June 2021

Serving Pilot Butte
& District for
35 years!

Year 34 Issue 10

Yard and Home Construction Materials

It's summer and you are beautifying your yard, building a deck or renovating your house. Doesn't it feel good to get at those projects? The Town would like to remind residents that the streets and sidewalks are to be shared with pedestrians and traffic. Please ensure that all construction materials are placed and stored in your yard or driveway, and inform your contractor of this before they bring in supplies.

The Town also asks that you dispose of any garbage through the proper means. Do not dispose of garbage or left over material in parks or public land. This includes grass clippings.

The Town thanks you all for your cooperation and looks forward to seeing your beautiful yards.

HAPPY
Father's Day

WE LOVE YOU

THANK YOU FOR PUTTING A SMILE ON OUR FACES

Submissions and Payment

Please remember to send your submissions no later than 5 pm on the 20th. Anything received after cannot be guaranteed to be inserted into the issue. Your continued co-operation is appreciated. **PLEASE EMAIL** the News and viewS @ newsandviews@sasktel.net or drop it off at the Pilot Butte Town Office.

As always, a huge THANK YOU to the sponsors who have renewed their squares or are new to our backpage—We truly cannot publish without your generous support!

Thanks also to those businesses who pay to take out a monthly ad at various times of the year.

The News and viewS appreciates all those who help in getting the 10 issues printed and out to the residents. It takes a community!

If you are interested in sponsoring our newsletter, please email us newsandviews@sasktel.net or call 306.781.4067

Thank You to our Back Page Sponsors

Remember to patronize our back page sponsors. Thanks to these sponsors who have renewed their square(s) for another year:

The Town of Pilot Butte adopted:

Bylaw 03-2021 A BYLAW RESPECTING THE OPERATION OF ALL TERRAIN VEHICLES WITHIN THE CORPORATE LIMITS OF THE TOWN OF PILOT BUTTE.

ATV Registration to begin mid April and the following rules will apply:

- All ATV's operating within Town Limits must be registered and display a registration tag provided by the Town of Pilot Butte.
- Use of the travelled portion of the roadway is permitted at a maximum speed of 30km/hr.
- The Town recommends that residents use the paved streets when accessing the most direct route to and from their place of residence.
- Riders age 12-15 must be directly supervised by an adult, or hold a valid ATV course certificate.
- All Terrain Vehicles are NOT permitted at any time on Town of Pilot Butte Public Reserve land (Parks), buffer strips, walkways, and crown owned land.
- Please respect our residents and their right to quiet enjoyment of their property.

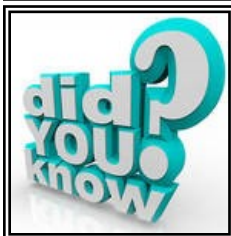

Please contact the Town Office or refer to our website for the Bylaws enforced within the Town of Pilot Butte.

...that your new home may include the header or posts for a deck. This does not indicate that a deck was included with your home build. Your builder is aware whether your deck was included with the build of your home.

If your deck is not included with the permit for your new home, a Deck Permit must be submitted and approved prior to construction.

We appreciate our resident's compliance with our Zoning Bylaw.

...that the Town now accepts credit card !!

The Town of Pilot Butte is pleased to announce that we are now accepting payments with select credit cards through our OptionPay System. Payments for Town of Pilot Butte services, including utilities, taxes, accounts receivable payments, permits/licenses and others, may be paid online or through the Town Office. Payments using an online service take 3 business days to process, please allow plenty of time before the due date to avoid interest fees. **OptionPay uses a tiered fee schedule with a minimum fee of \$2.00, please visit the [OptionPay's fee schedule](#) on our website for more information.**

Town of Pilot Butte

YARD MAINTENANCE POLICY

Purpose of policy:

The Town of Pilot Butte's Yard Maintenance Policy was created so that residents can enjoy a safe and attractive community while also creating a predictable enforcement process. The Town of Pilot Butte recognizes the importance of the appearance and amenity of the entire Town and has implemented this policy to encourage landowners to keep their lots tidy throughout the summer months. This policy will adhere to the Town of Pilot Butte Bylaw No. 14-2005.

