Ribbon Skirt Class

**Pilot Butte Public
Library Branch**

**October 5, 12 & 19, 2021
6 to 8 pm**

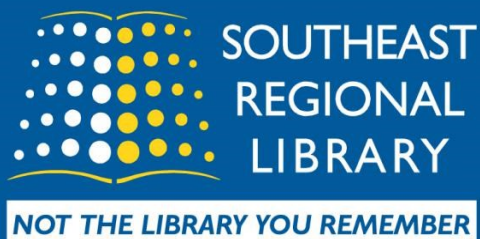

SaskCulture is sponsoring Culture Days Hubs around the province to support the continued success of Culture Days in Saskatchewan, which will be held September 24 to October 24, 2021. The Library applied for sponsorship to SaskCulture with their community partner, the Pilot Butte Arts and both were approved. The Library will be offering a ribbon skirt making class, at **NO CHARGE**. All materials (must have your own sewing machine) will be supplied for a person to make their own ribbon skirt in the comfort of their home.

The Library and the Board were moved by the story of the young girl who was shamed for wearing her ribbon skirt to a formal school function. Education and promotion are integral to showing people why a ribbon skirt or shirt have significance to Indigenous people. Many other cultures have traditional dress that has meaning to them.

Ribbon skirts are historical and traditional clothing that honour First Nations heritage. It is also a symbol of resilience, sacredness and survival and can be worn anytime as well as for formal occasions.

WWW.SOUTHEASTLIBRARY.CA

Join us in making your own ribbon skirt. Materials will be handed out the first night of the class. You can arrange for pickup prior to or come down the first night - Tuesday, Oct. 5/21
Printed directions will be available along with a video available for viewing anytime on Youtube.

Please register by September 30th. Thank you.

BACK TO SCHOOL SAFETY TIPS- STUDENTS

Look all ways before you cross the street. Cars can come around corners really fast. They also drive very fast and you must be very sure it is safe, before crossing the street.

Keep away from Parked cars. People driving cars can't see people in between other cars. They expect people to be at corners.

Ride your bike safely ~ Obey signs and signals. I bet you can ride your bike safely. Do you remember all the proper signals to turn and stop? I am sure that you know what the big street signs and traffic lights mean too! Then with your helmet on, you are riding your bike safely.

Play in a safe place away from the street. Streets are for cars. Parks are for playing. You can also play safe in your yard with mom or dad.

Walk when you cross the street. Do you know why you should walk when you cross the street? It is easier for the drivers of the vehicles to see you. It is also safer so that you don't fall down.

Where there is no sidewalk, walk on the left, facing traffic. Of course, it is always best to use a sidewalk. Do you have streets with no sidewalks in your neighbourhood? Then always walk facing traffic and watching traffic. That way, if you see a vehicle coming and the driver does not seem to see you ... you can always move over. Don't take a chance, move safely over and give lots of room between you and the car.

Always wear your seat-belt in the car. I know that you know this rule! Make sure you are wearing your seat-belt properly and know that you are safe.

BACK TO SCHOOL DRIVING TIPS

- Obey Speed Limits and School Zone Signs

- Drivers should wait until pedestrians and crossing guards have safely finished crossing the road and are on the sidewalk or pathway.

- Drivers should scan the area to for children walking or biking. Children can dart out from between parked cars.

Under this bylaw, residents and businesses will receive one warning before being fined up to \$250 for each false alarm. The RM hopes that by putting in place this bylaw, first responders will be able to respond to emergency calls more efficiently while providing an essential service to the community.

The RM is excited to announce the Emerald Park Farmers' Market. This weekly market will feature goods from local farmers, craftspeople, and artisans. It runs Fridays 9am to 2pm, from August 13th to September 17th in Kuzmich Commemorative Park (the Soccer Field).

The first 20 people each day to take a photo in the RM's fun cut-out and share it on social media will win \$10 in Market Dollars that can go towards a purchase with any vendor. Make sure to save the dates, you won't want to miss out!

Here for you

It is with great pleasure that we can once again welcome our community to the church! We are thankful that we have the opportunity to serve the community in a more "personal way". The church is hosting in church services Sundays starting at 10:30 am as well as online at Youtube.

This means no more pre-registration for services, no more required masking or building entry requirements or "social distancing". Please know that everyone is still free to participate as they feel comfortable. If you desire to wear a mask it is up to you. We do understand that the lifting of restrictions will remain in effect until such a time for change is deemed necessary. As always, if you are not feeling well please remain at home, or seek medical attention until you are better. We are praying for fullness of health for our community, country and world.

