WINTER PARKING RESTRICTIONS

Yes, that season of snow removal is coming. While we have had a lovely long summer to enjoy our boulevard parking, residents are reminded that, from November 1 to April 30, there is a 72 hour restriction on parking on Town boulevards.

****** The boulevard is the Town-owned land between the edge of the paved street and your property line.

****** On streets with no curb, there is NO allowance for parking on the pavement at any time.

****** On streets with no curb, the boulevard may be used for parking of vehicles in daily use. The 72 hour restriction doesn't mean that you drive your vehicle around the block and re-park it. It means that you cannot store vehicles on the boulevard during the winter months.

The same thing applies to paved streets where there is a curb.

****** On any street, whether there is or is not a curb, the Town appreciates that vehicles will not be parked either on the boulevard or on the pavement when snowfall is imminent. When operators are cleaning the streets, particularly after heavy snowfall, that snow has to go somewhere. The boulevards serve that purpose.

The Town thanks all those residents who help us out by complying with the law. Please be assured that vehicles which are left on boulevards or on streets may be ticketed and /or towed.

Dog and Cat Control Bylaw

The Town would like to remind residents that all dogs and cats are not permitted to run at large and are required to be leashed or contained in their own yards.

The *Town's Dog and Cat Control Bylaw* is to promote the safety, health and welfare of the people and the protection of people and property in the Town of Pilot Butte and contains fines for offenders.

Please respect your neighbor's and the Town bylaws and restrain your pet when not in your yard. Please be reminded also, that there is a requirement for cleaning up after your pet.

The Town of Pilot Butte Dog and Cat Control Bylaw can be found on the Town's website <http://www.pilotbutte.ca> under the Local Government tab for your reference.

We thank you for your continued cooperation.

SEWAGE BLOCKAGE - If you suspect you have a sewer blockage, the line **MUST** be checked by the Town Maintenance Staff. Payment may be refused (at the discretion of the Town Maintenance Director) if this condition is not met. A maintenance man is on call after hours for emergencies and is available by calling **306-781-4547 Option 6**. Thank you.

"Trees are our connection to the past, the pleasure of the present and hope for the future. As their custodians we must cherish and protect their existence. To not do so would be highly discourteous and blind."

STRONG Women

Monday, March 16 @ 7pm

Pizza Movie Night

STRONG Women events are open to any women 16 years old and up. It doesn't matter if you are part of this church, another church or no church at all. We hope you'll come out and have a great time!

For information contact Candace:
candacef@wayoflifechurch.ca

People often have questions about what our church believes, and if they'd be welcome here.

To help answer those questions, we have a **Statement of Inclusion**. Here it is:

WE BELIEVE in the worth of every person.

We believe we are all created by God and therefore we all have equal value. No one's value depends on their age, gender, belief system, ethnic background, orientation, skin colour or any other category that seeks to divide and separate people.

WE BELIEVE that Jesus is the Way, the Truth and the Life.

We believe the Bible is our God-given guidebook. We believe its' message that Jesus was sent by God to show us the way to live our best life here on earth and how to receive the gift of eternal life.

WE BELIEVE that none of us are perfect.

Everyone, whether part of a church or not, has taken actions and made decisions that conflict with Jesus' values and teachings and separate us from God. Therefore we all are in some way broken and are united in our need for forgiveness, transformation and redemption.

WE BELIEVE that a genuine church is open to everyone.

Since all people matter equally to God, everyone has an equal right to receive the love of Jesus.

WE BELIEVE that knowing Jesus is transformational.

Jesus accepts us where we are, but he does not leave us there. Anyone open to learning, growing and receiving Holy Spirit guidance will always be welcome to learn and grow with us.

Thank you for reading. Feel free to contact us if you have questions or comments.

Nicole's Preschool

The months always seem to click by so quickly and here we already find February drawing to a close. The longer days, however, whisper in our ear that spring is just around the corner!

At preschool we started the month learning more about the shapes in our everyday world. Recognizing shapes is a vital pre-math skill. Before a child can learn the more abstract concepts of math she must be visually, physically and kinesthetically aware of these basic concepts. We hunted around the classroom for various items of different shapes and played sorting and graphing games with our discoveries. During Creative Art time we practiced our cutting and

gluing skills while making shape collages and rectangle bookmarks. We also explored colour mixing while stamping shape prints and using strings as a medium to paint triangles! Giant shapes were taped to the floor allowing us to explore shapes with our bodies during various movement games. We just love shapes!