Scope of policy:

This policy is effective throughout the entire Town on residential, commercial, industrial, institutional, and vacant lots.

Inspections:

- Grass and weeds will be monitored by the Bylaw Enforcement Officer or delegate.
- Untidy and Unsightly properties will be monitored by the Bylaw Enforcement Officer or delegate.
- If, upon inspection, the Bylaw Enforcement or delegate determines a lot requires maintenance, the Town will arrange to have the lot maintained after following the notification process stated in *Section 4: Notification*.
- Inspections of residential subdivisions will occur on the dates stated in *Schedule A: Inspection Dates*, which are subject to change annually.
- Inspections of other untidy and unsightly yards causing a nuisance will occur as complaints are received.
- ***Inspections will be done on the following dates: June 15, July 20, August 17 and September 30.***
- For more information please see the full policy at this link: [01-2020-Yard-Maintenance-Policy.pdf](https://pilotbutte.ca/01-2020-Yard-Maintenance-Policy.pdf) (pilotbutte.ca)

VOLUNTEER GROUP SPOTLIGHT FOLLOW UP - JUNE 2021

White Butte Broncos Baseball

1. Can you provide us an update on your current projects? How are they doing?

Broncos Baseball began as the Pilot Butte Minor Ball Association, circa 1996. The 100 or so players at inception grew to the 300+ we have today. At first, all AAA baseball players had to play on teams in Regina, but we have been adding AAA divisions as our registration numbers have grown. This season, we offer 18U AAA for the first time. Around 2004, softball joined the association, which was later renamed the White Butte Minor Ball Association to acknowledge the larger community we serve. Broncos Baseball and Storm Softball are two branches of this association, but retain financial independence.

Any kids in Pilot Butte who want to play ball register with White Butte Minor Ball. Typically, girls register for softball and boys register for baseball. Half of our 11U baseball games are played in Pilot Butte as there's also an 11U diamond in White City. Most of our 13U games are played in Pilot Butte, often under the lights.

2. Do you have any projects coming up in the near future you would like the community to know about?

The project we are working on now is the renovation of diamond 4 in Balgonie. 18U A and AA uses diamond 2 there. However, it is undersized by BaseballSask standards and unsuitable for AAA because of their skill and power. Because of space constraints, it makes the most sense to expand diamond 4 (a softball diamond) and then convert diamond 2 over to softball. We are currently fundraising for that project.

3. Would your service organization like to highlight the work of a specific volunteer?

If anyone is interested in Volunteering with Broncos Baseball they can contact Jeff Helchey at president@whitebutteminorball.ca.

PB Beautification Committee Update

The **2021 Communities in Bloom (CiB) Yard competition is on!** This year we have partnered with Miracle-Gro in their 2021 Miracle-Gro "Best Garden Selection" program from Scott's Canada. The program consists of Scott's Canada providing communities from across Canada 6 signs each as well as Miracle-Gro gift packages and a congratulatory letter to showcase the "Best Garden Selection" of the community. The sign features the Miracle-Gro and CiB logo. In exchange for the Miracle-Gro gift packages the top 6 recipients must agree to supply us with a picture of their garden and sign and we will send them to the CiB National Office. These pictures will then be posted on the CiB website and Facebook page as well as Scott's Miracle-Gro Facebook page. CiB will also use the photos on their website and presentations at the awards ceremonies. Please note that we will be obtaining the signed release form authorizing the appropriate rights and permission to use the photos.

If you'd like to enter your yard for evaluation please do so by June 18th with the judging to be completed June 26th (weather dependent) with June 27th being the alternate date. Please submit your name and civic address to: beautifypevents@gmail.com or you can phone Michelle at: 306 529 0197

Our evaluation criteria is as follows:

Overall Impression: tidiness and condition of property and garden, first impression – WOW factor!

