Go Out and Play Challenge

Pilot Butte has registered for the Go Out and Play Challenge put on by Saskatchewan In Motion and Saskatchewan Blue Cross. The Go Out and Play Challenge asks registered communities to track their physical activity minutes for 10 days in March. Pilot Butte registered early earning 1,000 physical activity minutes. Should we win, the money will go toward developing a Spray Park.

You can now create an online profile for tracking your physical activity minutes. Individual profiles can be made for anyone over the age of 13. Must be 13 at the start of the challenge. Anyone under the age of 13 must be included in a Family profile. Families are encouraged to include grandparents as well to a maximum of four (4). Participants do not have to be residents of Saskatchewan or of Pilot Butte.

Go Out and Play dates are March 1st to 10th. Each individual or family member can enter up to 120 minutes each day. Physical activity minutes can be done at home, school, or in the community. A simple 10 minute dog walk, walking to school, or participating in public skating can count toward the 120 minutes. You are responsible for entering your minutes. Minutes are to be entered each day.

You **cannot** go back and enter missed physical activity

minutes from previous days. Schools cannot enter minutes for their students, this must be done at home.

Go online to pilotbutte.ca for a direct link to the registration page along with a copy of the rules for the Go Out and Play Challenge. This page will be updated frequently with new information.

Create a profile, get moving & log your minutes EVERY day. We got this!

Safe Place

A program run by the Schizophrenia Society of Saskatchewan with funding provided by the Saskatchewan Lotteries Community Grant. It is a place to have fun, a place to talk about successes and struggles as people who are affected by mental illness, somewhere where there is no judgement or stigma about having mental illness or about being a family member or friend of someone with mental illness. We will have games, coffee and tea, as well as a place to talk about experiences and struggles with a peer support worker. 2/3 people living with mental illness live in silence, we want to change this statistic. Program dates are: Feb 28th, March 14th, 21st and 28th. Time 4:00pm to 5:30pm (this may change). Location: Pilot Butte Community Hall, 222 Diamond Place. Dates may be subject to change. For questions or more details call Sean at 306-584-2620 ext. 205

BOULEVARD PARKING

However much we might like to avoid it, winter is here!

That means snow removal. And **THAT** means that, for the winter season, residents must remove trailers and any other items stored or otherwise parked on the boulevards.

Vehicles that are being used every day may be parked on the boulevards for periods no longer than 72 hours starting at the end of October.

The 72- hour restriction does not mean that you drive your vehicle around the block and re-park it every 72

hours. It means that any vehicle not in regular use should not be parked on the boulevard for the winter months. The boulevards are provided to you for your convenience but they are Town property and, for ease of snow removal, the Town requires them to be unobstructed for the winter.

Properties in Violation will be ticketed by the Bylaw Enforcement Officer. Please remember that there is NEVER parking allowed on the travelled portion of the road where no curb exists.

The Town thanks you in advance for your cooperation and appreciates your commitment to making Pilot Butte the BEST town in which to live.

SEWAGE BLOCKAGE - If you suspect you have a sewer blockage, the line **MUST be checked by the Town Maintenance Staff**. Payment may be refused (at the discretion of the Director of Public Works & Maintenance Operations) if this condition is not met. A maintenance man is on call after hours for emergencies and is available by calling **306-781-4547 Option 4**. Thank you.

A note from the Pastor's Desk...

When March arrives in Saskatchewan, I think we all try our best to put winter in the rearview mirror and look ahead to plans that we have for the rest of the year.

If you've walked or driven past our church home on 5th Street lately, you've seen the massive dirt piles and also construction workers and equipment. So you already know that Way of Life has big plans for 2019.

We're currently working on a 1,600 sq. ft. addition to our building, ensuring that the facility will meet our needs, and allow us to serve the needs of our community, for many years to come.

When the addition opens it will house weekly Sunday services, as well as expanded programs for children and families. You can watch this space for announcements of new events as we get closer to completion.

If you have any questions about our building project or anything that happens at the church, please feel free to call Pastor Norm at 306-779-1084, or stop by for a chat.
May God bless you all.

FEBRUARY

It's been so cold outside but our hearts stayed warm this February at preschool! Hearts were everywhere...we ate heart snacks, graphed candy hearts, sorted hearts, glued hearts, cut hearts, painted hearts....I think we literally had a "heart attack"!

Exploring the properties of magnets was another favourite activity at preschool this month. You can make a magnetic "wand" at home by simply gluing a small magnet to a craft stick. Your child can search the home for items that are magnetic or non-magnetic!

February continued as we opened our hearts to the value of friendship and the skills needed to promote these friendships. We enjoyed exchanging Valentine cards with our friends, mailing letters at our "Post Office" and eating a delicious special treat provided by our grown-ups at our Valentine Party.

Another highlight of the month included our annual trip to the Glen-carin Bolodrome in Regina for a Family Bowling Night. For some preschoolers it was their first time bowling and for everyone it was a lot of fun! Until next month stay warm!

A Message from the RM of Edenwold

Municipal Action Plan, released

In 2017, the RM planning department sent out invitations to local residents and business owners to give input on improvements and changes they would like to see within the RM leading up to the update of the Official Community Plan. The meetings helped inform not only the OCP but also a new Municipal Action Plan. The plan is now posted on the RM website Home and Planning pages. The RM would love your feedback on the plan, so once you've had a chance to give a read-through, please email Jessica in the Planning Department.

Planning matters

February 12, council made a declaration to recognize the 100th anniversary of the Canadian Institute of Planners. The declaration states, in part, that: "Registered Professional Planners play a vital role in helping to shape our communities, protect the natural environment, culture, heritage and support the provision of services that we all rely on in our daily lives."

Manager of Planning & Development with the RM - Jana Jedlic (L) and Planner Jessica Mitchell (R) present to council at February council meeting.

Jana Jedlic, Manager of Planning & Development with the RM of Edenwold, is a full member with the CIP and holds both the MCIP (Member of the CIP) and RPP (Registered Professional Planner) designations. Planners Jessica Mitchell and Marcina Hodgins are candidate members and pre-candidate members, respectively.

Snow maintenance and readying for run off

The RM's maintenance team reminds residents to get ready for spring run off. Check to ensure your culverts near/under driveways are exposed and don't push snow on to culverts. It's a balance — as you don't want them fully exposed too early as they may freeze up but the outdoor staff note incidences where they have had to dig through snow banks to find culverts. In subdivisions and rural areas, some residents are pushing snow across roads and creating snow banks on the shoulders of roads. What's happening is that those banks could damage equipment and/or create snow drifts across roads creating traffic hazards.

A thank you card received by the RM for a donation provided to the Edenwold Memorial Link

The News and viewS would like to thank the Pilot Butte Recreation Board in conjunction with Sask

Lotteries Assistance Grant, for ongoing donation to our newsletter. The donation from the Rec Board enables the News and viewS to keep publishing and aids in local sports, culture and recreation advertising. Our continued thanks for the support!

The grant allows expansion of the News and viewS as necessary, with local content, assorted advertising and hopefully making it more appealing and interesting to read. The Town of Pilot Butte also provides financial funding as well as continued support in other ways. The Town has pledged to ensure that the News and viewS will publish, no matter what! Thank you to the Town for their continued support. It takes a tremendous financial worry off of the volunteers!

The R.M. of Edenwold also supplies the newsletter with financial funding and we use a portion of these funds to send copies of the newsletters to some R.M. residents. This financial windfall (for us!) is enabling us to produce a larger, more attractive newsletter for your enjoyment. We hope that we can continue to provide a quality of newsletter that makes us the "must read" item each month. We truly appreciate the support.
