- All Terrain Vehicles are NOT permitted at any time on Town of Pilot Butte Public Reserve land (Parks), buffer strips, walkways, and crown owned land.

Please contact the Town Office or refer to our website for the Bylaws enforced within the Town of Pilot Butte.

WINTER PARKING RESTRICTIONS

Yes, that season of snow removal is coming. While we have had a lovely long summer to enjoy our boulevard parking, residents are reminded that, from November 1 to April 30, there is a 72 hour restriction on parking on Town boulevards. ** The boulevard is the Town-owned land between the edge of the paved street and your property line. Please remember that there is NEVER parking allowed on the travelled portion of the road where no curb exists. ** On streets with no curb, the boulevard may be used for parking of vehicles in daily use. The 72 hour restriction doesn't mean that you drive your vehicle around the block and re-park it. It means that you cannot store vehicles on the boulevard during the winter months.

Residents must remove trailers and any other items stored or otherwise parked on the boulevards. The same thing applies to paved streets where there is a curb. ** On any street, whether there is or is not a curb, the Town appreciates that vehicles will not be parked either on the boulevard or on the pavement when snowfall is imminent. When operators are cleaning the streets, particularly after heavy snowfall, that snow has to go somewhere. The boulevards serve that purpose. The Town thanks all those residents who help us out by complying with the law. Please be assured that vehicles which are left on boulevards or on streets may be ticketed and /or towed.

Group Messaging System

The Town also has a broadcast messaging system whereby we may advise residents of upcoming events or operations of the Town. Only Town -sponsored or non – profit events are advertised in this way. Residents may receive notifications by phone, email or both. If you would like to subscribe to this service, please let us know by filling out the form below.

Choose which format you wish to be contacted with via email or phone call or both. You may at any time contact the office to discontinue this service at (306)781-4547.

ORGANICS & COMPOSTING COLLECTION PROGRAM

Our new program is under way and we would like to remind all residents of the items that are accepted and the items that are not.

Wood and tree limbs have become an issue in the composting process, so we want to be more clear on these particular items. **NO construction material can be placed in the green cart – specifically, Lumber. NO tree limbs larger than 1' thick or longer than 2 feet are to be placed in the green cart.**

With the new process, a grinder is used at one of the stages and it is not able to break down large pieces of wood.

Thank you for helping make the program run effectively.

Loraas 306-721-1000

www.loraasdisposal.com

Transverto

www.transverto.ca

Reminder: Compost

Collection will be reduced to the first Monday of every month starting November 1st to March 1st 2022

There are occasions when the collections for garbage, recycling and compost are delayed and carts are not emptied at the usual times of day. A change of driver, or route; a mechanical failure, any number of things may delay the service. Loraas advises that THERE WILL ALWAYS BE SERVICE. Unless inclement weather makes travelling unsafe, the truck will always come eventually. It may be later that evening, it may be the next morning, but the carts will be emptied. You are always welcome to contact the Town office if your cart has not been collected by the morning of the next day. Occasionally the odd cart or street is missed, but it is not abnormal for the whole town to receive service much later than the usual time. If is very windy, you may want to bring your cart in for the night and replace it the next morning.

Remember, too, that Loraas provides service on Mondays and Thursdays regardless of holidays

Thank you all!

The RM of Edenwold welcomed **Hon. Christine Tell** and **Hon. Don McMorris** to celebrate the ground-breaking of the Emerald Park Fire Hall. We are grateful that they were able to attend.

Special thanks go to all our ratepayers, regional Fire Chiefs, and volunteer firefighters from Balgonie, Kronau, Pilot Butte, the Village of Edenwold, and the RM of Edenwold. We'd also like to thank the elected leaders from neighbouring communities who attended, including **Chief Cadmus Delorme** of Cowessess First Nations who attended the function. Your presence at the event was a sign of solidarity and of your commitment towards regional cooperation. Thank you for attending, giving some great speeches, and making the event memorable!

Greetings from Hon. Christine Tell

Thank you for inviting me to attend this wonderful occasion.

I'd like to start by congratulating Reeve Mitchell Huber, R.M. administrator Karen Zaharia, Chief Kevin Dell, and everyone from the RM of Edenwold who worked so hard for over 10 years to make this Fire Hall become a reality.

Today we celebrate the culmination of a major infrastructure project that will enhance public safety for the residents not only of Emerald Park, but also White City, Kronau, Balgonie, the R.M. of Edenwold, and rural areas.

This project is a prime example of making public safety and the needs of your citizens a priority.

This new location will allow fire services to have

greater service delivery in the surrounding area.

This facility is an investment in improving the lives of your residents and future generations – and I have no doubt that this investment will pay off through improved fire services, reduced property loss and prevent critical injury and loss of life.

I want to take this opportunity to say a few words to the volunteer firefighters, both present

and future, in attendance here today.

I want to personally thank you for the time that you dedicate to training and preparing for when you will be called upon to put your skills, and sometimes your lives, on the line.