Floral Display: design concept (arrangement, diversity, color), plant selection (native, local, innovative, edible, pollinator friendly), diversity of flower display and plants (flowers beds, raised beds, planters, hanging baskets, annuals, perennials, grasses, natural flora)

Maintenance: weed control, watering program, lawn care, tree and shrub maintenance

Promotion of Habitat: bird baths, feeders and houses, native plant species to promote pollinators and support insect and wildlife conservation

Environmental Harm Reduction: rain barrels to collect for irrigation, creative planter containers, outdoor furniture, use of reclaimed materials (wood, etc.), use of mulch to suppress weeds and lower watering requirements

Mother's Day fundraiser – petunia hanging baskets – SOLD OUT! Thank you to all that have supported this and past fund-raising efforts.

Pilot Butte's year-round **metal recycling bin** continues to be well used by residents. Your support will aid us in funding current and future projects. The **Community Clean Up Event** is well under way. The yard waste and refuse bins will be at the town maintenance yard until May 27th. Please continue to clean up litter in our community as every effort is appreciated.

Our pilot project of community raised vegetable garden boxes

has been extremely popular. Our gardeners have been assigned to their boxes and should be planting soon. Please know that the vegetables grown in these spaces are for those gardeners that are attending to them. Please keep your pets away. The Way of Life Church has graciously allowed us to place some beds on their garden site and we thank them for their collaborative efforts. We have one garden box still available so please call Jenelle @ 306 520 2048. The Way of Life Church may have available beds so please email Barb at: garden@wayoflifechurch.ca

The Food Forest located in the MR1 area at the Plains Development has been installed. With the unseasonably warm weather, we would appreciate any assistance we can get to keep this area well-watered. Once the plants are established, they will not need additional watering but for the first year we would gladly accept any watering assistance you may be able to give. We will have a rain barrel located on site soon. Thank you to the town staff for watering this site, every drop counts.

Are you asking, "What the heck is a food forest?" It is a deliberately designed site specific and high yielding perennial plant system for supporting human needs. All plants in this space are either edible or medicinal. We currently have the following planted in this space: apple, plum, sea buckthorn, saskatoon, highbush cranberry, ostrich fern, chives, yarrow, borage, calendula, strawberries, kinnikinnick, creeping thyme, roman chamomile, and Jerusalem artichokes with more plants to come. Harvesting by community members will be encouraged once the plants start producing. We will be mulching this area soon to help retain moisture and reduce the weeding. We are trying to source free wood chips for mulch so if you are having tree work done, we will gladly accept the chippings from this effort. Please call Jenelle @ 306 520 2048 or Denise @ 306 537 9462 if you can help with this request.

Lion's bulletin board perennial bed has been planted. Go check it out, it looks great! Thank you to the Lion's for partnering with us on this project. They have supplied the outer structure and we looked after the plantings.

Hanging baskets, recreation centre, cemetery plantings, flowers in the boulevard east of the Dosu Wok and our Community Sunflower Seed Planting Project – these items will be happening shortly.

Help us ensure our community has great looking flowerbeds and planters again this summer.

Thanks to everyone who has volunteered to assist with the Flower Beds and Planters so far.

But

Here is the situation!

We have too many volunteers for the planters and not enough for planting the beds. If a few people are willing and able to switch that would help us out. Planting is scheduled for Thurs May 27 morning & afternoon.

If weather doesn't cooperate, then May 28 & 29 are alternate dates to plant the two beds.

We need volunteers for:

- Planting the two large beds May 27th or 28th/29th
- Mulching the beds early June
- Sign up for a week or two of weeding one or both beds.

Keep a lookout for the Red Lily Beetle on your lilies. I can confirm numerous sighting's this spring. The bad news is capturing them and destroying them is about the only line of defense.

White City Garden Club has enough help this year to plant the two large flowerbeds (White City Drive & Emerald Park Road) and the 42 planters (in 19 locations) throughout our community.

We still are looking for volunteers to help spread mulch on the two main flower beds (this goes quickly with a few volunteers), approximately mid June and to sign up for weeding duty. You can volunteer for a week, (or weeks) when you inspect one or both beds and remove any weeds. A schedule is set up with two volunteers assigned to each week of the summer where they are responsible for a quick (usually only 20 minutes or less) weeding of one or both beds. Volunteers can weed at any convenient time during their week.

