### WINTER PARKING RESTRICTIONS

The Town reminds residents that Town boulevards are provided to residents for the parking of vehicles which are in daily use and that boulevards are never intended for storage of campers, automobiles, trailers, boats or any other items owned by residents.

As winter approaches, the Town expects that all vehicles, etc. except those in daily use will be removed from boulevards for the facilitation of operations of the Town (e.g. snow removal). The Town Operation of Vehicles Bylaw 13-2011 allows for vehicles to be parked on boulevards for periods not exceeding 72 hours during the winter months. **AT NO TIME** may vehicles be parked for periods **longer than 72 hours** on the pavement of any curbed street and may never be parked on the pavement of a street with no curb.

During times of imminent snowfall, the Town hopes that residents will be mindful of the safety of the Town workers and their own property by removing vehicles from both street and boulevard, curbed or otherwise.

When snowfall is heavy, there are going to be times when it is not possible for the grader to clean street without leaving some ridge of snow across the ends of driveways. The priority is to have the streets cleared and passable. If time and manpower allow, the Town may clear significant ridges once streets are all cleared. It is not reasonable to expect that whole frontages will remain cleared of a snow ridge. That snow that you don't want in your driveway has to go somewhere and part of the purpose of Town-owned boulevards is to provide that option. Part of the privilege of using the boulevard is for you to keep it clear for your own use.

The Town thanks all residents who comply with parking restrictions and keep our maintenance workers safe.

### Tax Note

Residents are reminded that 2021 taxes are due by December 31, 2021. As of January 1<sup>st</sup> of the following year, taxes are in arrears and interest will be applied on a monthly basis.

2020 taxes are considered in arrears and will be subject to a tax lien after December 28, 2021 as per The Tax Enforcement List dated October 21, 2021 and posted as required.

Please note that the Town Office will be closed early (at 12 noon) on December 31<sup>st</sup>. If you are planning to pay your taxes in person on that date, please ensure you arrive between the hours of 9 am to 12 noon. If paying online, please ensure your payment is sent 2 to 3 days prior to December 31<sup>st</sup>. If by mail, the cheque must be received in the Town Office by 5 pm on December 31<sup>st</sup>. ## ***A Message from the Mayor of Pilot Butte***

For many, the Christmas and New Year season is a time of year when we share special moments with our family, friends and loved ones. We also look ahead to a new year filled with promise and opportunity.

As I reflect upon 2021, I acknowledge that the last year has been challenging for us all. I do however, give gratitude for the way our community has been working together and supporting each other during the pandemic. In many respects, this is the true spirit of Christmas.

I would like to express my appreciation to all Town of Pilot Butte employees for your dedication, commitment, and service to our community. The outstanding work you perform each and every day meeting the needs of our neighbors enhances quality of life and exemplifies what building community is all about.

I would like to take this opportunity to pay tribute to all community volunteers whose unwavering dedication to serving our community is truly appreciated. A small town such as ours depends heavily on the many talents and time unselfishly shared by these remarkable individuals and groups. Special recognition and warm thanks are extended to our volunteer fire department and first responders who give of their time and keep us safe.

As the New Year approaches, we look forward to new and exciting opportunities that lie ahead. As Mayor of Pilot Butte and on behalf of Council, we remain committed to building a strong, safe and prosperous community.

My warmest wishes to you and your loved ones.

I hope this season fills you with faith, renewed hope, peace and good health.

Have a blessed Christmas.

Peggy Chorney

Mayor of Pilot Butte

## A NOTE ABOUT WASTE COLLECTION

### Reminder: Compost

Collection will be reduced to the first Monday of every month starting  
**November 1st to March 1st 2022**

There are occasions when the collections for garbage, recycling and compost are delayed and carts are not emptied at the usual times of day. A change of driver, or route; a mechanical failure, any number of things may delay the service. Loraas advises that **THERE WILL ALWAYS BE SERVICE**. Unless inclement weather makes travelling unsafe, the truck will always come eventually. It may be later that evening, it may be the next morning, but the carts will be emptied. You are always welcome to contact the Town office if your cart has not been collected by the morning of the next day. Occasionally the odd cart or street is missed, but it is not abnormal for the whole town to receive service much later than the usual time. If is very windy, you may want to bring your cart in for the night and replace it the next morning. **Remember, too, that Loraas provides service on Mondays and Thursdays regardless of holidays**

# RM of Edenwold No. 158

## 2021 Highlights - Year in Review

**RM of EDENWOLD**

Emerald Park, SK  
S4L 1C6  
(306) 771-2522  
info@edenwold-sk.ca

### Emerald Park Fire Hall

In late 2021, the RM began construction on the Emerald Park Fire Hall. This fire hall will provide improved emergency services in the Emerald Park area, and support increased industrial and residential development in the region.

The RM has been raising funds for this project since 2008, and there are no anticipated increases in taxes due to its construction or operation. By becoming an active member in providing emergency services, the RM will be better positioned to provide long-term municipal financial sustainability and strengthen regional emergency services.

