WINTER PARKING RESTRICTIONS

Yes, that season of snow removal is coming. While we have had a lovely long summer to enjoy our boulevard parking, residents are reminded that, from November 1 to April 30, there is a 72 hour restriction on parking on Town boulevards.

** The boulevard is the Town-owned land between the edge of the paved street and your property line.

** On streets with no curb, there is NO allowance for parking on the pavement at any time.

** On streets with no curb, the boulevard may be used for parking of vehicles in daily use. The 72 hour restriction doesn't mean that you drive your vehicle around the block and re-park it. It means that you cannot store vehicles on the boulevard during the winter months.

The same thing applies to paved streets where there is a curb.

** On any street, whether there is or is not a curb, the Town appreciates that vehicles will not be parked either on the boulevard or on the pavement when snowfall is imminent. When operators are cleaning the streets, particularly after heavy snowfall, that snow has to go somewhere. The boulevards serve that purpose.

The Town thanks all those residents who help us out by complying with the law. Please be assured that vehicles which are left on boulevards or on streets may be ticketed and /or towed.

Update

December in Review | 2019

Ms. McFarlen's Entrepreneurship 30 class has created 4 Junior Achievement Companies. The Food Dudes (@fooddudes on Instagram) are selling candy bags and pizza around the school on specific sales days with 10% of profits being donated to The Regina Food Bank. Snow Busters (Snow Busters JA on Facebook) are a snow shoveling service offered to residents of Balgonie, Pilot

Butte, White City, and Emerald Park. All Boxed Up (@allboxedup.co) is selling themed gift baskets to make gift giving easy; themes include Christmas, Spa, and Movie Night. The Lip Stuff (@thelipstuff.co) sells handmade lip balm in a variety of different scents. Follow the companies on social media to see their progress or request orders.

Grade 9 Science students showcased their Science Fair Projects on December 3rd. Congratulations to the following first place winners: Kaelan Smyth, Mazzlynn Lang, Jaia Guy, Alec Hilchey, Clayton Hudon, Ty Garnier and Kaden Materi. Adriane Weitzel, Maren Pritchard-Miller, Justine Carruthers, Makayla Bolingbroke, and Peighton Materi received second place awards. These students will be moving on to the Regional competition hosted at Greenall on March 31st.

On Thursday, Nov. 28, Friday, Nov. 29 & Saturday, Nov. 30, Greenall High School was pleased to transform our gymnasium into a theatre space to showcase the amazing talents of our extra-curricular musical: The Addams Family.

We had 62 students involved in this production (51 directly and 11 through set/props/costumes). We had 25 staff members who volunteered time and talent through the production process. We had 17 community members volunteer their time and talents through tech, choreography, make-up, front of house support and playing in our fantastic orchestra.

This year, we had financial support provided to us by ProAV, the Greenall Griffins Booster Club (purchased a fog machine and 2 make-up airbrush machines), Greenall Band Parents Association and Greenall's SCC grant from Sask Lotto. We are grateful for such generous support of our arts community.

We are incredibly proud of these students. They were impressive to watch, and they shone onstage!

The Main Question

If you haven't tried church in a while (or ever) we have a special series for you in January:

What's so great about Jesus?

If you've ever wondered why people make a big deal about Jesus, or how it is that people still follow his teaching and claim that he's relevant in the 21st century, this is a series that you won't want to miss.

Don't dress up, just come as you are - we know you'll be glad you did!

Junior Youth Club

Returns on January 9th!

Junior Youth meet Thursday from 3:30 to 5:30.

Grade 4-7 students gather to play great games, enjoy snacks, talk about life and have a whole lot of fun!

This free program is open to every student whether or not they attend a church.

Nicole's Preschool

DECEMBER!

A trip to the Government House in Regina to see the splendor of the Christmas season started the month of December! The preschoolers enjoyed learning about the Christmas traditions of people who lived over one hundred years ago in the Government House. They were surprised to learn that the children of this time period had no Lego, Paw Patrol, Barbies or Nintendo! Not even a toy car or truck! But they did enjoy decorating a gingerbread cookie just like the children did then and playing in the Government House's Once Upon a Time room. We had a great time and we highly recommend a visit if you've never been there before!

Back at preschool we incorporated some popular children's stories into our activities. The preschoolers enjoyed reading, retelling and dramatizing the stories "The Three Billy Goats Gruff", "Chicka Chicka Boom Boom", "Henny Penny" and "I Know an Old Lady Who Swallowed a Fly" among many others!

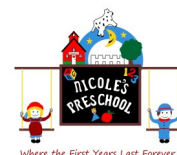

We also spent time enjoying the festivities of the holiday season decorating a Christmas tree, making gingerbread playdough cookies, wrapping "blocks" as presents and making a special gift for our families.

