

Go Out and Play Challenge

The Town of Pilot Butte has been registered for the Go Out and Play Challenge put on by Saskatchewan In Motion and Saskatchewan Blue Cross. The Go Out and Play Challenge asks for registered communities to track their physical activity minutes during a 10 day period in March.

The community with the most physical activity minutes wins \$10,000 dollars to put towards a project that increases opportunities for children, youth and families to be active outdoors.

The Town of Pilot Butte has registered and even earned an early bird prize of extra activity minutes! Should the Town of Pilot Butte win, the prize money will be put toward the building of a Spray Park.

More information can be found online at
<https://challenge.saskatchewaninmotion.ca/>

Submissions and Payment

Please remember to send your submissions no later than 5 pm on the 20th. Anything received after cannot be guaranteed to be inserted into the issue. Your continued co-operation is appreciated. **PLEASE EMAIL the News and viewS @ newsandviews@sasktel.net or drop it off at the Pilot Butte Town Office.**

As always, a huge THANK YOU to the sponsors who have renewed their squares or are new to our backpage—We truly cannot publish without your generous support!

Thanks also to those businesses who pay to take out a monthly ad at various times of the year.

The News and viewS appreciates all those who help in getting the 10 issues printed and out to the residents. It takes a community!

Thank You to our Back Page Sponsors

Remember to patronize our back page sponsors.

They keep the News and viewS **FREE** to all residents!

Recreation News

Community Drama Club

Have you ever considered trying community theatre? Have you ever been told you'd be good on the stage? Or perhaps you would like to see what it's like back stage of a theatre production?

We are looking for anyone interested in starting a community drama club in Pilot Butte to contact us.

The activities would include acting out scripted short plays, improv skits, participating in learning more about theatre and other areas of interest within the group. Be prepared to socialize, laugh, put yourself out there a bit and have fun!! If you are interested, please contact Brian Chmarney at pilotbutte.rec@sasktel.net or call 306-781-3402.

Family Day

Monday, February 18th

Please note that times for the Family Day Skate have changed.

The event will take place from 10 am to 2 pm.

Public Skating will take place from 10 am to 12 noon: helmets are recommended.

Stick and Puck will take place from 12 noon to 1:30 pm; gloves and helmets are required.

There will be activities and games in the hall for those who would like to attend. There will be free Hot Chocolate too!

School's Out Day Camp

The Recreation Office is pleased to host School's Out Week Camp for the week of February 19th to 22nd. Camp will run from 9:00 am to 4:00 pm.

This is a registered program with a cost of \$65 per child. We have limited space on all days so we ask that you register early!

Come enjoy time off from school in an environment that offers a wide range of activities. From arts and crafts to physical activity and time outside (weather permitting). Registration will open January 23rd.

Registration forms can be found at the Recreation Office or online at pilotbutte.ca under Parks & Recreation- Recreation Programs.

For more information please contact Meaghann White, Recreation Program Coordinator, by phone 306-781-6253 or email pbrec2@sasktel.net.

Forever...in motion Program

The Town of Pilot Butte is offering Forever...in motion in the Community Hall (222 Diamond Place) on the following dates and times:

- ⇒ Every Tuesday and Thursday
- ⇒ **First class of 2019 starts January 8th**
- ⇒ Held from 10 am to 11 am

Forever...in motion provides and promotes safe physical activity opportunities for older adults living in Saskatchewan.

For more information, please contact Meaghann at (306) 781-6253 or pbrec2@sasktel.net

The Council Connection

Council meetings are **Open to the Public**. Meetings are normally held the 2nd and 4th **MONDAY** of each month. If a Statutory Holiday falls on a regularly scheduled Council meeting Monday, the Council meeting will be held on the Tuesday. Unscheduled Special Meetings are advertised in advance for public attendance.

For January, February and March of 2019 only, the Council meetings will be held on Tuesday evenings. The meetings will then revert back to Monday evenings starting April 1, 2019.

Your Elected Council Members who represent your interests are Mayor **Peggy Chorney**, along with Councillors **Teresa Blommaert**, **Jean Lowenberger**, **Bruce MacKenzie**, **Lydia Riopka**, **Nathan Schmidt**, **Ed Sigmeth**. Please contact the Town Office at 306.781.4547 should you have any questions or concerns on any issue.