### New Bylaws

These bylaws apply to all RM residents, visitors, and businesses. To review all RM bylaws, visit the RM website at [www.rmedenwold.ca](http://www.rmedenwold.ca)

- > Food Truck Bylaw (2021-15)
- > Swimming Pool Bylaw (2021-32)
- > False Alarm Bylaw (2021-42)
- > Nuisance & Noise Bylaw (2021-44)

### Strategic Plan

The year 2021 also brought forward the RM's first Strategic Plan. This document will guide municipal decision making for the next 5 years and outlines several priorities for the municipality, including:

- > Collaborative Community-Building
- > Economic Diversity & Prosperity
- > Livable Community
- > Municipal Leadership

To learn more about the Strategic Plan, visit the RM's new website at [www.rmedenwold.ca](http://www.rmedenwold.ca)

### Municipal District

The RM and Village of Edenwold have spent 2021 working together to create the province's first Municipal District. By collaborating and choosing to come together, the new Municipal District (MD) will gain access to new services, provincial funding opportunities, and other benefits.

RM staff are organising an MD Open House for January 6th, 2022. This open house will be at the RM Office in Emerald Park from 3 to 8 pm. Please stop by anytime to ask questions and learn more about the Municipal District.

# HAPPY NEW YEAR!

## Christmas Thank-You's

At the advertising cut-off on December 15th, we've received requests from 10 families for Christmas hampers. Without the generous donations of church and community members, we wouldn't be able to help spread the love of Christmas to these 50 neighbours.

We want to say THANK YOU to everyone who gave. No matter how big or small, your donation made a difference! You make our community a better place to live!

*Please note: if you or someone you know has a need for food at any time of the year, please get in touch with us. We usually have donations on hand.*

**Thank you** for sharing yarn and fabric, time and talent to help **Angels 4 Warmth Inc.** pursue their mission to provide the much-needed items of warmth.

In November **Angels 4 Warmth Inc.** tied 200 six-foot scarves around the trees in Victoria Park at the Seventh Annual **Scarves in the Park** and distributed a few thousand items to many registered charities.

With winter weather officially here, the need for warmth increases. Donations of yarn and quilting cottons provide the supplies needed for Angel creativity. **New Angels are welcome.**

# Nicole's Preschool

**DECEMBER!**[nicolespreschool@sasktel.net](mailto:nicolespreschool@sasktel.net)

Visions of sugarplums danced merrily in our heads at preschool throughout December. The kitchen is a popular place at this time of the year filled with delicious aromas and taste sensations; thus it was an appropriate theme to springboard us into the holiday season! The preschoolers explored the many spicy scents of Christmas like cinnamon, peppermint and nutmeg.

We enjoyed making pretend cookies at our Bake Shop with gingerbread play dough and we even decorated our very own Christmas tree.

Just a few of the other activities that kept us busy included wrapping blocks and classroom toys to put under our Christmas tree! It's a tradition here at preschool that we do every year. Those little fingers loved to tape that's for sure! I thought they were going to wrap me up next ha ha!

We also made puffy paint donuts. If you've never made puffy paint you need to try it! Mix equal parts of shaving cream with white glue and you can colour it with food colouring. When it dries it puffs up and is a unique sensory experience for kiddos! The month also found us making a special Christmas gift for our parents before the break!

The preschoolers and I would like to wish everyone a Happy Holiday and all the best for the New Year. See you in January!

Mrs. Marshall

A chuckle for your day!

## EQUITY CLUB'S FOOD AND TOY DRIVE INITIATIVES

Our Student Equity Club collected donations for the Regina Food Bank in October. We thought it was appropriate to remind folks around Thanksgiving and Halloween to think of others and share what they could. A HEARTFELT thank you to all who sent money or food to the Food Drive. We made it a competition between period three classes, and our winners were the period three classes of Mrs. Gibbs and Mr. Vollman. These classes were followed closely by Mrs. Werner, Ms. Leib, and an honourable mention to Ms. Kistner and Ms. Kudeba. Our school community sent an astounding two truckloads with 2,632 items to support those in need. Our students learned about food insecurity, and acted on that learning. We are so happy to see our school community learning about food insecurity, and then putting that learning into action. See the photo for two pallets of donations.

The holiday project this month for our Equity group was in collaboration with the SLC. We collected unwrapped gifts and contributed another SUV-load of gifts plus wrapping supplies to the CJME Santa's Anonymous Drive. Our school community can look forward to the "prize", which is ice cream sundaes created on top of the heads of three staff members!

## SOCIAL STUDIES AGRIBITION ADVENTURE

The Social Studies 10 class took part in an Agribition field trip this past month! In October, the class took part in Agriculture Month in Saskatchewan, which allowed students to gain a better understanding of where their food comes from, how it is produced, professions within the industry, and how agriculture impacts our economy. The class was able to witness what they studied firsthand by learning more from industry professionals, showcases, and demonstrations at Agribition.

## ENTREPRENEURSHIP 30 BUSINESSES SHOWCASE

PVSD Director of Education came to visit the Entrepreneurship 30 student-run companies on December 9th. The student companies are Thr33, Angels & Halos, and Emerald Gift Baskets. Companies will wrap up in January.

## BASKETBALL SEASON UNDERWAY

To kick off the Griffin Basketball season, Greenall's Junior Boys Basketball team won 1st Place at the Lumsden High School Invitational Tournament! The boys played hard and demonstrated Griffin values and sportsmanship.

The donation from the Rec Board enables the **News and viewS** to keep publishing and aids in local sports, culture and recreation advertising. Our continued thanks for the support!

The grant allows expansion of the **News and viewS** as necessary, with local content, assorted advertising and hopefully making it more appealing and interesting to read.

The **Town of Pilot Butte** provides financial funding as well as continued support in other ways. The Town has pledged to ensure that the **News and viewS** will publish, no matter what!
