Greenall front office. There will also be tickets at the door.

Thank You to all of our former customers, staff, suppliers, artists and artisans for the amazing support that we received during our 5 years at the **BLUE ROOSTER CAFE AND STUDIO**. We are so very proud that we fulfilled our dream to bring good people, good food and the arts together in our very own community! Thank you!

We are excited for the new owners, Sam and Chris, and we look forward to their success. They are wonderful people new members of our town and they are anxious to meet each and everyone of you.

Best wishes!

Saskatchewan LOTTERIES  The News and viewS would like to thank the **Pilot Butte Recreation Board** in conjunction with **Sask Lotteries Assistance Grant**, for ongoing donation to our newsletter. The donation from the Rec Board enables the News and viewS to keep publishing and aids in local sports, culture and recreation advertising. Our continued thanks for the support!

The grant allows expansion of the **News and viewS** as necessary, with local content, assorted advertising and hopefully making it more appealing and interesting to read.

The **Town of Pilot Butte** also provides financial funding as well as continued support in other ways. The Town has pledged to ensure that the News and viewS will publish, no matter what! Thank you to the Town for their continued support. It takes a tremendous financial worry off of the volunteers!

The **R.M. of Edenwold** also supplies the newsletter with financial funding and we use a portion of these funds to send copies of the newsletters to some R.M. residents.

This financial windfall (for us!) is enabling us to produce a larger, more attractive newsletter for your enjoyment. We hope that we can continue to provide a quality of newsletter that makes us the "must read" item each month.

We truly appreciate the support and could not publish without this funding along with our backpage sponsors.
