... That if your garbage or recycling is not picked up, you can call or email the Town Office and we will call Loraas to come back and pick it up? It may not have been picked up for a number of reasons however as long as you put your garbage out by 7 am, it should get picked up! Loraas may not get to it that day but they usually do come back. They have GPS on their routes now that can pinpoint whose cart was or wasn't picked up!

All residents will receive an assessment notice in the mail or via email (if you have signed up for this service) with the new assessed value, in March of 2021.

# Winter Parking Restrictions

The Town reminds residents that Town boulevards are provided to residents for the parking of vehicles which are in daily use and that boulevards are never intended for storage of campers, automobiles, trailers or any other items owned by residents.

As winter approaches, the Town expects that all vehicles, etc. except those in daily use will be removed from boulevards for the facilitation of operations of the Town (e.g. snow removal). The Town *Operation of Vehicles Bylaw 13-2011* allows for vehicles to be parked on boulevards for periods not exceeding 72 hours during the winter months. **AT NO TIME** may vehicles be parked for periods **longer than 72 hours** on the pavement of any curbed street and may never be parked on the pavement of a street with no curb.

During times of imminent snowfall, the Town hopes that residents will be mindful of the safety of the Town workers and their own property by removing vehicles from both street and boulevard, curbed or otherwise.

When snowfall is heavy, there are going to be times when it is not possible for the grader to clean streets without leaving some ridge of snow across the ends of driveways. The priority is to have the streets cleared and passable. If time and manpower allow, the Town may clear significant ridges once streets are all cleared. It is not reasonable to expect that whole frontages will remain cleared of a snow ridge.

That snow that you don't want in your driveway has to go somewhere and part of the purpose of Town-owned boulevards is to provide that option. Part of the privilege of using the boulevard is for you to keep it clear for your own use.

The Town thanks all residents who comply with parking restrictions and keep our maintenance workers safe.

## RECYCLING OF CHRISTMAS PAPER AND CARDBOARD AND CHRISTMAS TREE COLLECTION

The Town has been advised by Loraas Disposal that many types of Christmas wrap are not recyclable. For this reason, this year, as well as the usual Big Blue Bin for the collection of Christmas cardboard, there will be an additional Small Red Garbage Bin in which you may deposit bagged Christmas wrap. These bins will be on site from December 24, 2020 to January 8, 2021

The bins will be in the NE corner of the Recreation Centre North parking lot as in previous years.

Collection of live Christmas trees will be on January 12, 2021. Please have trees at the curb with all decorations, including tinsel, removed.

Thank you for your cooperation in taking those few extra minutes in this busy season to put waste into the correct bins.

Merry Christmas!

## Golden Sunset Club December 2020

I am sure you will all agree, what a year this has been. From March and still going, looks like 2020 was a "covid" year. No more gatherings like we were used to, and no more what we used to call "normal", happened. Our directors met monthly but agendas were short. There was training on i-Pads done for three weeks. Thanks to those who attended, as it was great to see you.

Possibly there will be more of that to come in the New Year, plus some bingo games. We are thinking of a movie afternoon or evening get together. These will be posted as we get Sask. Health's approval to have larger gatherings more than 10.

So for now, to all our members and friends we wish you and yours a very Merry Christmas and pray that the New Year be healthy, safe and wise.

# A Note About Waste Collection

There are occasions when the collections for garbage, recycling and compost are delayed and carts are not emptied at the usual times of day. A change of driver, or route; a mechanical failure, any number of things may delay the service. Loraas advises that **THERE WILL ALWAYS BE SERVICE**. Unless inclement weather makes travelling unsafe, the truck will always come eventually. It may be later that evening, it may be the next morning, but the carts will be emptied. You are always welcome to contact the Town office if your cart has not been collected by the morning of the next day. Occasionally the odd cart or street is missed, but it is not abnormal for the whole town to receive service much later than the usual time. If is very windy, you may want to bring your cart in for the night and replace it the next morning.

Remember, too, that Loraas provides service on Mondays and Thursdays regardless of holidays.

**LORAAS  
DISPOSAL**

**IMPORTANT:**

**Carts must be out by 7am on collection days**

# RELEASE YOUR INNER ROCKSTAR

# SMALL TOWNS ARE THE LIFE

This year has been a trying one. Covid 19 has changed our world. We are constrained, constricted, “cabined, cribbed, confined”. But not, Mr. Shakespeare, “shrunk to this little measure.”

Because, here’s the thing. This past late winter, spring and summer I saw more people outside enjoying all that outdoor Saskatchewan has to offer. So many benefits:

- The dogs in Pilot butte were, I’m sure, both bewildered and delighted by the amount of outdoor exercise they were getting. That favourite word “Walk” must have been “exercised” regularly.
- There were any number of people who were asked to work from home, (or not work at all) because their regular jobs were affected by Covid restrictions. It made your heart smile to see all of these young dads pushing babies. There were babies in the parks, on the trails, going to the Post Office. There were youngsters playing catch with Dads on ball diamonds.
- And speaking of ball diamonds. Once the diamonds were open, there were kids out there playing ball. “Scrub” we used to call it – just being outside and using their young bodies to have fun.
- Local businesses who offered services for shut-ins were repaid by customers who preferred to shop locally rather than run to the city.
- I met more of my neighbours on the streets than I have for years. More smiling, more chatting on the street and at the Post office.
- Our Post Office was kept busy the whole time. That’s good for our town.
- There was a sort of “back to basics”. Maybe we regressed a little to a slower time and pace. Less rushing and more family time.

