Construction Codes Advisory

Promoting construction of safe, healthy, habitable buildings

Carbon Monoxide and Smoke Alarms – Protecting People in Their Homes

Information at a Glance

Effective July 1, 2022, all buildings in Saskatchewan with sleeping rooms are required to provide early warning protection against the effects of carbon monoxide (CO) poisoning, smoke and fire.

The installation of CO and smoke alarms is the most effective way of accomplishing this requirement.

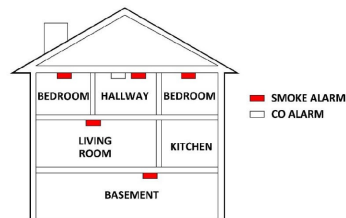

When a building with sleeping rooms contains a fuel-burning appliance, or an attached vehicle parking garage, CO alarms must be installed:

- inside each sleeping room; **OR**
- outside each sleeping room within 5 meters (16 feet) of each sleeping room door.

When a building contains sleeping rooms, smoke alarms must be installed:

- on each floor level of a building, including the level with sleeping rooms, with the smoke alarm located between the sleeping rooms and the remainder of the floor; **AND**
- inside each sleeping room.

An example house, that meets the new requirements for CO alarms and smoke alarms, is shown below.

Compliance with *The Construction Codes Act*, Regulations and the National Building Code of Canada 2015 (NBC 2015) is addressed in this advisory. Words in *italics*, other than Act and Regulation titles are defined in the NBC 2015.

Discolouration in the Water Update

The Town of Pilot Butte utilized water treatment industry experts to investigate the discolouration of water some residents are experiencing.

- The industry experts confirmed that the water treatment plant is producing a safe water supply that is exceeding the water testing requirements required by the Province, which includes daily testing of Chlorine and pH levels, and turbidity twice a day.
- The investigation concluded that a small amount of minerals (iron and manganese) is causing the discoloration. The Town will continue to monitor and remediate with the guidance of the industry experts.

If you have noticed discoloration in your hot water, flushing your hot water tank or your on-demand heater may temporarily get rid of the problem. If you have noticed discoloration in your cold water you can call the Town Office at (306) 781-4547 and request a service line flush.

Crocus Art Show & Sale

The 2022 CROCUS ART SHOW & SALE (formerly the Pilot Butte Art Show), presented by Pilot Butte Arts was held on May 14 and 15th in the Pilot Butte Arena. Despite power to the facility being out the first day (Art in the DARK?!), the event was well-attended.

We had artists in all mediums, some displaying and some selling their beautiful work. Amazing photographs and paintings in all mediums took your breath away. There were tables full of metal art from a local resident, creative art pieces made of junk drawer articles, and colourful mosaic mirrors, tables and garden posts whose tiles glittered in the half-light. There was jewelry made from a clay that dries clear and can be coloured and silk and cotton scarves and bags dyed with plant patterns using actual plants as dyes. Garden decor included ceramic plant pots on wooden stands, solar lamps made of clear cut-glass dishes, as well as wooden signs. There was definitely something for everyone!

The Pilot Butte Elementary school was represented by displays of imaginative and brightly coloured works from each class. There was lots to see and plenty of room in which to see it.

Thank you to all our volunteers and everyone who came out to support all the local artists, and of course the Crocus Committee! Can't wait til next year!

GOLDEN SUNSET CLUB - June 2022

May was a busier month than some. On the 3rd, the club had the last soup and sandwich event till fall, well attended, offering delicious homemade soups, desserts and cakes. Monthly crib tournament followed on the 21st, hosting teams from home, Regina, Bethune and Regina Beach. Cash prizes and lunches make this tournament a little different than some. On the 15th our social committee put on a tea, with entertainment and food focused around a theme, this year was "Western" and if you can ever come to one of these teas, it's a lot of fun! Coming up on the 27th of May is the club's AGM meeting where directors are elected to make decisions on behalf of the club.

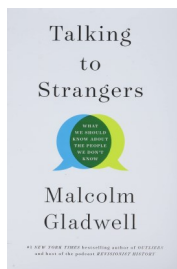

June, July and August are quieter times at the center. Rentals are welcome and usually a BBQ or two will take place.

To rent to Golden Sunset Club, please contact Kelly Frizzell @ [306-781-1091](tel:306-781-1091), who books all activities. Rates, dates and other info will be given upon request.

Have a great summer!

Matthew 7:7

It's June, halfway through 2022 already! Warm weather and outdoor interests are happening. We can experience the energy and motivation from participating in real activities with real people. Let's enjoy!

Angels 4 Warmth Inc. continue to knit, crochet and quilt items of warmth to be distributed to those in need in the Regina area, at a slightly slower pace over the summer. We are constantly in need of yarn donations to keep these projects on going.

Angels 4 Warmth Inc. will meet for drop off of finished projects and pick up of supplies for future projects on Wednesday, June 1 at Holy Trinity Roman Catholic Church at 5020 Sherwood Drive, North entrance in Regina. Please attach pairs of mitts, slippers, socks or any sets.

Angels 4 Warmth Inc. have set up an account at SARCAN for donations to help us provide the yarn and fabric supplies to keep our Angels' hands busy. No long line-ups to drop off cans and bottles for donations. At SARCAN the Account is Angels4Warmth Inc. and the Group Phrase is 'keep warm'. Tags are printed for the number of bags/boxes before placing them on the conveyor belt. Proceeds are e-transferred to the Angels account. SARCAN donations would be greatly appreciated.