The Council meetings for 2019 are as follows:

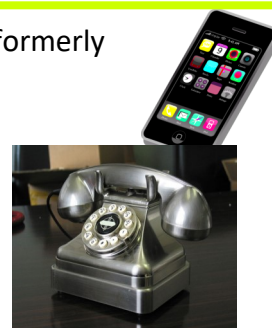

February 12 & 26 (Tuesday)	March 12 & 26 (Tuesday)	April 8 & 22 (back to Monday)
May 13, 27	June 10 & 24	July 8, 22
August 12 & 26	September 9, 23	October 15 (Tues) & 28
November 12 (Tues) & 25	December 9 & TBA	

You can contact us at 306.781.4547 or townofpilotbutte@sasktel.net. We are also on the web at www.pilotbutte.ca. The site is updated on a regular basis. If you have any suggestions or comments on our website, please feel free to let us know. We welcome any and all feedback.

... that the Town of Pilot Butte makes use of the **Group West** (formerly Synrevoice) messaging system for **their residents**?

You may receive town news, announcements and information by telephone (old or new!), e-mail, or both. If you are a resident of the Town of Pilot Butte and **are not** receiving town notices and information using this system please contact the **Town Office at 781-4547 Option #1 or email the town at townofpilotbutte@sasktel.net**. You may opt out at any time.

BOULEVARD PARKING

However much we might like to avoid it, winter is here!

That means snow removal. And **THAT** means that, for the winter season, residents must remove trailers and any other items stored or otherwise parked on the boulevards.

Vehicles that are being used every day may be parked on the boulevards for periods no longer than 72 hours starting at the end of October.

The 72- hour restriction does not mean that you drive your vehicle around the block and re-park it every 72

hours. It means that any vehicle not in regular use should not be parked on the boulevard for the winter months. The boulevards are provided to you for your convenience but they are Town property and, for ease of snow removal, the Town requires them to be unobstructed for the winter.

Properties in Violation will be ticketed by the Bylaw Enforcement Officer. Please remember that there is NEVER parking allowed on the travelled portion of the road where no curb exists.

The Town thanks you in advance for your cooperation and appreciates your commitment to making Pilot Butte the BEST town in which to live.

SEWAGE BLOCKAGE - If you suspect you have a sewer blockage, the line **MUST be checked by the Town Maintenance Staff. Payment may be refused** (at the discretion of the Director of Public Works & Maintenance Operations) if this condition is not met. A **maintenance man is on call after hours for emergencies** and is available by **calling 306-781-4547 Option 4**. Thank you.

Drinking Water Quality and Compliance

The Water Security Agency and the Ministry of Environment requires that at least once each year waterworks owners provide notification to consumers of the quality of water produced and supplied as well as information on the performance of the waterworks in submitting samples as required by a Minister's Order or Permit to Operate a waterworks. The following is a summary of the Town of Pilot Butte's water quality and sample submission compliance record for the year of 2018. This report was completed on 7-Jan-2019. Readers should refer to Water Security Agency's "Municipal Drinking Water Quality Monitoring Guidelines, June 2015, EPB 502" for more information on minimum sample submission requirements. Permit requirements for a specific waterworks may require more sampling than outlined in the department's monitoring guidelines. If consumers need more information on the nature and significance of specific water tests, for example, "what is the significance of selenium in a water supply", more detailed information is available from: http://www.hc-sc.gc.ca/ewh-semt/pubs/water-eau/index_e.html.

Water Quality Standards

Bacteriological Quality

Parameter/Location	Limit	Regular Samples Required	Regular Samples Submitted	# of Positive Regular Submitted (Percentage)
Total Coliform	0 Organisms/100 mg/L	53	53	0
E. coli	0 Organisms/100 ml	53	53	0
Background Bacteria	Less than 200 Organisms/100 mL	53	53	0

The owner/operator is responsible to ensure that 100 per cent of all bacteriological samples are submitted as required. All waterworks are required to submit samples for bacteriological water quality; the frequency of monitoring depends on the population served by the waterworks.

Water Disinfection

Chlorine Residual in Distribution System for Test Results Submitted with Bacteriological Samples

Parameter	Minimum Limit (mg/L)	Free Chlorine Residual Range	Total Chlorine Residual Range	# Tests Required	# Tests Submitted	# Adequate Chlorine (Percentage)
Chlorine	0.1 mg/L free OR					
Residual	0.5 mg/L total	0.40-0.82	0.53-0.97	53	53	53 (100%)

A minimum of 0.1 milligrams per litre (mg/L) free chlorine residual OR 0.5 mg/L total chlorine residual is required at all times throughout the distribution system unless otherwise approved. A proper chlorine submission is defined as a bacteriological sample submission form with both the free and total chlorine residual fields filled out. An adequate chlorine is a result that indicates that the chlorine level is above the regulated minimums. An adequate chlorine may be counted even if the chlorine results were submitted incorrectly. A waterworks is required to submit chlorine residual test results on every bacteriological sample they submit.