You are a valued part of this community and residents recognize and appreciate your dedication and the sacrifices you make.

Thank you for committing so much of your valuable time and resources to making your community a safer place to live and work.

Thank you for inviting me to this momentous occasion and I look forward to seeing the new fire hall when it is finished.

Greetings from Hon. Don McMorris

Good afternoon. I am Don McMorris, Saskatchewan's Minister of Government Relations.

On behalf of Premier Scott Moe, and the Government of Saskatchewan, it's wonderful to be here.

I would like to recognize the other dignitaries who are here today: My cabinet colleague the Honourable Christine Tell, Chief Cadmus Delorme of Cowessess. His Worship Frank Thauberg, Mayor of Balgonie. Her Worship Peggy Chorney, Mayor of Pilot Butte. His Worship Dean Josephson, Mayor of the Village of Edenwold. And The RM of Edenwold's Council members.

And of course a big thank you to everyone here for hosting today's

event and taking the time to participate.

Our province continues to make significant investments in infrastructure, job creation and local economies to help communities recover from the effects of the pandemic.

In 2021 alone, the Ministry of Government Relations has announced more than \$202 million in provincial funding under the Investing In Canada Infra-

structure Program to support more than 180 projects across Saskatchewan.

We are gathered today for the ceremonial groundbreaking of the RM of Edenwold's new fire hall. Our government has contributed towards this project by providing \$225,000 through the Municipal Economic Enhancement Program (MEEP).

This new fire hall will improve quality of life for all who call the RM of Edenwold home and will compliment other fire services in the region, and position the area for further growth.

I am confident this project, like many others, will make this community a better and safer place.

Thank you.

SEASON'S GREETINGS FROM THE PILOT "BUTTTE"IFICATION COMMITTEE

A quick update on the busy year that was 2021!

Planning and installation of the following:

- Food Forest in The Plains development
- Raised Community Garden beds (18) and rain barrels (donation by the Pilot Butte Rodeo Committee)
- A new perennial planting area under the Lion's bulletin board
- A new flowerbed beside the Dosu Wok
- 1st Ave pathway plantings – 8 apple trees, 8 saskatoons

Partners with:

- The Spray Park landscaping project
- Continued involvement with Dutch Industries and the Town's design and install of a gazebo at the Spray Park
- The Golden Sunset flowerbed was rejuvenated
- The Catholic Church – Bonnie you did a terrific job totally refreshing their sign!

Our annual projects:

- Mother's Day Fundraiser – SOLD OUT! Yippee!!!
- Annual plantings at Inland Park including the large planters
- Coordination of the hanging baskets and flowers at the cemetery
- 2nd Annual Garden Competition
- Year-round metal recycling bin fundraising continues (location – town maintenance yard)
- Weeding!!!! OMG! The weeding, it's never ending

We are so grateful for all the support from the Mayor, Town Council, Administration and town staff, the Way of Life Church, the Pilot Butte & District Lion's Club, the Golden Sunset Senior's Club, and the Pilot Butte Rodeo Committee. We have to say a very special thank you to all town staff that had anything to do with the watering program this year! You've done an amazing job and without you everything would have surely died.

We have worked with some terrific local companies over the past year, and we'd like to thank them for their assistance: Dutch Industries, Inland Concrete, Tilley's Tree Service, T&S Greenhouse and Nursery, Sherwood Greenhouse, Security Building Supplies, Thrive Design, Home Hardware (Emerald Park),

Our committee is blessed with so many talented and hard-working individuals without whom our efforts would not be possible. Thank you to all our committee members and "worker bees" that are equally deserving of our gratitude. We encourage all residents to come out and support our efforts. We had a terrific planting day at the Spray Park, we had a couple of outings at the Food Forest and when we planted trees along the 1st Ave pathway where residents joined us, rolled up their sleeves, donned shovels and pitched in. We hope to see more of this as the years go by. It's efforts like this that create the "small town" atmosphere we all enjoy in our community.

Please consider joining our small but mighty group, it's a great way to give back! Contact us at beautifypb@gmail.com for more information.

WISHING ALL PILOT BUTTE AND AREA RESIDENTS THE VERY BEST IN 2022 FROM JEAN, GREG, MICHELLE, MARGARET, GREG, JADA, JENELLE, KURT, BONNIE, WAYNE, SCOTT AND DENISE!

And she gave birth to her firstborn son; and she wrapped Him in cloths, and laid Him in a manger, because there was no room for them in the inn. And there were shepherds out in the field, keeping watch by night. And an angel of the Lord appeared to them, and the glory of the Lord shone around them. - Luke 2:7-9

...one stitch at a time... Angel volunteers create knitted, crocheted and quilted items of warmth for the less fortunate in the Regina area.

...one appreciated gift at a time... Angel volunteers receive warmth from their creations from the heart.