If you are interested and available to help, please contact wgcg2011@gmail.com stating your availability for either mulching and/or weeding.

Community Garden

Now Growing!

Way of Life wants to thank everyone who had offered support and encouragement for the Community Garden Project.

The project converted our front lawn into a series of garden boxes where residents can grow food for themselves or to give away to others.

We are grateful to the following people and companies who helped* make the project a reality:

Beautify Pilot Butte
 Blade Contracting
 Boychuck Excavating
 Thomas Sand & Gravel
 Mr. Forster's grade 7/8 class
 Greg Ellis

Church during COVID

Way of Life is here for you, the people of our community, and our Sunday service is open to absolutely everyone.

We ask you to help us comply with SHA regulations when you come to visit. There are a few things to keep in mind:

We must sit at least 2m apart from people who are not part of our household.

All attendees need to wear masks for the entire duration of the service.

Pre-registration helps us to stay within the limit of 30 people per service. Please register at wayoflifechurch.ca

Food and drink are not allowed right now, so we don't have any snacks out or the coffee pot on. (Sorry about that!)

Services are also available live on YouTube at 10:30am on Sunday, and can be watched anytime after that.

Search "Way of Life Church Pilot Butte" on YouTube and you will find our channel.

Summer Hours

Way of Life won't be open for our usual office hours from June through to early September this year.

If you need to reach us, please leave a message on our voicemail at 306-779-1084, or send an e-mail to:

info@wayoflifechurch.ca

We **will** get back to you.

Give thanks to the God of heaven. His love endures forever. Psalm 136:26

...one stitch at a time... Angel volunteers create knitted, crocheted and quilted items of warmth for the less fortunate in the Regina area.

...one appreciated gift at a time... Angel volunteers receive warmth from their creations from the heart.

Angels 4 Warmth Inc. is a registered not-for-profit and non-denominational organization which began in 1998 with a small group of seniors in Regina North Central. Today the group has grown to 200 plus multi generational volunteers, two and three generation family members, dads included. These dedicated Angels spread the warmth with hats, mitts, scarves, cowls, slippers, shrugs, sweaters, lap robes, afghans and quilts, baby items, dish cloths and specialty items, averaging 12000 items annually to about forty approved donor recipients in the Regina area. All finished items are gifts and no finished items are sold. Angels, old friends and new friends, look forward to meeting when it will be safe to do so.

In November Angels tie 200 six-foot scarves around the trees in Victoria Park. 2021 will be the Seventh Annual **Scarves in the Park**.

Angels 4 Warmth Inc. operates from donations of yarn and quilting cottons, the occasional grant and monetary donations which are used to purchase supplies for the gifts of warmth. **Angels 4 Warmth Inc. are in need of yarn donations.** With Covid-19 restrictions in place there are no drop boxes or regular meetings at this time. Please call to arrange for safe donation: Sharlene (Pilot Butte) 306-790-7441 or Ruth (Regina) 306-543-0583.

Nicole's Preschool

May!

It's already our last news article for the school year. It went by so fast! At preschool we started off the month of May all about Transportation! Cars, planes, boats and trains were everywhere. We enjoyed making "tire track" paintings with small toy vehicles and driving them in shaving cream "mud". No worries though as the "Car Wash" was ready with toothbrushes and water to get them clean!

We put on our scientist "hats" as we explored buoyancy at the Water Table. Tin foil and other items were available for the children to create their own boats and test how many pennies each boat could hold. The funniest part is when they asked me "What are pennies?" lol! The kiddos also made bridges with cardboard and blocks and we experimented with toy cars on a giant ramp covered with different textures. That was the biggest hit of all. The giant bubble wrap stopped us "in our tracks" but it certainly was fun popping the bubbles!

The second half of the month was Rockin'! We enjoyed learning all about rocks! I told the kiddos that a long time ago before there were toy stores children only had rocks and sticks to play with lol. (My childhood—just kidding!) But those are the best toys because you can use your imagination! We all brought our own rocks to preschool to share with our friends and we sorted and counted them. We also made Pet Rocks and rock collages and sold rocks at our "Rock Store". We learned how some rocks can make marks on paper and we even tested the hardness of rocks with tiny nails just like a real geologist!

