*...one stitch at a time...* Angel volunteers create knitted, crocheted and quilted items of warmth for the less fortunate in the Regina area.

*...one appreciated gift at a time...* Angel volunteers receive warmth from their creations from the heart.

**Angels 4 Warmth Inc.** is a registered not-for-profit and non-denominational organization which began in 1998 with a small group of seniors in Regina North Central. Today the group has grown to 200 plus multi generational volunteers, two and three generation family members, dads included. These dedicated Angels spread the warmth with hats, mitts, scarves, cowls, slippers, shrugs, sweaters, lap robes, afghans and quilts, baby items, dish cloths and specialty items, averaging 12000 items annually to about forty approved donor recipients in the Regina area. All finished items are gifts and no finished items are sold. Angels, old friends and new friends, look forward to meeting when it will be safe to do so.

In November Angels tie 200 six-foot scarves around the trees in Victoria Park. 2021 will be the Seventh Annual **Scarves in the Park**.

**Angels 4 Warmth Inc.** operates from donations of yarn and quilting cottons, the occasional grant and monetary donations which are used to purchase supplies for the gifts of warmth. **Angels 4 Warmth Inc. are in need of yarn donations.** With Covid-19 restrictions in place there are no drop boxes or regular meetings at this time. Please call to arrange for safe donation: Sharlene at 306-790-7441 or Ruth at 306-543-0583.

## The Town of Pilot Butte VOLUNTEER GROUP SPOTLIGHT FOLLOW UP - APRIL 2021 Pilot Butte Beautification Committee

1. Can you provide us an update on your current projects? How are they doing?

Our current projects are in the planning stages, products are being ordered, plants are growing, final decisions are being made and new partnerships are developing.

2. Do you have any projects coming up in the near future you would like the community to know about?

- Assisting with the Spray Park landscaping project
- Install perennial bed at the post office bulletin board sign
- Install 12 raised vegetable garden boxes in Pilot Butte
- Community Clean Up Day on May 8th (yard, refuse and metal recycling bins available)
- Food Forest installation in ER 1 (Plans Development)
- Mother's Day Fundraiser- SOLD OUT! Thank you Pilot Butte

3. Would your service organization like to highlight the work of a specific volunteer?  
Our volunteers do a great job with every project we tackle. It's a real team effort! Depending on the weather, we will be starting our construction and planting soon. We will be looking for help from community members- we hope to see you there (mask on and socially distant, of course).

4. What is the most memorable project that your service organization has taken part in within Pilot Butte and the surrounding area?  
Our most memorable project would be our first year's Communities in Bloom judging experience. We received unbelievably valuable feedback from our judges, we've been working to implement many of their recommendations ever since.

*Coming soon:*

### Way of Life Community Garden!

We're excited to announce a new project to contribute to life in our community:

A Community Garden!

During May you will see us at work, replacing the front lawn with a Garden area and putting in the first planter boxes.

Boxes will be available to residents who want to grow food for themselves or for donating to others in the community.

We will have some boxes ready for use this growing season. If you would like more information or get on the list to have a box, contact Barb at [garden@wayoflifechurch.ca](mailto:garden@wayoflifechurch.ca)

*Thank you to the Town of Pilot Butte for consulting with us and approving our garden project!*

## Church during COVID

**Way of Life** is here for you, the community, and our Sunday service is open to everyone.

We ask you to help us comply with SHA regulations when you come to visit. A few things to keep in mind:

We must sit at least 2m apart from people who are not part of our household.

All attendees need to wear masks for the entire duration of the service.

Pre-registration helps us to stay within the limit of 30 people per service. Please register at [wayoflifechurch.ca](http://wayoflifechurch.ca)

Food and drink are not allowed right now, so we don't have any snacks out or the coffee pot on. (Sorry about that!)

Services are also available live on YouTube at 10:30am on Sunday, and can be watched anytime after that. Search "Way of Life Church Pilot Butte" on YouTube and you will find our channel.

I would like to pay tribute to these two remarkable ladies who I just found out passed away earlier in the year. They both made a lasting impression on my life when I was quite young and inexperienced and then later on in life. I met both of these ladies while working for the Dept. of Education in 1979-1981. Hazel was my supervisor and Penny worked for the Correspondence unit at the time. It was a pleasure to work with them as they were both so kind, patient, with a good sense of humour and always smiling! Penny would invariably come down to the 2nd floor whenever her work sent her that way (and even other times as well lol!). To be able to learn from these two amazing women was inspir-

ing. Then to see that they had joined the Golden Sunset Club in Pilot Butte - I was so happy to see their familiar faces! Their desire to volunteer and help where possible, was an asset to the GSC. I recall them having musicians (Hazel's brother for one, if I remember correctly) come and perform for club events. Both Hazel and Penny were at numerous GSC monthly lunches (among other occasions) and it was always great to see them and have a quick visit. Hazel would also bring her Mom once in awhile and I had the pleasure of meeting her as well. It is noted in both their obituaries that Mr. Herb Partridge was referred to as their "second Father". What a testament to the loving and caring nature of both ladies.

