## LV CHAIR YOGA

In LV chair yoga traditional yoga poses are adapted to be done while seated on a chair. While it might look a little different, the benefits of a session of chair-based yoga are the same as a mat-based yoga session. **LV yoga isn't just stretching on a chair, it is yoga on a chair.** Each chair pose is demonstrated with different levels of flexibility. This means that **LV chair yoga is inclusive and accessible for all.** Regular practice can help improve flexibility, mobility, strength, posture, and balance. Each class will include a warm up, a dynamic sequence of poses, and a mindful cool down.

Kim Kozak will be instructing this course. She has been a certified yoga instructor for 10 years. After a skiing injury prevented her from doing mat-based yoga, Kim discovered the benefits of a chair-based yoga practice. **The best thing she discovered is that you can use chair yoga in your daily life.** Whether you take a few minutes to do some chair yoga at your kitchen table before your morning coffee, or you break up long days of sitting at an office desk with a few poses.

Developed by Lakshmi Voelker-Binder in 1982, LV chair yoga is practiced all over the world and is used by the Mayo Clinic in its wellness programs. As Lakshmi says "get fit where you sit"™. Transform how you look at fitness and try something new! Chair yoga is for everyBODY!

# Nicole's Preschool

February 2022

Where the First Years Last Forever...

[nicolespreschool@sasktel.net](mailto:nicolespreschool@sasktel.net)

It's been so cold outside but our hearts stayed warm this February at preschool! Hearts were everywhere...we ate heart snacks, graphed candy hearts, sorted hearts, glued hearts, cut hearts, painted hearts....I think we literally had a "heart attack"!

Exploring the properties of magnets was another favourite activity at preschool this month. You can make a magnetic "wand" at home by simply gluing a small magnet to a craft stick. Your child can search the home for items that are magnetic or non-magnetic!

February continued as we opened our hearts to the value of friendship and the skills needed to promote these friendships. We enjoyed exchanging Valentine cards with our friends and having a Valentine's party! At our "Post Office" centre we sorted and weighed stamps, envelopes and packages; we wrote cards and letters to our friends; we counted money and read labels on our "mailboxes"! These were just a few of the ways we developed our math, literacy and social skills all as we played!

See you next month  
Mrs. Marshall

AT HOME SCIENCE DISCOVERIES!

Make a Magnet Marble Maze!

Draw or use a pre-drawn maze! Glue a magnet to the end of a craft stick. Put a paper clip on top of the maze and use the magnet wand under the paper to move the paper clip through the maze!

The **News and viewS** would like to thank the **Pilot Butte Recreation Board** in conjunction with **Sask Lotteries Assistance Grant**, for ongoing donation to our newsletter. The donation from the Rec Board enables the **News and viewS** to keep publishing and aids in local sports, culture and recreation advertising. Our continued thanks for the support!

The grant allows expansion of the **News and viewS** as necessary, with local content, assorted advertising and hopefully making it more appealing and interesting to read.

The **Town of Pilot Butte** provides financial funding as well as continued support in other ways. The Town has pledged to ensure that the **News and viewS** will publish, no matter what! Thank you to the Town for their ongoing and continuing support. It takes a tremendous financial worry off of the volunteers!

The **R.M. of Edenwold** also supplies the newsletter with financial funding and we use a portion of these funds to send copies of the newsletters to some R.M. residents.

This financial windfall (for us!) is enabling us to produce a larger, more attractive newsletter for your enjoyment. We hope that we can continue to provide a quality of newsletter that makes us the "must read" item each month.

**We truly appreciate the support and could not publish without this funding along with our backpage sponsors.**