This is our last article for the year and at the end of June we normally wind up our school year with a Year-End Celebration Carnival and Potluck lunch at the local school's gymnasium. But, this year to stay safe we are going to enjoy our Carnival with our individual classes outside on the front lawn! We are also excited to bring home our Memory Boxes/Portfolios to share with our friends and family. Thank you to all the preschool families for another fantastic year of discoveries, adventures and learning! Best wishes to all my students moving on to Kindergarten. I will miss you but looking forward to welcoming back those returning in the fall and the new smiles I get to meet!

Have a wonderful summer! Mrs. Marshall

Greenall Griffins Update

May in Review | 2021

We are so grateful to the Greenall Booster Club and all of their supporters! The Booster Club has supported many initiatives within and around Greenall High School. Most recently, the Booster Club has been working to create a multi-use sports court on the east side of the school. We know that these courts will be well utilized for many years to come. Thank you Greenall Booster Club!

Congratulations to the Griffin community for raising \$1435.00 for the Terry Fox Foundation this year. This total earned us a spot in the Top 50 amounts raised in schools throughout Saskatchewan. Greenall High School and the Terry Fox Foundation thank you for your generous donations! We are proud to be part of the Griffin family.

Greenall teachers and students have been excited to share their Covid-19 vaccine selfies! Head over to our social media pages, @greenallschool for more information and to see more fun photos of this historic moment!

Greenall students Hayden and Calla were recently celebrated as Griffins of the Week. Hayden and Calla are both thoughtful, kind, hardworking, and responsible individuals who have excelled academically this year! We are so proud of them. ♥

Be COVID-Safe this Summer

Travel

- Not travelling is the best approach and if possible should only be for essential purposes.
- We recognize people within and outside the province may travel, especially if they have a recreational property in Saskatchewan.

This is not prohibited under Public Health Orders. Do not call police if you see out-of-province licence plates.

- If you are leaving Saskatchewan, know the Public Health Orders for your destination in advance. Consider getting tested prior to travelling and upon your return home.

Reduce Your Risk

- Stick close to your cabin, cottage or campsite – minimize travel when you can.
- Co-ordinate errands so you are making fewer stops.
- Keep to your household bubble.
- Visit outdoors rather than indoors – it's safer.
- Closely follow Public Health Orders, including limits for indoor and outdoor gatherings.
- Maintain physical distancing, wear a mask and practice good hand hygiene to minimize risk.

Self-isolate if you are experiencing symptoms of COVID-19, and get tested.
Get vaccinated when you are eligible and #StickItToCOVID

LOCAL
PANDEMIC COMEDY "HELL IN A HANDBASKET"
TO PREMIERE AT MOONLIGHT MOVIES DRIVE-IN
ON JUNE 24, 2021

On Thursday, June 24th, Moonlight Movies Drive-In will present a Lee Chambers double-bill.

The Pineville Heist feature from the writer & director will screen alongside a new comedy short film made in Pilot Butte, for a free charity screening to support front-line healthcare workers. Chambers, now based-in Pilot Butte, took his award-winning screenplay for **Hell in a Handbasket** from the 2020 Newark International Film Festival to camera last December with Saskatoon actor Robert Bryn Mann playing the character of Dale. A second actor, Hoyt Richards, phoned in his performance as Dr. Forester from Los Angeles. Richards, who last appeared in a Lancôme perfume commercial with Julia Roberts, is known to be considered as *'the world's first male supermodel'*.

The 5-minute comedy features Dale, a lonely research scientist in the Arctic struggling to maintain his solitary existence. With the world failing from a global pandemic, all hopes fall on Dale's shoulders as he represents the last stand for humanity.