Angels 4 Warmth Inc. is a registered not-for-profit and non-denominational organization which began in 1998 with a small group of seniors in Regina North Central. Today the group has grown to 200 plus multi generational volunteers, two and three generation family members, dads included. These dedicated Angels spread the warmth with hats, mitts, scarves, cowls, slippers, shrugs, sweaters, lap robes, afghans and quilts, baby items, dish cloths and specialty items, averaging 12000 items annually to about forty approved donor recipients in the Regina area. All finished items are gifts and no finished items are sold. Angels, old friends and new friends, look forward to meeting when it will be safe to do so.

In November Angels tie 200 six-foot scarves around the trees in Victoria Park. 2021 will be the Seventh Annual **Scarves in the Park**.

Angels 4 Warmth Inc. operates from donations of yarn and quilting cottons, the occasional grant and monetary donations which are used to purchase supplies for the gifts of warmth. **Angels 4 Warmth Inc. are in need of yarn donations.** There is a **Drop Box** for yarn and quilting cottons located in the **Recreation Centre Lobby**.

Silver for Gold

Pilot Butte School supports "Silver for Gold" by collecting pop can tabs. This program gives the community the opportunity to raise funds for childhood cancer research. Family, friends and relatives can collect tabs from beverage cans and students can bring the tabs to school, OR there is a drop off bin at 256 8th Street. This is a very easy way for everyone to help out.

Nicole's Preschool

NOVEMBER!

nicolespreschool@sasktel.net

While winter made its arrival this month the preschoolers made their way to the "ocean" to take a closer look at the many sea creatures that call the ocean home. Our magnificent oceans are filled with such a variety of beautiful and mysterious life! To investigate our sea creatures we explored many books, interviewed our parents, observed our classroom aquarium fish and even used Mrs. M's iPad (with her help of course!) to discover as much information as we could. We learned about the different types of fish in the ocean, sharks, ocean mammals, jellyfish, and even scuba divers!

I must admit that even I learned something new from this topic. We thought it would be fun to test YOUR "Ocean IQ" with a few facts we uncovered about our ocean friends. The answers are at the end. Good luck!

"Are You as Smart as a Preschooler?"

1. This sea creature has a beak to help open its food.
2. This animal's skeleton is on the outside of its body.
3. Some animals in this species need to keep moving in the water in order to breathe.
4. This ocean animal squirts water from its mouth to propel itself forward.
5. The Leatherback is the largest of this species weighing up to 1500 pounds and eight feet in length.
6. This animal can re-grow an arm if it is bitten off by a fish.

(Answers: 1. octopus, 2. sea snail, 3. sharks, 4. jellyfish, 5. sea turtle, 6. starfish.)

See you next month!
Mrs. Marshall

AT HOME OCEAN FUN!

Hotdog Octopus - Slice a hotdog in half long way about $\frac{3}{4}$ of the way up the hotdog. Slice each of those slices in half, making 4 legs. Now slice each of the 4 legs in half to make 8 legs. Boil the hotdog to make the legs curl up like an octopus.

Baggie Ocean Scene - Open a ziplock bag and squirt some gel toothpaste inside. Remove as much air as possible and seal it. Move the toothpaste around inside the bag to coat the inside. Glue ocean shapes or stick stickers to the outside of the bag.

Thank you to the Prairie Summit Shop for your continued support!

ENTREPRENEURSHIP 30 UPDATE

Entrepreneurship 30 has been busy! On Nov 2 the class was treated to a special Zoom guest presenter, Sarah McAllister from Go Clean Co. Sarah shared her entrepreneurial story and left the students with many business lessons. The class is now completing board meetings and are ready to start up their mini ventures in class.

Thr33 (pictured at the board room table) will be selling toques and hot chocolate bombs with toques and proceeds being donated to St. Paul's Cathedral. Angels and Halos (pictured in the hallway) will be selling hoodies and bracelets with a percentage of proceeds being donated to a mental health organization. Emerald Gifts (will have a picture after their board meeting Monday) will be selling Christmas-themed gift baskets.

The **News and viewS** would like to thank the **Pilot Butte Recreation Board** in conjunction with **Sask Lotteries Assistance Grant**, for ongoing donation to our newsletter. The donation from the Rec Board enables the **News and viewS** to keep publishing and aids in local sports, culture and recreation advertising. Our continued thanks for the support!

The grant allows expansion of the **News and viewS** as necessary, with local content, assorted advertising and hopefully making it more appealing and interesting to read.

The **Town of Pilot Butte** provides financial funding as well as continued support in other ways. The Town has pledged to ensure that the **News and viewS** will publish, no matter what! Thank you to the Town for their ongoing and continuing support. It takes a tremendous financial worry off of the volunteers!

The **R.M. of Edenwold** also supplies the newsletter with financial funding and we use a portion of these funds to send copies of the newsletters to some R.M. residents.

This financial windfall (for us!) is enabling us to produce a larger, more attractive newsletter for your enjoyment. We hope that we can continue to provide a quality of newsletter that makes us the "must read" item each month.

We truly appreciate the support and could not publish without this funding along with our backspace sponsors.