"Love me as I am!" Garden Tour

The "Love Me As I Am" garden tour is a community event put on by the White City Garden Club, as a way to share our passion for gardening and promote our beautiful community. We are looking for a few selected gardens to participate in the tour to be held Saturday, July 16, 2022. The self-guided tour invites visitors to enter a variety of neighbourhood yards and "love me as I am" – with a desire to see a range of gardens in their individual much-loved style. If you have (or know of) a garden someone loves and might be willing to share, let us know too! Just send an email to WCGC at wgcg.communications@gmail.com and our committee will take it from there!

Where the First Years Last Forever...

nicolespreschool@sasktel.net

It's hard to believe that this is our last news article for the school year! Our days went by so fast! At preschool we spent the month of May learning all about construction workers and their vehicles! We enjoyed exploring the different roles of construction workers at our "Construction Site" with hard hats, toy tools and safety vests! We used all kinds of materials like blocks, paper tubes, popsicle sticks, rocks, paper cups, card board to mention just a few items, to build our constructions! We learned how architects design blue prints

and even had our own "Architect Desk" where we could draw and design a building of our own! A favourite activity was using shaving cream and foam blocks in the Sensory bin to "build" towers and it was so much fun to get messy! The messiness continued as we painted with construction trucks and drove construction toy vehicles in rubber mulch at our "Dig Site!"

This is our last article for the year and at the end of June we normally wind up our school year with a Year-End Celebration Carnival and Potluck lunch at the local school's gymnasium. But, this year to stay safe we are going to enjoy our Carnival with our individual classes one more year outside on the front lawn! We are also

excited to bring home our Memory Boxes/ Portfolios to share with our friends and family. Thank you to all the preschool families for another fantastic year of discoveries, adventures and learning! Best wishes to all my students moving on to Kindergarten. I will miss you but looking forward to welcoming back those returning in the fall and the new smiles I get to meet!

Have a wonderful summer!

Mrs. Marshall

SLC UPDATE

The SLC recently hosted their monthly spirit week with lots of exciting dress up days! Students partook in wearing hats, dressing as their "type", bikers vs. surfers gear, teacher and student style swap day, and lastly, a formal day. In June, the SLC is excited to announce they will be hosting the annual Griffin Spring Thing with various food trucks, snacks, games, activities, bouncers, a dunk tank, and car show on June 2!

GREENALL ONE ACTS

Griffin Drama had a great time watching 12 plays, working through some tech challenges, having a park, mall, restaurant, ice cream & U of R adventures, connecting with other drama kids and rocking a professional stage at their provincial run. Lea-Melane Hanson was awarded the Debbie Baker Cheer Award. Nathan Kemp & Anika Hoff received individual certificates of merit for technical excellence (lighting design & stage management). Reece Kirby & Olivia Vollman received certificates of merit in acting excellence. Lea-Melane Hanson & Macy Birss won a Best Technical Performance Award for Set Design. Our show also won Runner-Up to Best Technical Production as well as Best Visual Production. Thank you to all who supported Griffin drama this past year! It was a huge success! See you all in the fall.

RDIEC TRY-A-CAREER

Grade 9 students had the opportunity to participate in the RDIEC Try-A-Career career fair in Balgonie. Students got to partake in a number of hands on experiences like virtual reality simulations, importance of safety on the job, meeting various professionals, and experiencing a variety of possible career paths.

ATHLETICS UPDATE

Griffin Track and Field recently partook in zones. It's been a whirlwind track season (thanks to our Saskatchewan weather) so, it's great to see a number of athletes hard work pay off. Along with many top finishes from other athletes, we would like to congratulate the following Zone aggregate winners: Grace Kozan, Reese Sommer, Lucas Sulewski, Jordan Roberts, Riley Dorsch, Olivia Reutz, Grace Heisler, Alexis Petford, Marcus Butz, and Tate Olson.

Griffin Badminton recently wrapped up a successful season. Students had the opportunity to partake in a number of meets across the division and play in a number of matches. Congratulations to Alexis Petford who advanced to Regionals!

NOTICE

THIS SUMMER, TOWN STAFF WILL BE OUT MAINTAINING STREETS, PATHS AND GREENSPACES. WE WOULD LIKE TO REMIND RESIDENTS TO USE CAUTION WHEN MACHINERY IS IN OPERATION. IF YOU HAVE CONCERNS OR REQUIRE ASSISTANCE, PLEASE CONTACT THE TOWN OFFICE AT 306-781-4547

The **News and viewS** would like to thank the **Pilot Butte Recreation Board** in conjunction with **Sask Lotteries Assistance Grant**, for ongoing donation to our newsletter. The donation from the Rec Board enables the **News and viewS** to keep publishing and aids in local sports, culture and recreation advertising. Our continued thanks for the support!

The grant allows expansion of the **News and viewS** as necessary, with local content, assorted advertising and hopefully making it more appealing and interesting to read.

The **Town of Pilot Butte** provides financial funding as well as continued support in other ways. The Town has pledged to ensure that the **News and viewS** will publish, no matter what! Thank you to the Town for their ongoing and continuing support. It takes a tremendous financial worry off of the volunteers!

The **R.M. of Edenwold** also supplies the newsletter with financial funding and we use a portion of these funds to send copies of the newsletters to some R.M. residents.

This financial windfall (for us!) is enabling us to produce a larger, more attractive newsletter for your enjoyment. We hope that we can continue to provide a quality of newsletter that makes us the "must read" item each month.

We truly appreciate the support and could not publish without this funding along with our backspace sponsors.