Water Disinfection

Free Chlorine Residual for Water Entering Distribution System from Waterworks Records-From Water Treatment Plant Records

Parameter	Limit (mg/L)	Test Level Range	# Tests Performed	# Tests Not Meeting Requirements
Free Chlorine Residual	at least 0.1	0.43-0.85	365	0

A minimum of 0.1 milligrams per litre (mg/L) free chlorine residual is required for water entering the distribution system. Tests are normally performed on a daily basis by the waterworks operator and are to be recorded in operation records. This data includes the number of free chlorine residual tests performed, the overall range of free chlorine residual (highest and lowest recorded values) and the number of tests and percentage of results not meeting the minimum requirement of 0.1 mg/L free chlorine residual.

Turbidity – From Water Treatment Plant Records

Parameter	Limit (NTU)	Test Level Range	# Tests Not Meeting Requirements	Maximum Turbidity (NTU)	# Tests Required	# Tests Performed
Turbidity	1.0	0.03-0.17	0	0.17	730	730

Turbidity is a measure of water treatment efficiency. Turbidity measures the "clarity" of the drinking water and is generally reported in Nephelometric Turbidity Units (NTU). All waterworks are required to monitor turbidity at the water treatment plant. The frequency of measurement varies from daily for small systems to continuous for larger waterworks.

Chemical – Health Category

Parameter	Limit MAC (mg/L)	Limit IMAC (mg/L)	Sample Results	# Samples Exceeding MAC/IMAC	# Samples Required	# Samples Submitted
Arsenic	0.010		0.0016	0	0	1
Barium	1.0		0.0007	0	0	1
Boron		5.0	0.1	0	0	1
Cadmium	0.005		<0.00015	0	0	1
Chromium	0.05		<0.00019	0	0	1
Fluoride (avg.*)	1.5		<0.05	0	0	1
Lead	0.01		0.00010	0	0	1
Nitrate (avg.*)	45.0		<0.2	0	0	1
Selenium	0.01		<0.00113	0	0	1
Uranium	0.02		0.00011	0	0	1

Substances within the chemical health category may be naturally occurring in drinking water sources or may be the result of human activities. These substances may represent a long-term health risk if the Maximum Acceptable Concentration (MAC) or Interim Maximum Acceptable Concentration (IMAC) is exceeded. All drinking water supplies are required to monitor for substances in the Chemical-Health category, the frequency of monitoring depends on the population served by the waterworks. Some waterworks will add fluoride to drinking water as a means to aid in the prevention of dental decay.

Saskatchewan
Ministry of
Environment

General Chemical

Parameter	Aesthetic Objectives* (mg/L)	Sample Results (average)	# Samples Required	# Samples Submitted
Alkalinity	500	19.3	1	1
Bicarbonate	No Objective	24	1	1
Calcium	No Objective	<1	1	1
Carbonate	No Objective	0	1	1
Chloride	250	1.2	1	1
Conductivity	No Objective	47	1	1
Hardness	800	7	1	1
Magnesium	200	<1	1	1
PH	No Objective	7.4	1	1
Sodium	300	8	1	1
Sulphate	500	2.9	1	1
Total dissolved solids	1500	39	1	1

All waterworks serving less than 5000 persons are required to submit water samples for SE's General Chemical category once every two years if a ground water source or once per three months every second year if a surface water or blended surface/groundwater source. The General Chemical category includes analysis for alkalinity, bicarbonate, calcium, carbonate, chloride, conductivity, hardness (as CaCO₃), magnesium, sodium, sulphate and total dissolved solids.

The last sample for General Chemical analysis was submitted on **16-Jan-2018**. Sample results indicated that there were no exceedences of the provincial aesthetic objectives for the General Chemical category.

*Objectives apply to certain characteristics of or substances found in water for human consumptive or hygienic use. The presence of these substances will affect the acceptance of water by consumers and/or interfere with the practice of supplying good quality water. Compliance with drinking water aesthetic objectives is not mandatory as these objectives are in the range where they do not constitute a health hazards. The aesthetic objectives for several parameters (including hardness as CaCO₃, magnesium, sodium and total dissolved solids) consider regional differences in drinking water sources and quality.