For the Valentine season the children participated in our annual Valentine card exchange. Special thank you to all the parents who sent a special treat for the children's snack! We played Valentine Bingo, made animal critters with heart shapes, painted hearts with puffy paint and role-played the letter carrier at our pretend Post Office!

Before the Winter Break we enjoyed our annual Family Bowling Night at the Glencarin

Bolodrome in Regina. The smiles, treats, and laughter shared by all the preschool families made memories that last forever! See you next month!

AT HOME SHAPE FUN! Make Your Own GeoBoard!

This is an easy way to help your child practice simple math, fine-motor skills, letter, numbers etc.. Make a geoboard by inserting push-pins into a small corkboard. Your child can stretch rubber bands around the pins to create various shapes!

CONTAMINATION ALERT

February 2020

Dear Resident,

Crisis is perhaps too strong a word, but contamination of recycle material is, in general, a growing problem in North America. In 2018 China stopped accepting recycle materials from around the globe. The result is an oversupply of recyclables, driving values down and processing costs up. The need for maintaining and improving the quality of what is collected is greater than ever.

As you know, recycling processing relies, in part, on separating acceptable materials from garbage. Material Recovery Facilities (MRFs) are being vigilant in reducing the contamination levels in the materials they are marketing; however, this takes more time and expense.

In order to maintain a strong and effective recycling program, we need your cooperation. Any items listed as acceptable can go in the 'BLUE' recycle cart and any remaining items go in the garbage or an alternative recycling facility, e.g. light bulbs and metal parts. Contaminated recycle loads may result in additional fees being charged back to the municipalities.

If you have any doubt whether or not an item can be recycled, please contact Loraas or at a minimum, *when in doubt put it in the garbage.*

Attached is a helpful poster which outlines our recycling program. This poster details what can and cannot be put in the blue cart or bin.

Thank You, we appreciate your cooperation as we attempt to keep recycle material clean and costs to the municipalities low.

Greenall Griffins Update

February in Review | 2020

The French Immersion program at Greenall High School continues to grow! We celebrated French-Second-Language Education Week. This year's theme was 50 years of French immersion, 50 years of the Official Languages Act. Our group of Immersion students, teachers, assistants and supporters created a bulletin board to mark this week. Merci de tous nos supporteurs!

As Entrepreneurship 30 came to a close, the students from semester one donated profits from their companies to Sofia House, Teddy Bears Anonymous, the Regina and Area Food Bank, and Greenall's very own Entrepreneurship program!

The students at Greenall were appreciative of the parents and School Community Council (SCC) members that provided them with muffins, juice, yogurt and granola bars during final examination week! Griffins know the importance of nutrition while studying and really appreciated this gesture!

Students at Greenall have many options when it comes to taking Practical and Applied Arts Courses. These are just a few of the sewing projects from Semester 1 that were completed. Students sewed their own hoodies, sweats, dresses, stuffed animals, quilts, and much more.

Basketball season continues at Greenall High School! During the first weekend of February the Senior Girls went undefeated in Rocanville to win gold! The Senior teams will have Regionals in early March and the Junior teams head into playoffs the week of February 24-28th!

Saskatchewan LOTTERIES 

The News and viewS would like to thank the Pilot Butte Recreation Board in conjunction with Sask Lotteries Assistance Grant, for ongoing donation to our newsletter. The donation from the Rec Board enables the News and viewS to keep publishing and aids in local sports, culture and recreation advertising. Our continued thanks for the support!

The grant allows expansion of the News and viewS as necessary, with local content, assorted advertising and hopefully making it more appealing and interesting to read.

The Town of Pilot Butte also provides financial funding as well as continued support in other ways. The Town has pledged to ensure that the News and viewS will publish, no matter what! Thank you to the Town for their continued support. It takes a tremendous financial worry off of the volunteers!

The R.M. of Edenwold also supplies the newsletter with financial funding and we use a portion of these funds to send copies of the newsletters to some R.M. residents.

This financial windfall (for us!) is enabling us to produce a larger, more attractive newsletter for your enjoyment. We hope that we can continue to provide a quality of newsletter that makes us the "must read" item each month.

We truly appreciate the support and could not publish without this funding along with our backspace sponsors.
