**Youth Night**

Come hang out with your friends, play games and learn a new skill.

**Youth Nights for May include**

the 2nd, 9th and 16th from 6:30 to 8:30 pm. This is a free drop in program for youth aged 10 to 14. The Recreation Department runs and supervises this program out of the Community Hall. No registration is required.

**Water Main Flushing**

During the month May the Town Staff will be flushing the water mains and performing hydrant maintenance. Flushing removes sediment from the water mains and improves the quality of the water in the distribution system. During the flushing, the water from your tap may carry some sediment or be discoloured. This is an expected part of flushing the water mains and can be alleviated by running a cold water tap until the water is clear.

The Pilot Butte Fire Department has the honor of hosting a fire school for up to 350 members of Saskatchewan Volunteer Fire Department’s on April 26-28, 2019.

There will be classes held in the Pilot Butte School and the Recreation Center, as well as outdoor activities around town. Specifically near Butte Street at the Discovery Ridge Retention Pond and in the Rodeo grounds.

The activities at the Rodeo grounds will include a Stars Landing. All permits required have been obtained. All of these activities and classes are instrumental in our training to provide the highest possible Emergency Services throughout the 330 volunteer fire departments in Saskatchewan.

We ask residents to be mindful of safety in and around training grounds. There will be no interruption in any of our services during this time period.

Thank you in advance, and stay safe.

A note from the Pastor’s Desk...

We want to thank everyone in our community for your kindness during construction and thank all the folks who’ve stopped by to chat and have a look at our progress. Once construction is finished we’ll be having a Grand Opening party. The whole town will be welcome to come and help us kick things off in style. We’re looking forward to it!

We also want to thank all of you who have set aside items to donate to our Garage Sale. Many of you have done so for years and your generosity is very much appreciated!

We’re still a few months away from putting our new space to use, and as the work progresses we will continue to hold Sunday services and our regular events in the current house. As always, everyone is welcome to come whether you consider yourself part of a church or not.

If you have questions about our events or building project, please feel free to contact Pastor Norm at the office.

April

April showers bring May flowers!   Spring is here, the birds have re-
turned and everyone has a “spring” in their step.   At the end of March we
went on a field trip to Dance Sensa-
tions here in Pilot Butte and learned a
few dance steps!   Thank you again to
Ms Desire for your warm hospitality.
We also took the opportunity at pre-
school this April to take another look
at the theme “Fabulous Me!” to see
the many ways we’ve grown and
changed since the beginning of the
year.   This included a special “All
About Me” project, another tradition
at preschool, that we send home in
our Memory Boxes at the end of the
year.   The children explored the func-
tion of their hands, faces, and feet.
We measured our heights on large
poster paper and compared them to
other objects in the room.

For the second half of April we put on
our lab coats!   The
“Little Einsteins” partici-
pated in many science
experiments.   We
learned about the prop-
erties of matter and
experimented with dif-
fferent objects to see if they were
“Quiet” or “Loud” or “Hard” or “Soft”.
We also explored force and motion to
answer the question “Will the object
spin?”.   These were just a few of our
science adventures!

The month concludes
with plans for our an-
nual Egg Decorating
and Egg Hunt day be-
fore Easter break.
Happy Easter every-
one!

A reminder that RM Community Safety Officers have authority to not only enforce RM bylaws, but also write tickets for speeding; speeding tickets once again. Be aware of the RM of Edenwild’s commitment to recreation – an ambiance is given to golf courses, who are in good standing with the RM. Promoting health and physical activity is important to everyone. The RM is proud of the facilities that are available to the community for recreation services, for everyone to enjoy. Kim McIvor, Councillor Administrative Officer for the RM, is a listing of golf courses and other recreation facilities operating within the RM, visit https://edenwild.ca/community/recreation.

In 2019, the RM of Edenwild hosted a special Easter event at William Albert House April 14. The event was for residents and carers/staff. “We love meeting the residents in our community,” says Councillor Wayne Joyce. “It is fun to get out and meet people, and in this case, have a bit of fun.” Musician Dennis Pace performed and Emerald Park Rink supplied the Easter cake.

The News and view$ would like to thank the Pilot Butte Recreation Board in conjunction with Sask Lotteries Assistance Grant, for ongoing donation to our newsletter. The donation from the Rec Board enables the News and view$ to keep publishing and aids in local sports, culture and recreation advertising. Our continued thanks for the support!

The grant allows expansion of the News and view$ as necessary, with local content, assorted advertising and hopefully making it more appealing and interesting to read. The Town of Pilot Butte also provides financial funding as well as continued support in other ways. The Town has pledged to ensure that the News and view$ will publish, no matter what! Thank you to the Town for their continued support. It takes a tremendous financial worry off of the volunteers!

The R.M. of Edenwold also supplies the newsletter with financial funding and we use a portion of these funds to send copies of the newsletters to some R.M. residents. This financial windfall (for us!) is enabling us to produce a larger, more attractive newsletter for your enjoyment. We hope that we can continue to provide a quality of newsletter that makes us the “must read” item each month. We truly appreciate the support.