Like every year, the highlight of our month was our annual Dessert Night and Christmas concert at the Pilot Butte School's gym. All the preschool families brought a delicious treat to share for our Dessert Potluck and enjoyed listening to a special performance by the preschool-

ers. Each child decorated a large paper Christmas shape at home and wore it around his or her neck while singing. After the performance Santa dropped by to deliver a treat bag to all the children. Special thanks to Mrs. Darla Verity for playing the organ for us and Grandpa Ray Chisholm our "Santa"!

Last but not least a big thank you to Azlin Mills for bringing "Santa Claus" to our classroom parties to hand out a gift to the little ones. Happy Holidays everyone!

ATTENTION TO ALL SNOWMOBILE RIDERS IN THE PILOT BUTTE DISTRICT

We have all become used to being able to ride freely as we wish across many open fields surrounding our community for quite some time. This is a privilege we enjoy compared to several other regions across the

country. Over the last couple years, there have been a few quarters posted by the owners as no trespassing. Please respect those areas, they are private property, as are all farmlands around us.

This fall was especially poor for harvesting as well, and several fields still have crops left on them, which are still valuable to the farmer's income.

Please do not ride across these fields and cause damage to the crops. There is always

a detour available. Respecting their land will keep us all in good standing with the farm community around us.

Disrespecting it will only cause more land to be posted and reduce the territory we have access to in the future.

Thank you all for your understanding

A New Year's message from the RM of Edenwold

Reflection on 2019

In 2019, the RM of Edenwold saw numerous projects through to fruition and started on a number of initiatives that will continue into 2020.

Key successes and accomplishments relate to the new municipal office in Emerald Park, the Official Community Plan, Zoning Bylaw and Aspen Links Commercial Contract Zone, a number of roadworks and infrastructure projects and an increase in community consultation and engagement activities. We welcomed a number of new residents and businesses to our communities and are proud to have them call the RM of Edenwold home!

Council, together with our colleagues in the Village of Edenwold, have commenced work towards the formation of a Municipal District. We are enthusiastic about this partnership and looking forward to continuing the conversation and bringing our ideas forward to our communities for discussion.

Seasonal arrangement by the local Garden Club, on display at the RM Office

Priorities for the year ahead include:

- re-examining divisional boundaries to give more opportunity to citizens of Emerald Park to participate in Council
- moving forward with infrastructure and roadworks projects such as water and sewer extensions to business districts and drainage projects in rural and country residential areas
- continuing to work with our neighbours in the Village of Edenwold towards a joint Municipal District governance structure
- seeing resolution to the White City annexation plan

Watch for an updated **Municipal Action Plan** coming early in the new year!

Reminders

Christmas trees: Tree collection service for Emerald Park residents will be available during the week of January 13th. Please lay your tree down at the end of your property before the 13th for pickup.

Snow removal: Main roads and high-traffic routes are prioritized for snow clearing in all areas followed by local roads. Please slow down when passing or approaching snow-clearing machinery. When clearing private driveways and walkways, do not place snow on roads, in ditches or on neighbouring properties.

Snow storage: The municipality has identified snow storage sites for local businesses to clear their parking lots. Please visit the RM office for more information.

Official Community Plan and Zoning Bylaw

Thank you to everyone who has participated in the process of developing new plans and regulations for the municipality. Numerous residents and businesses have contributed as well as other stakeholders such as members of crown corporations, government ministries, utility and transportation companies, and citizens, staff and Councils of neighbouring communities.

The last stage of this process involves consideration of some final alterations to the bylaws based on feedback received from the public and stakeholders. A public hearing will be held on January 14th, 2020 at 7:00pm in Council Chambers to obtain comments on the alterations to the bylaws. Council will then be in a position to consider the bylaws as a whole and move forward with final approval and submission to the Ministry of Government Relations for Ministerial Approval and adoption.

Wishing you all the best in the new year!

From the Council and Staff of the RM of Edenwold

The **News and viewS** would like to thank the **Pilot Butte Recreation Board** in conjunction with **Sask Lotteries Assistance Grant**, for ongoing donation to our newsletter. The donation from the Rec Board enables the News and viewS to keep publishing and aids in local sports, culture and recreation advertising. Our continued thanks for the support!

The grant allows expansion of the **News and viewS** as necessary, with local content, assorted advertising and hopefully making it more appealing and interesting to read.

The **Town of Pilot Butte** also provides financial funding as well as continued support in other ways. The Town has pledged to ensure that the News and viewS will publish, no matter what! Thank you to the Town for their continued support. It takes a tremendous financial worry off of the volunteers!

The **R.M. of Edenwold** also supplies the newsletter with financial funding and we use a portion of these funds to send copies of the newsletters to some R.M. residents.

This financial windfall (for us!) is enabling us to produce a larger, more attractive newsletter for your enjoyment. We hope that we can continue to provide a quality of newsletter that makes us the "must read" item each month.

We truly appreciate the support and could not publish without this funding along with our backpage sponsors.