More information on water quality and sample submission performance may be obtained from:

The Pilot Butte Kinettes are excited to share that we are donating \$25 000 towards the Pilot Butte Spray Park! We want to thank the residents of Pilot Butte for supporting Chase the Ace, enabling us to give back to the community! If you are interested in learning more about what we do, please contact us at pilotbuttekinettes@gmail.com

St. Agnes Catholic Church Pilot Butte

Sunday Mass Time 9:00 am

- January 27 & February 24, 2019: Coffee and donuts after mass. Everyone welcome! Come enjoy some fellowship! Ongoing need for volunteers to pick up donuts and prepare coffee each month. If you are able to help out, there is a sign-up sheet at the back of the church.
- The Knights of Columbus presented a cheque to St. Agnes for \$1110 on December 16, 2018. The funds were made possible through the sale of the K of C football pool tickets. The Knights would like to thank all those who supported them by purchasing tickets!!
- \$400 was raised at the CWL Christmas bake sale and donated to Parkside Extendicare. Thank you to all who supported the sale by baking and shopping!!
- **March 10, 2019 – AGM after mass. Mass time change to 10:30am** with lunch to follow!!! Come and hear what's been going on!!

Thought for 2019:

"Becoming the best version of yourself will require courage and risk. A ship is safe as long as it sits in the harbor, but that's not what ships are made for. Your life will be comfortable as long as you remain where you are. Change and growth take courage." Allen Hunt

And remember..... "It turns out that bringing happiness to other people increases your chances of being happy, while seeking happiness for yourself decreases those chances." Mathew Kelly

JANUARY

Happy New Year everyone! Winter is definitely here! Despite a few grumblings from us grown-ups about shoveling all that snow you will always find a child who appreciates it! It's fun to look at winter through their eyes and be reminded of the magic and wonder it brings.

January started off this year with a trip to Story Land. Reading books are a vital part in the development of children's language and help introduce many new concepts and ideas! For the

first two weeks the children were introduced to new books like "One Duck Stuck" by Phyllis Root. A duck gets stuck in the muck and needs his friends help to get out. Not only did we strengthen our rhyming ability and vocabulary but also our comprehension skills after acting it out! Of course our favourite book to dramatize was "Five Little Monkeys Jumping on the Bed!" by Eileen Christelow. How many "monkeys" at your house enjoy jumping on the bed too? lol

During the last half of January we brought winter inside the classroom. Snow and ice took "centre stage" in our activities. Painting the snow in the Sensory Bucket; making "blizzard" paintings and play dough snow people; painting with col-

oured ice cubes; exploring white flubber with arctic animals and experimenting with the effects of salt on giant colored ice balls were just a few of our winter escapades! Until next month stay warm and enjoy winter!

Make Colored Ice Balls!!

Fill balloons with coloured

water and set outside to freeze! Peel off the balloon and you have beautiful ice balls to decorate your yard!

The "BEAR-Necessities"

Register Now!

It is never too early to register for school. We would like anyone in the community with a pre-schooler to call the school and we will pre-register their child for school in the appropriate year for kindergarten. Children must be 5 years of age before the end of December to be eligible for kindergarten.

IT IS BUDGET TIME AND IT IS IMPORTANT FOR THE SCHOOL TO HAVE THIS INFORMATION AS SOON AS POSSIBLE.

PreKindergarten

All PreKindergarten applications for the 19-20 school year are due April 30. They are available on the school website under Programs.

We want to remind everyone that this is an application process not a registration, as it a needs based program.

February 2019

- 14—Gr 6 to 8 Skiing
- 18—Family Day
- 19 to 22—Winter Break
- 27—Pink Shirt Day

Suicide Awareness & Prevention

- Free information night.
- Learn the signs of distress in youth.

Greenall Griffins Update

January 2019 | ---

The annual staff/student hockey game was a huge success. The staff was successful in securing a win! The tie-breaker will have to be the annual basketball game, as it's currently 1 win for the students and 1 win for the staff!

Greenall would like to extend a huge THANK YOU to RON KONANZ of Cloverdale Paint for donating paint to our school's kindness initiative.

The SCC would like to send a THANK YOU to all 30 bakers who baked over 700 muffins for the students to eat for breakfast on the first day of their final exams.

Grade 9 students at Greenall had the opportunity to participate in the Kairos Blanket exercise this month. The Blanket exercise is a unique, interactive history lesson developed in response to the Royal Commission on Aboriginal Peoples. Staff and students from Bert Fox High School in Fort Qu'Appelle led the exercise. It was a great opportunity for Griffins to engage in experiential learning and begin walking towards reconciliation.