Hazel Leibel passed away on Saturday, January 9, 2021 at the age of 84 years and Penny Thibeault passed away on Monday, March 29, 2021 at the age of 82 years. They are both survived by many Family and friends.

Sincere condolences to both Family and friends of Hazel and Penny. They will be sorely missed by all. K.B.

# Nicole's Preschool

April!

April showers bring May flowers! Or perhaps should I say "snow" ha ha? Spring is here even if we did get a surprise snow storm! The birds have returned and everyone has a "spring" in their step. We took the opportunity at preschool this April to take another look at the theme "Friends Forever" to learn the social skills of "Understanding Personal Space" and "How to Interrupt Politely"! We also worked on a special "All About Me" project, another tradition at preschool, that we send home in our Memory Boxes at the end of the year

For the second half of April we are looking forward to our theme on "Transportation". Buses, cars,

planes, boats and trains will take centre stage. We will learn all about the types of vehicles that travel our roads, waterways and fly in our skies! We can't wait to enjoy making "tire track" paintings with small toy vehicles, bus driver hats, paper airplanes and getting "stuck" in a "traffic jam" while playing inside our giant fire truck and school bus tents. See you next month!

Mrs. Marshall

Why didn't anyone take the school bus to school?

It wouldn't fit through the door!

### The "BEAR-Necessities"

#### Kindergarten Registrations

If you have a child entering kindergarten in September, please contact the school to pre-register. Having accurate numbers ensures we are planning appropriately for staffing, which comes upon us quickly in the spring. If you are on our pre-registration list you will also receive updated information as it comes available. If you know of new families to the community, please help us spread the word! Registration forms can be emailed to families, and an online registration process is now available on [pvsd.ca](http://pvsd.ca) and our school website!

#### PreKindergarten Applications

Our PreKindergarten program is intended for vulnerable 3 and 4 year old children and their families. Vulnerabilities can be physical, emotional, economic, or cognitive. Acceptance into the program is through an application and committee decision. We invite interested families to contact us for more information or submit an application. Please note applications and information are also available on our school website at [www.pvsd.ca/school/pilotbutte](http://www.pvsd.ca/school/pilotbutte), or you can register online here: <https://www.pvsd.ca/Pages/PrekScreeningTool.aspx#/=.>

The Pilot Butte Beautification Committee is introducing a new Community Garden Bed initiative this year to allow community members the ability to have local sustainable food production. There will be 13 raised garden beds spread out through the community, in various parks, for community members to utilize. The beds will be 3 feet by 8 feet, and we will have a water barrel installed at the location to provide people with the ability to water their plants. We will draw from all those who submit their names to choose those able to utilize a bed this year.

If you are interested in growing, please email [beautifypevents@gmail.com](mailto:beautifypevents@gmail.com) by May 12th and include your home address. If you do not have email, you can call 306-520-2048 to indicate your interest. If you are a beginning garden and would like support, there are many experienced gardeners on the Committee who can answer questions and provide advice!

Happy growing!

 **SASK LOTTERIES** The **News and viewS** would like to thank the **Pilot Butte Recreation Board** in conjunction with **Sask Lotteries Assistance Grant**, for ongoing donation to our newsletter. The donation from the Rec Board enables the **News and viewS** to keep publishing and aids in local sports, culture and recreation advertising. Our continued thanks for the support!

The grant allows expansion of the **News and viewS** as necessary, with local content, assorted advertising and hopefully making it more appealing and interesting to read.

The **Town of Pilot Butte** provides financial funding as well as continued support in other ways. The Town has pledged to ensure that the **News and viewS** will publish, no matter what! Thank you to the Town for their ongoing and continuing support. It takes a tremendous financial worry off of the volunteers!

The **R.M. of Edenwold** also supplies the newsletter with financial funding and we use a portion of these funds to send copies of the newsletters to some R.M. residents.

This financial windfall (for us!) is enabling us to produce a larger, more attractive newsletter for your enjoyment. We hope that we can continue to provide a quality of newsletter that makes us the "must read" item each month.

**We truly appreciate the support and could not publish without this funding along with our backpage sponsors.**