Again, we are keenly aware that there may be differing opinions/feelings around the lifting of these restrictions. In light of this, individual protocols felt necessary for personal comfort and safety are encouraged at this time. Masks, and sanitizer will be made available for those who wish to access them.

We know that love, respect, and compassion for one another, will be exhibited as we come together. We pray that Philippians 2:1-4 deeply resonates in each of our hearts.

Therefore if you have any encouragement from being united with Christ, if any comfort from his love, if any common sharing in the Spirit, if any tenderness and compassion, then make my joy complete by being like-minded, having the same love, being one in spirit and of one mind. Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourselves, not looking to your own interests but each of you to the interests of the others.
Phil 2:1-4

May God bless you all and keep you safe and healthy.

We look forward to seeing you soon. If you have any questions, please do not hesitate to contact us by any one (or more) of the methods listed. We look forward to hearing from you!

Lord, be gracious to us; we long for you. Be our strength every morning, our salvation in time of distress. Isaiah 33:2

...one stitch at a time... Angel volunteers create knitted, crocheted and quilted items of warmth for the less fortunate in the Regina area.

...one appreciated gift at a time... Angel volunteers receive warmth from their creations from the heart.

Angels 4 Warmth Inc. is a registered not-for-profit and non-denominational organization which began in 1998 with a small group of seniors in Regina North Central. Today the group has grown to 200 plus multi generational volunteers, two and three generation family members, dads included. These dedicated Angels spread the warmth with hats, mitts, scarves, cowls, slippers, shrugs, sweaters, lap robes, afghans and quilts, baby items, dish cloths and specialty items, averaging 12000 items annually to about forty approved donor recipients in the Regina area. All finished items are gifts and no finished items are sold. Angels, old friends and new friends, look forward to meeting when it will be safe to do so.

In November Angels tie 200 six-foot scarves around the trees in Victoria Park. 2021 will be the Seventh Annual **Scarves in the Park**.

Angels 4 Warmth Inc. operates from donations of yarn and quilting cottons, the occasional grant and monetary donations which are used to purchase supplies for the gifts of warmth. **Angels 4 Warmth Inc. are in need of yarn donations.** With Covid-19 restrictions in place there are no drop boxes or regular meetings at this time. Please call to arrange for safe donation: Sharlene (Pilot Butte) 306-790-7441 or Ruth (Regina) 306-543-0583.

Mrs. M's Best Ever Play Dough Recipe!

The **benefits of using play dough for young children are wonderful** and the play possibilities are endless! Here's my favourite recipe!

Ingredients:

- 2 cups plain flour (all purpose)
- 2 tablespoons vegetable oil
- 1/2 cup salt
- 2 tablespoons cream of tartar
- Up to 1.5 cups boiling water (adding in increments until it feels just right)
- food colouring (optional) Or 2 pkgs. Unsweetened Kool-Aid

Method:

Mix the flour, salt, cream of tartar and oil in a large mixing bowl

Add food colouring TO the boiling water then into the dry ingredients

Stir continuously until it becomes a sticky, combined dough

Allow it to cool down then take it out of the bowl and knead it vigorously for a couple of minutes until all of the stickiness has gone. * This is the most important part of the process, so keep at it until it's the perfect consistency

*(If it remains a little sticky then add a touch more flour until just right)

The **News and viewS** would like to thank the **Pilot Butte Recreation Board** in conjunction with **Sask Lotteries Assistance Grant**, for ongoing donation to our newsletter. The donation from the Rec Board enables the **News and viewS** to keep publishing and aids in local sports, culture and recreation advertising. Our continued thanks for the support!

The grant allows expansion of the **News and viewS** as necessary, with local content, assorted advertising and hopefully making it more appealing and interesting to read.

The **Town of Pilot Butte** provides financial funding as well as continued support in other ways. The Town has pledged to ensure that the **News and viewS** will publish, no matter what! Thank you to the Town for their ongoing and continuing support. It takes a tremendous financial worry off of the volunteers!

The **R.M. of Edenwold** also supplies the newsletter with financial funding and we use a portion of these funds to send copies of the newsletters to some R.M. residents.

This financial windfall (for us!) is enabling us to produce a larger, more attractive newsletter for your enjoyment. We hope that we can continue to provide a quality of newsletter that makes us the "must read" item each month.

We truly appreciate the support and could not publish without this funding along with our backspace sponsors.