So, while I know we will be glad to lose the masks and open our homes to the people we love, I hope that some of the practices we learned will continue. We can turn off the devices and prioritize family. We can get outside. Our kids and our dogs are going to love it. That’s what small towns are for.

## Light Up Pilot Butte

***Thank you Pilot Butte!***

**This is you caring for your neighbours!**

Every Christmas, Way of Life collects food and gifts to share with families in need. This year, Rhonda and Denise at A&D Fresh Market wanted to get the whole community involved in caring for each other - and you responded!

Thanks to you and your generosity, food, gifts, love and hope have spread out and touched people in our town. Thank you so much!

## Sharing Continues

Way of Life has groceries and household supplies for anyone who may have need throughout the year.

We call it the Community Pantry and if we can help you at any time during the year, we are happy to do it.

*See our contact information below.*

## Now Open

Our new building is open and you are welcome to come out for a Sunday morning service!

We say "Everyone welcome" and we really mean it. There's nothing you need to know, to be or to do. Just come on in as you are - you are welcome here.

## COVID-19

COVID-19 continues to impact plans for all of us and the church is no different.

The STRONG Women group and Jr. Youth Club will not be able to meet this winter. We hope that the curve will be flattened enough by spring to meet again.

Rules for attending a Sunday service require all of us to wear a mask, and not to have more than 30 people in a service. To help us manage attendance, please pre-register at our website: [wayoflifechurch.ca](http://wayoflifechurch.ca)

### IN MEMORY

Troy Fiedelleck 1976 - Nov 27, 2020

It is with heavy hearts we announce the passing of Troy on November 27, 2020 in Edmonton, AB at 44 years of age. Troy was diagnosed with a brain tumor in 2010. He bravely underwent three surgeries and cancer treatments over the last ten years until his tumor became inoperable. Our family is grateful for the time we had with Troy and the quality of life he was able to have despite his illness. Troy beat many odds and kept his sense of humor throughout his illness.

Troy will be lovingly remembered and profoundly missed by his beloved daughter, Jordana, parents Wally and Janis, sister Janeen, brother-in-law Stacey and niece Natalie, as well as his aunts, uncles, cousins, friends and neighbors and his Boxer dog, Josie.

Thank you to everyone for the love and support Troy and his family have received over this ten year journey of hope and gratitude. Troy was blessed to have friends and extended family throughout Western Canada that made surprise visits to Edmonton during hospital stays and other stressful times

A celebration of life will be held at a later date. In lieu of flowers, may you consider a donation to one of the following. The Town of Pilot Butte for the children's spray park project.

# Nicole's Preschool

## DECEMBER!

What comes to your mind when you think of the holiday season? I'm guessing it's all the wonderful tastes, smells and colourful sights! At preschool this month we delighted our five senses and began with the book "The Sweet Smell of Christmas" by Patricia Scarry. We tasted candy canes and oranges, hot chocolate and gingerbread! We touched pine needles and pine cones and listened to ringing jingle bells. We also enjoyed sorting a giant pile of gift bows into colour groups and then painting with them!

The kiddos continued with a science experiment called "The Disappearing Candy Cane". Each child placed a small candy cane in a cup of water. A few predicted it would explode (thank goodness it didn't lol). Twenty minutes later the candy canes vanished! Some children believed it was invisible while others say it melted! The best part was learning that taking a lick of that peppermint stick could dissolve it too!

The holiday season marched on at preschool as we decorated our play Christmas tree, made gingerbread "cookies" with play dough and wrote Christmas cards at our Writing Centre to name just a few!

Our Christmas concert looked a bit different this year! Instead of our usual concert and dessert night at the elementary school's gym the children were recorded singing their songs and we sent a link to our families to enjoy the video at home! Every child decorated a giant Christmas themed paper shape at home and wore it for our little performances! I was so proud of them!

The month ended with a special in-class party! Santa had the elves deliver a special gift ahead of time for each kiddo and he hopes that next year he'll be able to deliver it in person!

Happy Holidays everyone!

Mrs. Marshall

## AT HOME FUN!

## Make a Melted Snowman!

With adult supervision make a blob of hot glue from a glue gun on a cookie sheet. Decorate with small beads, pipe cleaner nose etc. to make a snowman face and add a string. When cooled peel off the cookie sheet and hang!

