The Town of Pilot Butte adopted:

Bylaw 03-2021 A BYLAW RESPECTING THE OPERATION OF ALL TERRAIN VEHICLES WITHIN THE CORPORATE LIMITS OF THE TOWN OF PILOT BUTTE.

ATV Registration to begin mid April and the following rules will apply:

- All ATV's operating within Town Limits must be registered and display a registration tag provided by the Town of Pilot Butte.
- Use of the travelled portion of the roadway is permitted at a maximum speed of 30km/hr.
- The Town recommends that residents use the paved streets when accessing the most direct route to and from their place of residence.
- Riders age 12-15 must be directly supervised by an adult, or hold a valid ATV course certificate.
- All Terrain Vehicles are NOT permitted at any time on Town of Pilot Butte Public Reserve land (Parks), buffer strips, walkways, and crown owned land.
- Please respect our residents and their right to quiet enjoyment of their property.

Please contact the Town Office or refer to our website for the Bylaws enforced within the Town of Pilot Butte.

...that your new home may include the header or posts for a deck. This does not indicate that a deck was included with your home build. Your builder is aware whether your deck was included with the build of your home.

If your deck is not included with the permit for your new home, a Deck Permit must be submitted and approved prior to construction.

We appreciate our resident's compliance with our Zoning Bylaw.

WINTER PARKING RESTRICTIONS

Yes, that season of snow removal is coming. While we have had a lovely long summer to enjoy our boulevard parking, residents are reminded that, from November 1 to April 30, there is a 72 hour restriction on parking on Town boulevards. ** The boulevard is the Town-owned land between the edge of the paved street and your property line. Please remember that there is NEVER parking allowed on the travelled portion of the road where no curb exists. ** On streets with no curb, the boulevard may be used for parking of vehicles in daily use. The 72 hour restriction doesn't mean that you drive your vehicle around the block and re-park it. It means that you cannot store vehicles on the boulevard during the winter months. Residents must remove trailers and any other items stored or otherwise parked on the boulevards. The same thing applies to paved streets where there is a curb. ** On any street, whether there is or is not a curb, the Town appreciates that vehicles will not be parked either on the boulevard or on the pavement when snowfall is imminent. When operators are cleaning the streets, particularly after heavy snowfall, that snow has to go somewhere. The boulevards serve that purpose. The Town thanks all those residents who help us out by complying with the law. Please be assured that vehicles which are left on boulevards or on streets may be ticketed and /or towed.

Group Messaging System

The Town also has a broadcast messaging system whereby we may advise residents of upcoming events or operations of the Town. Only Town -sponsored or non – profit events are advertised in this way. Residents may receive notifications by phone, email or both. If you would like to subscribe to this service, please let us know by filling out the form below.

Choose which format you wish to be contacted with via email or phone call or both. You may at any time contact the office to discontinue this service at (306)781-4547.

YARD MAINTENANCE POLICY

Purpose of policy:

The Town of Pilot Butte's Yard Maintenance Policy was created so that residents can enjoy a safe and attractive community while also creating a predictable enforcement process. The Town of Pilot Butte recognizes the importance of the appearance and amenity of the entire Town and has implemented this policy to encourage landowners to keep their lots tidy throughout the summer months. This policy will adhere to the Town of Pilot Butte Bylaw No. 14-2005.

Scope of policy:

This policy is effective throughout the entire Town on residential, commercial, industrial, institutional, and vacant lots.

Inspections:

- Grass and weeds will be monitored by the Bylaw Enforcement Officer or delegate.
- Untidy and Unsightly properties will be monitored by the Bylaw Enforcement Officer or delegate.
- If, upon inspection, the Bylaw Enforcement or delegate determines a lot requires maintenance, the Town will arrange to have the lot maintained after following the notification process stated in *Section 4: Notification*.
- Inspections of residential subdivisions will occur on the dates stated in *Schedule A: Inspection Dates*, which are subject to change annually.
- Inspections of other untidy and unsightly yards causing a nuisance will occur as complaints are received.
- **Final Inspections will be done on September 30, 2021.**
- For more information please see the full policy at this link: [01-2020-Yard-Maintenance-Policy.pdf](https://pilotbutte.ca/01-2020-Yard-Maintenance-Policy.pdf) (pilotbutte.ca)

This program gives the community the opportunity to raise funds for childhood cancer research. Family, friends and relatives can collect tabs from beverage cans and students can bring the tabs to school, OR there is now a drop off bin at 256 8th Street. This is a very easy way for everyone to help out.

MUNICIPAL DISTRICT OF EDENWOLD

A Municipal District is a type of municipality (like Rural Municipality, Village, Town, or City) created when two or more municipalities choose to come together, pool their resources, and create an entirely new entity. "Unlike RM's or Villages/Towns/Cities solely considered rural or urban, a Municipal District is regarded as both! " By being considered both urban and rural in the province's eyes, Municipal District's benefits by having access to services and programs that would be otherwise restricted.

While mentioned in provincial law, there are currently no Municipal Districts in Saskatchewan – thus, the MD of Edenwold would be the first of its kind in the province! "It will create net efficiencies; it would not compromise the service provided to residents and businesses, creating more effective services flow."

WHY WOULD TWO MUNICIPALITIES JOIN FORCES TO BECOME ONE?

We can realize the following benefits through the formation of a Municipal District:

1. Administrative efficiencies and more flexibility.
2. Savings through economies of scale.
3. Service level improvements gained through the sharing of equipment and assets.
4. Opportunities to explore options to broaden and enhance services and operations.

FOR MORE INFORMATION :

Village and RM Staff and Council would like to invite you to an open house to learn more about the MD and answer any questions you have.

