## May 2020

Serving Pilot Butte  
& District for  
33 years!

Year 33 Issue 9

The Town of Pilot Butte

## THANK YOU VOLUNTEERS!

Would like to send a heartfelt thank you to the many volunteers within our community. Without your support and dedication a number of programs, events and sports we have would not be possible.

Volunteerism keeps our community going and is a part of our identity. Countless hours of work can often go unnoticed and unrecognized however our community as a whole benefits from the work you do.

April 19th to 25th is National Volunteer Week. We would like to take this time to say thank you for everything you do!

### Thank You for the 85th Birthday Wishes

Mavis and Bill would like to thank their children, grandchildren, great-grandchildren, the Golden Sunset Club members, friends and neighbours for the "birthday parade" for Bill on April 5, 2020. What a unique way to celebrate a birthday! It couldn't have happened without your love and support! Thank you so much!

The town would like to advise residents that from **May 1 to 19, 2020**, the Town compound on Railway Avenue will house three large bins, one each for the deposit of:

- a) **unbagged compostable material**, e.g. leaves, grass, plants and branches (NO garden tools or hoses);
  - b) **garbage** (NO tires, batteries, propane cylinders, light bulbs or ballasts, chemicals, oil/antifreeze); and
  - c) **scrap metal** (This DOES NOT INCLUDE refrigerators, propane cylinders or metal with a large percentage of wood or plastic attached).
- Proceeds from metal waste will be applied to Town beautification.

If no member of staff is present when you come to unload and bins are full, please do not leave waste materials on the ground for someone else to load into the bins. Come back when the bins are emptied. Thank you.

### Submissions and Payment

Please remember to send your submissions no later than 5 pm on the 20th. Anything received after cannot be guaranteed to be inserted into the issue. Your continued co-operation is appreciated. **PLEASE EMAIL the News and viewS @ [newsandviews@sasktel.net](mailto:newsandviews@sasktel.net) or drop it off at the Pilot Butte Town Office.**

**As always, a huge THANK YOU to the sponsors who have renewed their squares or are new to our backpage—We truly cannot publish without your generous support!**

**Thanks also to those businesses who pay to take out a monthly ad at**

**various times of the year.**

*The News and viewS appreciates all those who help in getting the 10 issues printed and out to the residents. It takes a community!*

# At Home Activity Guide

Draw a Family Portrait. Go back through family pictures to see how everyone was placed and then draw an updated family portrait to hang up.

There will be some colouring pages, activity sheets and project instructions available on the Town Website under Recreation Programs.

Try making Moon Dough. Moon Dough is kind of like play dough but with only two ingredients. See the Town Website for instructions.

## Mini Kites

The weather is supposed to be nice next week. For a fun family activity or an activity just for the kids. Instructions available on the town website or you can Google or visit Pinterest for ideas.

## Bird Feeders

The birds are back! Make homemade bird feeders out of peanut butter, bird seed and popsicle sticks. Instructions on Town Website or you can Google/Pinterest for ideas.

## Pilot Butte Rock Hunters

The Pilot Butte Arts and Culture Committee has been placing painted rocks around town. While practicing physical distancing, take a walk around town to see how many you can find. You can also add your own. Join the Pilot Butte Rocking Hunting Group on Facebook to share your finds.

## A Message from the RM of Edenwold

### COVID-19 Update

- No late fees or penalties will be charged on utility bills for the rest of 2020.
- RM taxes are not levied until August and can be paid until December. Council has committed to considering tax relief for all residents and businesses in the RM, but are monitoring supports from the federal and provincial governments and will continue the discussion at the next council meeting.
- The Municipal Office remains closed to the public until further notice; staff are still available by phone or email. A monitored drop box is available in the office foyer during regular office hours for payments or other correspondence.
- Playground structures remain closed, but outdoor activities that adhere to physical distancing protocols such as cycling and walking are encouraged.
- A Ministerial Order has been issued authorizing all by-elections to be postponed until the general elections that will take place this fall. Council will be considering this option for the Division 4 seat at their next meeting.

As the weather warms and spring finally arrives, please keep in mind the following:

- Farmers will soon be busy seeding, spraying, and in some cases, harvesting the last year's crops. RM graders will also be out beginning their spring maintenance. Be alert and be patient as large machinery share our roads this spring.
- Everyone is itching to get out and enjoy the warm weather, but remember to continue physical distancing practices until direction is given provincially to relax cautionary measures.

### Spring Clean Up Bins

Clean up bins are once again located on Hutchence Road, south of the Municipal Office. The bins will be available until Sunday, May 10<sup>th</sup>.

**Only compostable materials such as leaves, grass and branches are acceptable.** Anything brought in plastic bags will have to be removed from the bag before being disposed in the bin. Bags labelled "compostable" are acceptable, but "biodegradable" bags are not.

If the bins are full, please hold onto your materials until the following business day rather than piling them outside the bins.

### Pruning Out Black Knot

The Black Knot fungus, affecting trees in the Prunus family such as plums and chokecherries, is becoming increasingly common in the Emerald Park/White City area.

Now is a good time to prune minor, local black knot infections out of your trees.

More information about black knot and the best methods to safely remove infected branches can be found at [www.gardening.usask.ca](http://www.gardening.usask.ca).

Rob Reinhardt from Pilot Butte is in the list of chefs scheduled to be featured on an episode of Food Networks Canada "Grill Masters" that began in early April.

Rob and Jaycee have travelled all over the US and Canada entering BBQ competitions. It is Canada's winningest BBQ competition team, with 21 Grand Championships to date. This includes the Canadian Nationals and 2 World Champion awards. They own Prairie Smoke & Spice BBQ right here in Pilot Butte!

Good Luck Rob!

Also competing this time is Milton Rebello who is a champion veteran of culinary competition.

Let's cheer him on and enjoy the upcoming BBQ season with Rob and the other chefs on Grill Masters.

Thank you to all of those dedicated workers keeping us safe during these uncertain times.