"I made the film under lockdown conditions in a garage in Pilot Butte in the dead of winter," notes Chambers. *"It was a fun creative experiment to avoid going stir crazy under Covid-19."*

CTV Pop Culture & Film Critic Richard Crouse called the short *"icy horror with a timely edge"* and Film Threat

reviewer Alan Ng claims *"Chambers does a fantastic job creating what seems like a remote base in the Arctic. As a sort of sketch comedy, he has the timing down perfectly."*

Hell in a Handbasket premieres before the five-year anniversary retro screening of Chambers' teen thriller **The Pineville Heist**. Reviewers nicknamed the full-length thriller featuring Basil Hoffman from **The Artist** and Carl Bailey from **Django Unchained**, as *"Die Hard with a teen!"* Fourteen-year-old Aaron Stevens stumbles into the aftermath of a five-million-dollar bank heist gone wrong. Hiding under a canoe, Aaron partially catches the murder of one of the robbers. Through the chaos he sneaks away with the money and heads straight for the closest place of safety, his high school. Terrified, Aaron tells his shocking tale to Amanda Becker, his drama teacher, but it doesn't take long for one of the psychotic robbers to show up. In the locked down school, the pair are relentlessly pursued in a quest to get the money back and wipe out the evidence. The on-your-edge-of-your-seat, adrenaline rushed thriller is also a popular book with over 42,000 copies having been sold in e-book, paperback and audiobook formats. The film version has been released in over 30 countries.

Critically acclaimed, Sun Sentinel newspaper said *"The Pineville Heist is an interesting tale of greed, betrayal and bravery with exhilarating twists"*

To Our Valued and Loyal Customers

STORMY'S Mechanical has some very exciting news! 28 years ago, I followed my dream and started "STORMY'S MECHANICAL & AC." For almost three decades I have been fortunate to help people, and do what I love; "Delivering Home Comfort with Perfection!" Throughout this time, I've learned and experienced a lot, but I'm most proud of the relationships and trust I've developed with people I may otherwise not have met. I've met thousands of customers and gained many friends, and for this I am incredibly grateful.

For a while now, I've been looking to spend more time with family and friends, which can be somewhat limiting while running a business, so after much due diligence and soul searching, I am very excited to announce that Stormy's Mechanical will be merging with Welldone Mechanical Services!

When the opportunity to partner with Welldone came along, this offered me the chance to continue providing trusted service and support to my customers, while allowing me to enjoy everything life has to offer.

Sincerely,
Norm Halipchak

All of this would not have been possible if it wasn't for the support of Wendy and our kids, Carson & Kylee.

Welldone was started in Regina 56 years ago and specializes in Maintenance, Service & Retrofits. I've known the founders and owners for many years; Stormy's & Welldone have the same disciplines, business philosophies and values in regard to: Safety, 5-Star Customer Service, Accountability, and Community Engagement.

As part of Welldone's Senior Management Team, I will continue to provide my expertise and Customer Care to all my existing and new customers, along with additional products and services, for Residential, Commercial & Industrial applications to substantially reduce your carbon footprint and energy bills.

You can continue to reach me at 306-791-4822 or at my new email address: norm.halipchak@welldone.com

Thank you again for the wonderful 28 years and I'm excited to continue our friendships and business relationships in the next chapter of my life. I'm looking forward to continuing to "Earn your Trust and Your Business "

SASK LOTTERIES The **News and viewS** would like to thank the **Pilot Butte Recreation Board** in conjunction with **Sask Lotteries Assistance Grant**, for ongoing donation to our newsletter. The donation from the Rec Board enables the **News and viewS** to keep publishing and aids in local sports, culture and recreation advertising. Our continued thanks for the support!

The grant allows expansion of the **News and viewS** as necessary, with local content, assorted advertising and hopefully making it more appealing and interesting to read.

The **Town of Pilot Butte** provides financial funding as well as continued support in other ways. The Town has pledged to ensure that the **News and viewS** will publish, no matter what! Thank you to the Town for their ongoing and continuing support. It takes a tremendous financial worry off of the volunteers!

The **R.M. of Edenwold** also supplies the newsletter with financial funding and we use a portion of these funds to send copies of the newsletters to some R.M. residents.

This financial windfall (for us!) is enabling us to produce a larger, more attractive newsletter for your enjoyment. We hope that we can continue to provide a quality of newsletter that makes us the "must read" item each month.

We truly appreciate the support and could not publish without this funding along with our backpage sponsors.
