2022 ASSESSMENT NOTICES

Assessment notices will be sent out on March 25, 2022. If you have had a building permit issued by the Town in 2021; or if Saskatchewan Assessment Management Agency (SAMA) has scheduled your property for a callback inspection; or if the property has changed owners in the last few months, you will receive an assessment notice for 2022.

The assessment provider (SAMA) determines the assessed values of all of the properties in the town.

You may wish to ask for a copy of the detailed property report for your property. The sheet will provide specific details about your property used to calculate your assessment such as:

**** Size of buildings; ** Condition of buildings; ** Size of Lot**

*You can also view your property and other properties by going to the SAMA website at www.sama.sk.ca then click the **MySAMA & SAMAView Login**. Access is free of charge for personal and non-commercial use.*

You can appeal if you believe there has been an error in:

**** The assessed value; ** The classification; ** The contents of the assessment roll; and ** The assessment notice.**

You cannot appeal the level of taxes owing to the Town to the Board of Revision. Tax policy is a decision made by Council. Concerns about taxation should be addressed to the Town Office. The Board of Revision hears assessment appeals only.

Please feel free to call SAMA at 306-924-8080 or the Town Office at 306-781-4547 to discuss an appeal prior to completing the notice of appeal form. The discussion may create understanding between the parties on facts or issues surrounding your potential appeal. If you wish to appeal, the fee for an appeal is \$75.00 and refundable if your appeal is successful. Appeals are to be sent to Jeannie Devers, Secretary, Board of Revision, c/o Box 253, 222 Diamond Place, Pilot Butte, SK. S0G 3Z0.

***For 2023**, letters have been sent out to all residents for reinspection of properties. All residents will be receiving a letter. Please review the documentation when received and contact SAMA, should you have any questions. A copy of your Detailed Property Profile from 2021 is available from the Town Office, should you want to review what you are being assessed for. The Detailed Property Profile was the blue document that was included with your assessment notice in 2021.*

Please call the Town Office or email the town at townofpilotbutte@pilotbutte.ca to obtain a copy. Please take a moment to fill out the Residential Property Data Confirmation Form & send it back to SAMA. This will help to ensure your assessment (and therefore your taxes) are as accurate as possible. Thank you.

Did you know.....

You help our Library stay operating when you check your books out here in Pilot Butte. There are many aspects of the library that are taken into account when determining how many hours a rural branch is open. The most important is how many books are checked out to patrons where the Library is located. Programming is also important, how many people attend and what programs are being offered to all age groups....**your book matters!**

Pilot Butte Public Works is continuing to clear drainage channels throughout the community. They are steaming culverts and drains to ensure drainage can flow.

Public Works is carefully addressing all blockages and water flow as the spring thaw continues. When you see Maintenance vehicles and equipment in the area, please slow down and keep an eye out for workers.

If you notice a blockage or drainage issue that is in danger of causing damage to infrastructure or property please visit our website at www.pilotbutte.ca and report the concern on our E-Request Service Tracker located in the top right corner or contact the Town Office at 306-781-4547.

Discolouration in the Water Update

The Town of Pilot Butte utilized water treatment industry experts to investigate the discolouration of water some residents are experiencing.

- The industry experts confirmed that the water treatment plant is producing a safe water supply that is exceeding the water testing requirements required by the Province, which includes daily testing of Chlorine and pH levels, and turbidity twice a day.
- The investigation concluded that a small amount of minerals (iron and manganese) is causing the discoloration. The Town will continue to monitor and remediate with the guidance of the industry experts.

If you have noticed discoloration in your hot water, flushing your hot water tank or your on-demand heater may temporarily get rid of the problem. If you have noticed discoloration in your cold water you can call the Town Office at (306) 781-4547 and request a service line flush.

cover the on-going enhancement of the soil (2 bags of compost per bed will be added this year) along with the purchase of additional rain barrels (pending inventory availability due to COVID craziness).

If you are interested, please submit your name, contact info, number of beds wanted and preferred location ASAP as it's First Come First Served to our email: beautifypevents@gmail.com If email isn't possible, please call or text to 306 537 9462.

If you're new to gardening and need some advice, let us know.

Remember, Spring is on the way! 

Current locations and availability of garden beds:

Hedley Park (2 beds available)	Railway Ave and 9 th St (all beds have been spoken for already)
Way of Life Church (7 beds)	Discovery Ridge (1 bed)

RODEO VOLUNTEERS

June 17, 18 & 19 2022

This year again we are looking forward to a successful Rodeo event. However, many volunteers are required to make the event a success, if you can spare a few hours that weekend it would be great.

We are also offering an opportunity for you to make some money for your group or charity organization, this year we will pay you \$12.00 per hour that you work.

For more information, please call Leanne @ 306-781-4142 or Marian @ 306-781-4007. We require volunteers in the concession, gate, cabaret, and children's activities.

Thank you for your past support and we hope we can count on your support for this year's event.

Nicole's Preschool

Marvelous March 2022

Where the First Years Last Forever...

nicolespreschool@sasktel.net

It's been such a cold winter but finally with the arrival of March we welcomed the many colours of a rainbow into our daily activities! The preschoolers spent time investigating the science behind how real rainbows are created and the

effects of colour mixing. We also used many classic and award winning children's books such as "A Rainbow of My Own", and "Little Blue and Little Yellow" for example, as springboards to learning how to make coloured patterns, sequencing, graphing and distinguishing between primary and secondary colours. There were many happy squeals during our "coloured water-droplet races with eyedroppers and straws! They loved blowing the droplets together on wax paper to create new secondary colours!

At home you might like to try making Rainbow Cloud Jars! Your child can discover the effects of colour mixing in

addition to strengthening fine motor muscles. Fill a quart size jar 3/4 full of water. Squirt shaving cream on top. Next use eyedroppers to drop coloured water on the shaving cream and watch as the colours mix to create a spectacular "rainbow cloud". We even made a real rainbow using a prism and flashlight on the ceiling of a darkened room...that certainly brought out the excited giggles!

Another activity we enjoyed this month was wearing Green for Green Day. Finnegan the "Leprechaun" left green messes everywhere at preschool and escaped despite the elaborate Leprechaun traps left out by the children! He did leave us a pot of chocolate gold though so we weren't too disappointed ha ha! Have a great month everyone!

The **News and viewS** would like to thank the **Pilot Butte Recreation Board** in conjunction with **Sask Lotteries Assistance Grant**, for ongoing donation to our newsletter. The donation from the Rec Board enables the **News and viewS** to keep publishing and aids in local sports, culture and recreation advertising. Our continued thanks for the support!

The grant allows expansion of the **News and viewS** as necessary, with local content, assorted advertising and hopefully making it more appealing and interesting to read.

The **Town of Pilot Butte** provides financial funding as well as continued support in other ways. The Town has pledged to ensure that the **News and viewS** will publish, no matter what! Thank you to the Town for their ongoing and continuing support. It takes a tremendous financial worry off of the volunteers!

The **R.M. of Edenwold** also supplies the newsletter with financial funding and we use a portion of these funds to send copies of the newsletters to some R.M. residents.

This financial windfall (for us!) is enabling us to produce a larger, more attractive newsletter for your enjoyment. We hope that we can continue to provide a quality of newsletter that makes us the "must read" item each month.

We truly appreciate the support and could not publish without this funding along with our backspace sponsors.