Personal Finance students had the opportunity to hear from Natasha and Danielle who discussed Mortgages and Real Estate with the class.

Final Examinations start on January 23!

Greenall High School Semester One - Final Exam Schedule				
	Wednesday January 23	Thursday January 24	Friday January 25	Monday January 28
AM	Period 2 - Exams	Period 6 - Exams	Period 5 - Exams	Period 1 - Exams
PM	Afternoon Ball Time: 12:33 pm Period 3 - Exams	Period 5 - Classes	Period 1 - Classes	Course completion study hall. To be communicated to students required to attend, by subject teachers.

Happy Chinese New Year!

On February 3rd, 2019, The Dosu Wok is celebrating Chinese New Year with the students from the Chung Wah Kung Fu Association. They will be arriving at 6:00pm to perform the Lucky Lion Dance. Hope you can come and celebrate the Year of the Pig with us! Don't forget to purchase your tickets, space will be limited. Contact us at (306) 781-7211 for more information.

Admission \$2.00
Canteen on site
40 vendors

The News and viewS would like to thank the Pilot Butte Recreation Board in conjunction with Sask

Lotteries Assistance Grant, for ongoing donation to our newsletter. The donation from the Rec Board enables the News and viewS to keep publishing and aids in local sports, culture and recreation advertising. Our continued thanks for the support!

The grant allows expansion of the **News and viewS** as necessary, with local content, assorted advertising and hopefully making it more appealing and interesting to read. The **Town of Pilot Butte** also provides financial funding as well as continued support in other ways. The Town has pledged to ensure that the News and viewS will publish, no matter what! Thank you to the Town for their continued support. It takes a tremendous financial worry off of the volunteers!

The **R.M. of Edenwold** also supplies the newsletter with financial funding and we use a portion of these funds to send copies of the newsletters to some R.M. residents. This financial windfall (for us!) is enabling us to produce a larger, more attractive newsletter for your enjoyment. We hope that we can continue to provide a quality of newsletter that makes us the "must read" item each month. **We truly appreciate the support.**

Check us out on the web, IN COLOUR at www.pilotbutte.ca

A Message from the RM of Edenwold

And the sign says...

Signs in the RM of Edenwold require a permit. As of January 1, 2019, permits for temporary or portable signs are \$25. Permanent signs require a Development Permit at the cost of \$125. The application forms for both temporary and permanent signs are posted on the RM website under 'Forms' on the Administration and Bylaws tab.

New neighbours and some moves...

Nicky's Café has recently opened in the Emerald Park Crossing mall. The mall is also the new home of Bella Chic. Prairie Harley Davidson is building within the Butte Business District and SCH Maintenance Service now has a home in Emerald Park's Great Plains Industrial Park.

Snowmobile safety

As the snow beckons, snowmobile enthusiasts will be enticed to fire up their sleds and head out. "We ask that anyone using their sleds in the RM be respectful," says Rod Ash, Community Safety Officer with the RM of Edenwold. "If you have questions about where you can and can not use your snowmobile, please check online or call the RM office."

Deputy Reeve Stan Capriewhurn with MP/Official Leader of the Opposition Andrew Scheer at the Ramada Hotel Emerald Park event Friday, January 4, 2019.

Our Communities, Our Choice.

If you are looking for updated information on the proposed annexation visit ourchoice.ca website and "Like" and "Follow" the Facebook page.

WE'VE MOVED!
The RM administration office is now located at 100 Hutchence Road in Emerald Park. Be 'in the know' — connect with us on Facebook and Twitter. Contact us via email: rm158@sasktel.net, by phone @ 306-771-2522 or through our website at: rmedenwold.ca

Laws are set by the province under *The Snowmobile Act* and the *Traffic Safety Act*. Resources for snowmobilers: snowmobilecourse.com, sasksnow.com, www.sgi.sk.ca/atv-and-snowmobile and www.sgi.sk.ca/legislation

Hitting the White Butte Trails for a ski

A reminder that there are miles of groomed cross-country ski trails at White Butte Trails. The Regina Ski Club keeps those groomed and asks they be used for cross-country skiing only. If you're taking Fido out for a walk, watch for trail markers to keep the ski trails pristine for the skiers.

Stay updated

To receive news & announcements straight to your inbox, click into the link: "Join Our Mailing List" at rmedenwold.ca. You can also receive your tax and utility notices and related newsletters/information by email by completing the Email Consent Form on our website under Forms on the Administration & Bylaws tab.