Inclusion

Is your church an inclusive, open-minded group, or an exclusive club for insiders? We get that kind of question a lot.

The words below are taken from our Statement of Inclusion, which is on our website: wayoflifechurch.ca:

WE BELIEVE in the worth of every person. We believe all are created by God and therefore all have equal value. No one's value depends on their age, gender, belief system, ethnic background, orientation, skin colour or any other category used to divide and separate people.

Our services are open to everyone every Sunday. If you want to get to know God or get to know us, you are welcome here.

Church during COVID

Way of Life services happen each Sunday at 10:30 in our auditorium and stream live on our YouTube channel. We're happy to have you take part in the way that suits you best.

Under the new health rules announced September 16th, non-medical masks are required to be worn while you are in the building.

To further help reduce the spread of the virus we are not serving food or drink at this time. We continue to clean and sanitize regularly for your protection.

We know that self-isolating can be a strain for those of you awaiting test results or dealing with COVID. If you need someone to bring essential supplies, we have volunteers that can help. Contact us and we'll be happy to give you a hand.

Together, we'll get through this!

Office Hours

Office hours are Tuesday to Friday, 9am to 4pm (Closed for lunch).

Way of Life is more than a building, we are people building community.

If we can assist you in time of need, please contact Pastor Norm.

Be joyful in hope, patient in affliction, and faithful in prayer. Romans 12:12

...one stitch at a time... Angel volunteers create knitted, crocheted and quilted items of warmth for the less fortunate in the Regina area.

...one appreciated gift at a time... Angel volunteers receive warmth from their creations from the heart.

Angels 4 Warmth Inc. is a registered not-for-profit and non-denominational organization which began in 1998 with a small group of seniors in Regina North Central. Today the group has grown to 200 plus multi generational volunteers, two and three generation family members, dads included. These dedicated Angels spread the warmth with hats, mitts, scarves, cowls, slippers, shrugs, sweaters, lap robes, afghans and quilts, baby items, dish cloths and specialty items, averaging 12000 items annually to about forty approved donor recipients in the Regina area. All finished items are gifts and no finished items are sold. Angels, old friends and new friends, look forward to meeting when it will be safe to do so.

In November Angels tie 200 six-foot scarves around the trees in Victoria Park. 2021 will be the Seventh Annual **Scarves in the Park**.

Angels 4 Warmth Inc. operates from donations of yarn and quilting cottons, the occasional grant and monetary donations which are used to purchase supplies for the gifts of warmth. **Angels 4 Warmth Inc. are in need of yarn donations.** There is a **Drop Box** for yarn and quilting cottons located in the **Recreation Centre Lobby**.

Nicole's Preschool

**SEPTEMBER 2021**

The excited chatter of children filled our days at pre-school this month as the preschoolers settled in to a new year! They busied themselves getting acquainted with the classroom and its routines and enjoyed the friendship of both old and new classmates. This September started off, as is expected, with a whirlwind of emotions! Meeting new people, getting to know a new place and even learning how to open our snack can be a tricky experience! But we're on our way ready and eager to discover, explore and welcome our year ahead!

Some of September's highlights included getting to know ourselves better. Squeaky, the squirrel, Snowy, the lamb, and Story Mouse also stopped by to help us better understand our emotions and the importance of paying attention to the feelings of others. Studies have shown that children who have effective and satisfying social interactions also tend to do better in other areas of their lives such as in future academic success. Our puppet friends spent time teaching these important social skills to help us springboard into the learning adventures awaiting us!

As the month closes we are looking forward to studying the signs of autumn as the seasons begin to change once more. Have a great month and Happy Fall everyone!

Mrs. Marshall

Greenall Griffins

Update

September in Review | 2021

Greenall students once again had the opportunity to participate in Student Vote. Student Vote is a parallel election that runs alongside the 44th Federal Election. Students learned about democracy, party platforms and candidates before casting their own secret ballot. Results from hundreds of thousands of students across Canada are released after the official election results are in!

Congratulations to Griffin of the week Cole. Cole is described as kind, inclusive and extremely hardworking! We are proud that he is a part of the Griffin family!

Griffin Football had their first game of the season on September 15 at Leibel field. Greenall was successful in securing their victory against the Johnson Wildcats, with a final score of 46 to 0 for Greenall.

Greenall teachers really took the Tacky Tourist Spirit day to the next level with these outfits! Our Welcome Back School Spirit Week was organized by the SLC.

Also, Greenall would like to extend a HUGE THANK YOU to the Booster Club and all of their supporters for their work on the courts on the east side of the school!

Greenall School Community Council Annual General Meeting is Oct. 13th @ 6PM in the Greenall Library.

The **News and viewS** would like to thank the **Pilot Butte Recreation Board** in conjunction with **Sask Lotteries Assistance Grant**, for ongoing donation to our newsletter. The donation from the Rec Board enables the **News and viewS** to keep publishing and aids in local sports, culture and recreation advertising. Our continued thanks for the support!

The grant allows expansion of the **News and viewS** as necessary, with local content, assorted advertising and hopefully making it more appealing and interesting to read.

The **Town of Pilot Butte** provides financial funding as well as continued support in other ways. The Town has pledged to ensure that the **News and viewS** will publish, no matter what! Thank you to the Town for their ongoing and continuing support. It takes a tremendous financial worry off of the volunteers!

The **R.M. of Edenwold** also supplies the newsletter with financial funding and we use a portion of these funds to send copies of the newsletters to some R.M. residents.

This financial windfall (for us!) is enabling us to produce a larger, more attractive newsletter for your enjoyment. We hope that we can continue to provide a quality of newsletter that makes us the "must read" item each month.

We truly appreciate the support and could not publish without this funding along with our backpage sponsors.