# Greenall Griffins Update

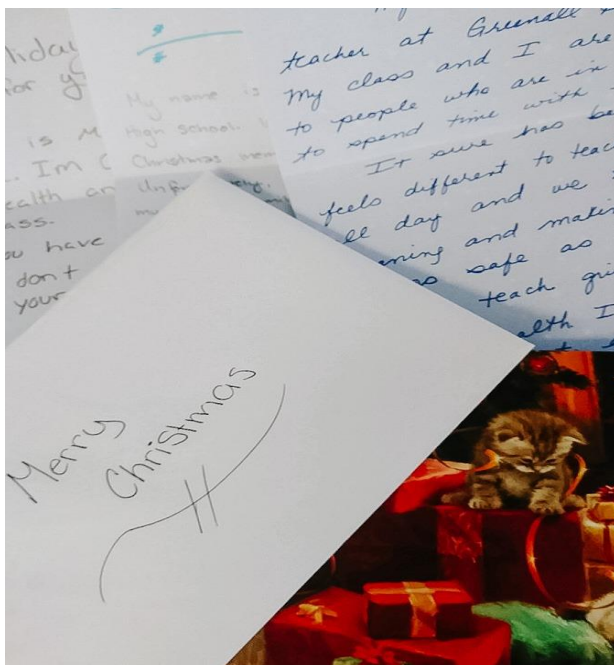

December in Review | 2020

Greenall students continue to celebrate School Spirit days. Students and staff can be seen in their toques, plaid, and holiday sweaters!

Students at Greenall wanted to let Senior Citizens know they are not alone during this difficult time. Griffins wrote cards, created artwork and wrote letters that will safely be distributed to care homes to be shared with seniors.

Greenall is currently operating on a hybrid alternative schedule. Please see the school website for more information regarding our current calendar.

**GHS**  
MOVES TO  
ALTERNATIVE  
SCHEDULE

We continue to celebrate Griffins who demonstrate our school values. Our students are pursuing excellence, fairness, acceptance, kindness, respect, self control and empathy! We are proud to work with such amazing students and staff!

Greenall would like to acknowledge the RM of Edenwold, the Town of Pilot Butte, the Town of Balgonie and the Town of White City in supporting our school programs through the Saskatchewan Lotteries Grants. The physical activity, arts, drama and music programs have all received funds to enhance programming. Thank you to Saskatchewan Lotteries and our greater community for their ongoing and continued support of our children!

## Make Your Voice Heard!

Have you ever attended a Public Hearing? If not, make 2021 the year you do! Public Hearings are an excellent way to share your thoughts, opinions, and concerns on important topics directly with RM Councillors, staff, and members of our communities. You can even participate from the comfort and safety of your own home! To find out about upcoming public hearings, check our website and follow the instructions to attend via zoom or submit your statements to be read aloud during the meeting.

## Sewer Clean Out Caps

Open sewer clean outs can lead to frozen sewer lines, which leads to costly repairs for homeowners. The municipality is not responsible to cover these costs or fix this damage, but our crews have some tips to prevent it! Sewer clean outs are located on the property line and can be capped to prevent cold air from getting in and freezing your sewer line. Take a moment to make sure yours is capped!

## Christmas Tree Pickup

Taking down Christmas trees isn't as fun as putting them up, but Emerald Park residents who take it down by Monday, January 11 can have them picked up for removal. Please take off all ornaments and decorations and lay your Christmas tree down by the curb to help our crews remove it quickly and easily on January 11.

## COVID-19 Update

As the COVID-19 pandemic continues to create challenges for everyone, the RM of Edenwold municipal office remains open for business, but we are taking additional steps to help prevent the spread of COVID-19. All in-person meetings between office staff and members of the public will take place online or over the phone until further notice. Please contact 306-771-2522 or rm158@sasktel.net for any inquiries and to schedule an appointment to speak with a staff member. If possible, consider paying your taxes and utilities by mail, through your bank, or by credit card online (for a 2.85% fee). Please continue to follow us on social media @RMofEdenwold and check our website [www.rmedenwold.ca](http://www.rmedenwold.ca) for the most up-to-date information.

The **News and viewS** would like to thank the **Pilot Butte Recreation Board** in conjunction with **Sask Lotteries Assistance Grant**, for ongoing donation to our newsletter. The donation from the Rec Board enables the **News and viewS** to keep publishing and aids in local sports, culture and recreation advertising. Our continued thanks for the support!

The grant allows expansion of the **News and viewS** as necessary, with local content, assorted advertising and hopefully making it more appealing and interesting to read.

The **Town of Pilot Butte** provides financial funding as well as continued support in other ways. The Town has pledged to ensure that the **News and viewS** will publish, no matter what! Thank you to the Town for their ongoing and continuing support. It takes a tremendous financial worry off of the volunteers!

The **R.M. of Edenwold** also supplies the newsletter with financial funding and we use a portion of these funds to send copies of the newsletters to some R.M. residents.

This financial windfall (for us!) is enabling us to produce a larger, more attractive newsletter for your enjoyment. We hope that we can continue to provide a quality of newsletter that makes us the "must read" item each month.
