# Town of Pilot Butte

## Remembrance Day Ceremony

Town Council and the Town of Pilot Butte have chosen to not host a Public Remembrance Day Ceremony this year due to COVID-19.

The Town will be releasing a taped ceremony that will be available for viewing just prior to 11:00 am, with the Moment of Silence being observed at 11:00 am. The Remembrance Day Ceremony will be available for viewing on the Town Website as well as the Town Facebook Page.

While this is not the way the Town envisioned Remembrance Day being observed, this option was carefully considered and determined to be in the best interest of our community as a whole.

We would like to encourage everyone to visit our War Memorial and observe a Moment of Silence at their leisure on November 11th.

*Lest we forget*

# Trick or Treating & Haunted Houses

The Town of Pilot Butte would like to provide residents with guidelines to a safe Halloween. All of the guideline information is from the Reopen Saskatchewan Plan dated September 25th/2020.

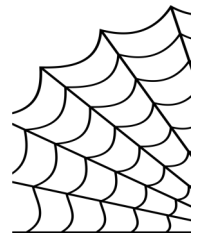

## Neighbourhood Trick or Treating

- \* Physical Distancing of 6 feet should be maintained with those outside your extended household
- \* Candy should be handed out using tools such as tongs to help eliminate accidental contact
- \* If a house is busy, you can either wait while maintaining physical distancing or come back when it is less busy
- \* Due to the number of people potentially touching the treats prior to being handed out, treats should be disinfected or held for 72 hours before eating
- \* It is recommended that only store bought treats be handed out
- \* Limit the number of people handing out treats as much as possible
- \* Trick or Treats should carry hand sanitizer with them and individuals handing out treats should also use hand sanitizer or wash their hands frequently
- \* The Government of Saskatchewan Reopen Plan suggests incorporating non-medical masks into costumes

The Town of Pilot Butte will be providing Orange Flags to indicate houses handing out treats this year. If a house has an orange flag on their lawn know that they are handing out treats. Please respect homes without flags or lights off. Locations to pick up flags will be determined soon and will be available starting October 28th.

## Haunted Houses

- \* Haunted houses must have a one-way traffic flow to promote physical distancing
- \* Use markings/dividers/visual cues in common areas to ensure physical distancing between groups
- \* Non-medical masks are an additional measure that participants can use when physical distancing might be unpredictable
- \* Hand Hygiene stations should be available to participants before, during and after visiting (Hand Sanitizer should be Health Canada approved)
- \* Walk-through times between groups must be a minimum of 10 minutes apart to avoid congestion in the haunted house

## A Note About Waste Collection

There are occasions when the collections for garbage, recycling and compost are delayed and carts are not emptied at the usual times of day. A change of driver, or route; a mechanical failure, any number of things may delay the service. Loraas advises that **THERE WILL ALWAYS BE SERVICE**. Unless inclement weather makes travelling unsafe, the truck will always come eventually. It may be later that evening, it may be the next morning, but the carts will be emptied. You are always welcome to contact the Town office if your cart has not been collected by the morning of the next day. Occasionally the odd cart or street is missed, but it is not abnormal for the whole town to receive service much later than the usual time. If is very windy, you may want to bring your cart in for the night and replace it the next morning.

Remember, too, that Loraas provides service on Mondays and Thursdays regardless of holidays.

**SEWAGE BLOCKAGE** - If you suspect you have a sewer blockage, the line **MUST be checked by the Town Maintenance Staff**. Payment may be refused (at the discretion of the Town Maintenance Director) if this condition is not met. A maintenance man is on call after hours for **emergencies** and is available by calling **306-781-4547 Option 6**. Thank you.

# Winter Parking Restrictions

The Town reminds residents that Town boulevards are provided to residents for the parking of vehicles which are in daily use and that boulevards are never intended for storage of campers, automobiles, trailers or any other items owned by residents.

As winter approaches, the Town expects that all vehicles, etc. except those in daily use will be removed from boulevards for the facilitation of operations of the Town (e.g. snow removal). The Town *Operation of Vehicles Bylaw 13-2011* allows for vehicles to be parked on boulevards for periods not exceeding 72 hours during the winter months. **AT NO TIME** may vehicles be parked for periods **longer than 72 hours** on the pavement of any curbed street and may never be parked on the pavement of a street with no curb.

During times of imminent snowfall, the Town hopes that residents will be mindful of the safety of the Town workers and their own property by removing vehicles from both street and boulevard, curbed or otherwise.

When snowfall is heavy, there are going to be times when it is not possible for the grader to clean streets without leaving some ridge of snow across the ends of driveways. The priority is to have the streets cleared and passable. If time and manpower allow, the Town may clear significant ridges once streets are all cleared. It is not reasonable to expect that whole frontages will remain cleared of a snow ridge.

That snow that you don't want in your driveway has to go somewhere and part of the purpose of Town-owned boulevards is to provide that option. Part of the privilege of using the boulevard is for you to keep it clear for your own use.

The Town thanks all residents who comply with parking restrictions and keep our maintenance workers safe.

# Nicole's Preschool

## October!

Mother Goose swooped in to preschool this month! And that meant our days were filled with the delightful nursery rhymes many of us remember from our own childhoods! Nursery rhymes are centuries old, with many of their origins remaining a mystery. But

regardless of their age, they are still so relevant and beneficial to young children today. Children develop an appreciation for rhythm and rhyme, listening skills, vocabulary skills and even coordination skills as they sing, dance, clap or act out nursery rhymes. Nursery rhymes are good for the brain and very effective ways of developing a child's early literacy skills!

