Thought for 2019:

Becoming the best version of yourself will require courage and risk. A ship is safe as long as it sits in the harbour, but that's not what ships are made for. Your life will be comfortable as long as you remain where you are. Change and growth take courage. Allen Hunt

And remember....."It turns out that bringing happiness to other people increases your chances of being happy, while seeking happiness for yourself decreases those chances." Mathew Kelly

A note from the Pastor's Desk...

As the calendar flips over to a new year, it's natural to look both back and ahead.

Looking back at 2018, it was a delightful year that was all about people. We spent time with a lot of great kids through our Jr. Teen Club. Throughout the spring we met many generous people who donated items for the garage & hot dog sale. In spite of the wet and windy weather, it was our biggest sale yet! When the sale was over, the unsold items were distributed to other charities. That way, everything that was donated made a difference and we thank you for that! At Christmastime we were able (along with the grade six students of PBS) to put together some wonderful Christmas hampers that were a blessing to local families. And we capped the year with a huge crowd (145 people) at the Community Christmas Supper. There we all shared a wonderful meal and spent time visiting, watching funny skits and even singing a few carols.

Looking ahead, we'll start 2019 by building an addition to give us more space for people, programs and events. We can't wait to see who we'll meet and what blessings we will see together in 2019. **Happy New Year to you all!**

Nicole's Preschool

DECEMBER

Visions of sugarplums danced merrily in our heads at preschool throughout December.

The kitchen is a popular place at this time of the year filled with delicious aromas and taste sensations; thus it was an appropriate theme to springboard us into the holiday season! The preschoolers explored the many spicy scents of Christmas like cinnamon, peppermint and nutmeg. We enjoyed making pretend cookies at our Bake Shop with gingerbread play dough and we even decorated our very own Christmas tree.

One of our preschool mom's, Tori Aspinall, baked an entire gingerbread village for the children to decorate with candies and icing and it was displayed at our Christmas concert. This was also the week the power went out so few classes enjoyed decorating their gingerbread house by the light of flashlights! An interesting day ha ha but we made it

work!

The highlight of our month was our Christmas Concert and Dessert Night. We rented the Pilot Butte

School's gym and all the families brought a delicious treat to share for our Dessert Potluck and enjoyed listening to a special performance by the preschoolers. Each child beautifully decorated a large paper Christmas shape at home and wore it around his or her neck while singing. They looked adorable! Special thanks to Mrs. Darla Verity for playing the piano for us and to Grandpa Ray Chisholm for his great "under-cover" job (if you know what I mean!) to hand out treat bags to all the children. (Ho Ho Ho!)

Just a few of the other activities that kept us busy included wrapping blocks and classroom toys to put under our Christmas tree! Those little fingers loved to tape that's for sure! I thought they were going to wrap me up next ha ha!

We also painted with Christmas bows on a stick and played guess

what was wrapped in the present. We made pipe-cleaner candy canes, jingle bell necklaces and even role-played the story of the Gingerbread boy! The month also found us making a special Christmas gift for our parents before the break. After making a special text to Santa at the North Pole he agreed to take a break from his busy schedule to visit the preschoolers at preschool with a small gift during our individual class parties. Special thanks also to Azlin Mills from Mr. Forester's class for helping Santa with this task! (wink, wink).

The preschoolers and I would like to wish everyone a Happy Holiday and all the best for the New Year. See you in January!

The "BEAR-Necessities"

Register Now!

It is never too early to register for school. We would like anyone in the community with a pre-schooler to call the school and we will pre-register their child for school in the appropriate year for kindergarten. Children must be 5 years of age before the end of December to be eligible for kindergarten. We would also like any families who know they are leaving our school, to let us know. This process helps with projections for each school year which affects staffing and budgets.

"And the angel said unto them, Be not afraid; for behold, I bring you tidings of great joy which shall be to all the people: for there is born to you this day in the city of David a Saviour, which is Christ the Lord."

Luke 2 : 10 - 11

A message from the RM of Edenwold

Happy 2019! All the best to you and yours in this new year.

Councillor Wayne Joyce in the new council chambers at 100 Hutchence Road in Emerald Park

Now, about that Christmas tree....

Christmas tree pick up service for Emerald Park residents will be available the week of January 15. Place your tree at the end of the property, but please do not stick them in the ground (snow) as they may end up looking like part of the landscaping at your home!

Snow removal

After heavy snowfalls in rural areas, the RM of Edenwold maintenance team first clears bus routes/high traffic main roads, paved roads and country residential subdivisions. Then, the focus shifts to grid roads and farm access roads. For Emerald Park, bus routes and South Plains Road, Kingsmere Avenue, Sapphire Drive and Emerald Drive are prioritized. Once those are cleared, the focus shifts to remaining streets, roads, crescents and bays followed by the walkways.

A request when taking snow from your property

Please don't pile snow from your property on to roads, onto your neighbour's property, or into drainage ditches. Snow from your property needs to stay on your property. If you hire private snow removal companies let them know they are not permitted to pile snow on municipal property.

Frosty beauty at RM of Edenwold Soccer Centre.

Snow dump sites for local businesses

RM businesses who require a snow dump site to clear their parking lots can visit the RM office (100 Hutchence Road in Emerald Park) for snow dump site approval and a printed agreement.

Reminder to lock vehicles and remove keys

A reminder to lock up your cars and keep keys indoors in a safe place (not next to doors, or in garages). Members of the White Butte RCMP informed RM staff back in November that some thefts occurring in the area have been preventable.

The News and viewS would like to thank the Pilot Butte Recreation Board in conjunction with Sask

Lotteries Assistance Grant, for ongoing donation to our newsletter. The donation from the Rec Board enables the News and viewS to keep publishing and aids in local sports, culture and recreation advertising. Our continued thanks for the support!

The grant allows expansion of the News and viewS as necessary, with local content, assorted advertising and hopefully making it more appealing and interesting to read. The Town of Pilot Butte also provides financial funding as well as continued support in other ways. The Town has pledged to ensure that the News and viewS will publish, no matter what! Thank you to the Town for their continued support. It takes a tremendous financial worry off of the volunteers!

The R.M. of Edenwold also supplies the newsletter with financial funding and we use a portion of these funds to send copies of the newsletters to some R.M. residents. This financial windfall (for us!) is enabling us to produce a larger, more attractive newsletter for your enjoyment. We hope that we can continue to provide a quality of newsletter that makes us the "must read" item each month. We truly appreciate the support.