At preschool our learnings were extended as we explored more about the many different farm animals such as sheep, cows and pigs from the rhymes. We bought and sold vegetables at our "Farmer's Market", and explored the concepts of capacity and the flow of water down our "Jack and Jill Hill" at the Water Table. Many laughs and giggles could be heard as we acted out rhymes such as "Little Miss Muffet" and "This Little Piggy" and we even tossed bean bags into Jack and Jill pails!

### Let's test your Nursery Rhyme IQ!

Below are clues from some of the nursery rhymes we learned at pre-

school. Can you name them? Answers at bottom:

1. I had roast beef and I went "Wee, wee, wee" all the way home
2. I fell asleep under a haystack
3. I lost my sheep
4. I broke my crown
5. I'm afraid of spiders
6. I ran up a clock
7. The king's men couldn't put me back together
8. I had too many children
9. I ran away with a spoon.

We are now looking forward to our upcoming Halloween Costume party at preschool. The children disappear that day but in their place super heroes, princesses, animals and many other creatures stop by for a visit!

Happy Halloween! **BOO!!!**

Mrs. Marshall

- A. This Little Piggy
- B. Little Boy Blue
- C. Little Bo Peep
- D. Jack and Jill
- E. Little Miss Muffet

- G. Humpty Dumpty

- I. Hey Diddle Diddle

# Greenall Griffins Update

October in Review | 2020

Greenall High School has welcomed two new administrators this year. Principal John J. Harvey and Vice Principal Courtney Leonard are excited to join the Griffin family!

Students in Commercial Cooking made and processed homemade salsa!

Greenall's ODE 10 classes recently travelled to Echo Lake Provincial Park. Students learned about edible and medicinal plants, how to build a survival shelter and were treated to a bow drill demonstration by Colin Frey.

Greenall students participated in Orange Shirt Day on September 30. Orange shirt day is meant to open the door to a global conversation on all aspects of Residential Schools. It is an opportunity to create meaningful discussions about the effects of Residential Schools and the legacy they have left behind. It is a discussion all Canadians can tune into and create bridges with each other for reconciliation. It is a day for survivors to be reaffirmed that they matter, and so do those that have been affected.

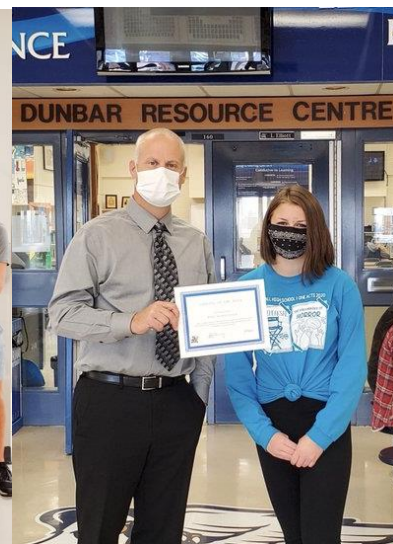

We continue to recognize our Griffins of the Week, students at Greenall who display our values! Drayden and Gwen are two of our Grade 12 students that were recently celebrated and Emily was our most recently celebrated Grade 11 student.

# MOVIE SHOOT TAKES OVER PILOT BUTTE FOR THE HEART WARMING COMEDY DRAMA 'ON EDGE'

Writer & director Marzieh Kamyabi delivers the tender short drama, *'On Edge'*, with Regina-based actors Linda Jean Karst and rising star Devlin Horth in the lead roles. The film was shot on August 29<sup>th</sup> on location and set in Pilot Butte, Saskatchewan.

*"I moved to Pilot Butte in May and I just love it here,"* explains Kamyabi. *"The skies are spectacular and there is no better place to witness a Saskatchewan sunset than the hill in Pilot Butte. This was my inspiration for the film."*

After reading the screenplay, ten year old actor Devlin Horth was excited to be part of the project. *"It's about a young boy and his grandmother who because of their age differences live in different worlds,"* says Horth. *"By taking the time to share their first sunset together, they get closer. It brings about love, happiness, and calmness."*

*"This short film will have instant audience appeal. It's a positive story that anyone can relate to. It explores the joys and pains of growing up and the importance of family bonds,"* explains director Kamyabi.

*"I was so proud to be part of this little film shot in the small town of Pilot Butte with a very professional crew on board,"* claims Linda Jean Karst. *"Marzieh is in her own league as a film director."*

The film is currently in post-production and will be released in November.

### Wegmann, John

#### For Council

[johnwegmann1044@gmail.com](mailto:johnwegmann1044@gmail.com)

(306)580-7627

I am pleased to announce I am running for council for the Town of Pilot Butte. I am a 2nd generation raised in Pilot Butte. I attended elementary school in Pilot Butte and high school in Balgonie. I was married to my wonderful wife in 1991. Although we made our start in Regina, we returned to Pilot Butte in 2001 to give our children the same experience growing up, as I had. During this time, I have been working as a heavy-duty mechanic and have held shop manager positions. Having seen many councils come and go, I have heard Mayors and Councilors give election agenda and promises, only to see them push their agenda at the towns expense and break their promises. I am not running on an agenda or election promises. I want to serve the town and do what is best our community.
