**Pilot Butte Public Library Branch and The Town of Pilot Butte
invite all who are interested to a presentation on
Friday, October 7, 2022 - 12:30 to 3:00 pm
Pilot Butte Community Hall**

The PB Public Library and the Town of Pilot Butte are honoured and excited to have Tony Stevenson, and his wife Marcie McArthur Stevenson share their knowledge on the impact of residential schools on the lives of Indigenous children and families, and the legacy of these schools in Canada.

**Their program is titled Legacy of Residential Schools Tour where they will discuss residential school experiences and feature a screening of the film We Were Children.
(Film deals with mature subject matter)**

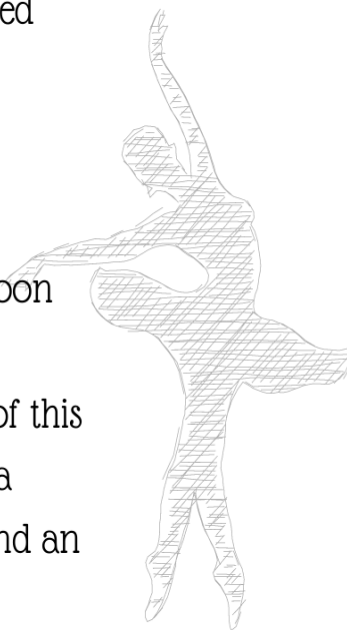

Tony is an Anishinaabe First Nation from Treaty 4 land. He attended the Qu'Appelle Indian Residential School at Lebret, Saskatchewan from Grade 5 to 12. Tony's experiences both professional and personal have given him the ability to be an advocate for residential school survivors. He wishes to educate communities on the history and truth of the residential school system in Canada. His goal is to expand the Legacy of Residential Schools Tour from Saskatchewan to reach across Canada.

A quote from Tony Stevenson, ***"With these presentations I hope to appeal to the genuine humanity of the hearts of the Canadians that want to learn and more importantly, understand, so that we can change the future by way of actions and not just words. I believe if you want to be called a Canadian, learning and owning the real history of the past is a mandatory requirement so it is never repeated!"***

Friends of the SAUM family are invited
to a Celebration of Life for
Heather Saum McGillion
in the Pilot Butte Town Hall
between 1 and 4 o'clock on the afternoon
of Sunday October 23rd.

Please come and share your memories of this
young woman who is described as a
“force for good, an indomitable spirit and an
uplifting human being”.

Pilot “Butte”ification Committee Update

Happy Fall Pilot Butte Gardeners! As the growing season draws to a close, no doubt you'll have been busy in the kitchen processing fruit and vegetables. I, for one, am glad that the raspberry season is over! It was a raspberry explosion in our yard this year. I've heard of bumper crops of beans, cucumbers, and tomatoes. What was a great producer for you this year? Let us know on our Facebook page: Beautify Pilot Butte. We would love to see some pics of the fantastic Pilot Butte produce, flowers and/or landscape projects that were achieved.

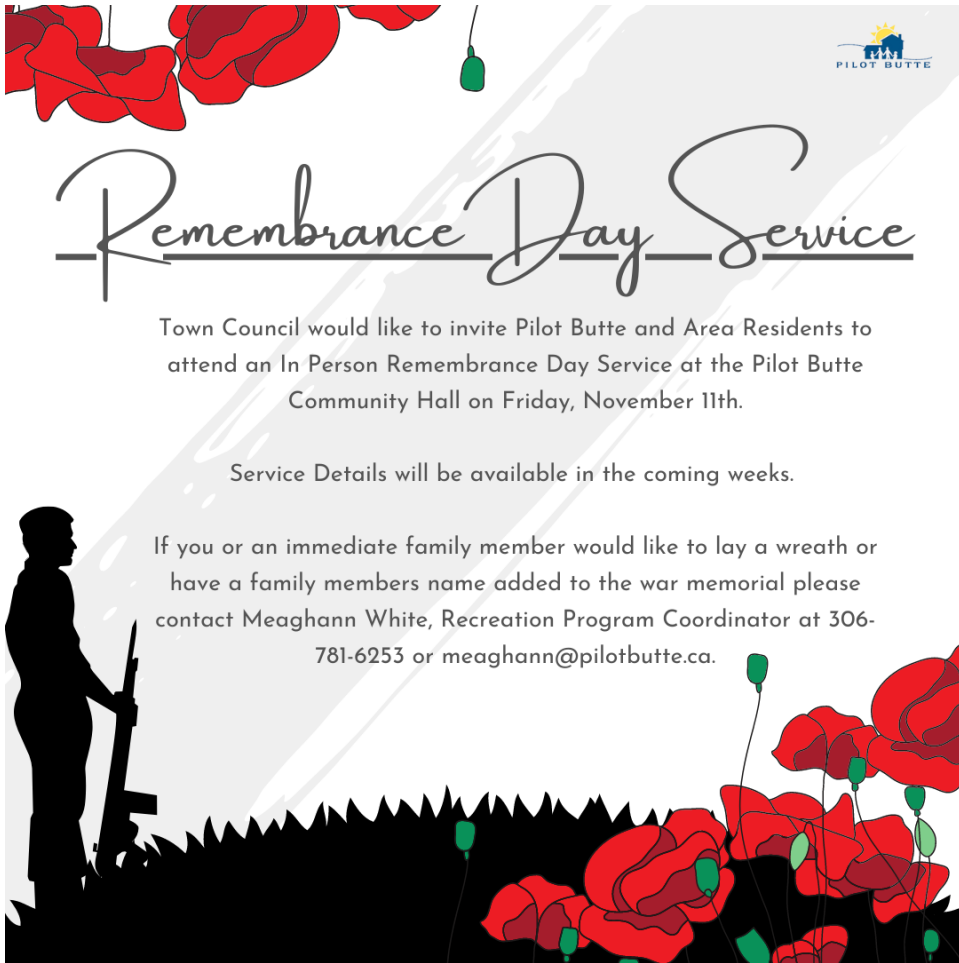

Question: did anyone else have an aphid infestation this year? Good grief, where are all the ladybugs when you need them? Slugs, yuck! More robins please! Grasshoppers, that's a whole other story. Hopping threshing crews, they are!

We would like to send out a hearty thank you for the members of the town maintenance crew that were so dedicated to the care of our hanging baskets, the planters at Inland Park. They looked fabulous! Everyone in town is appreciative of your efforts. Thank you for sprinkling a bit of beauty around our town.

Keep an eye out for the fall cleanup bins. Remember that leaves are one of the best sources of compost you can add to your soil. They don't have to be worked in. Pull your mulch back, lay down a thick layer of leaves and put your mulch overtop. Healthy soil grows healthy plants, healthy plants grow healthy produce that, in turn, grow healthy humans!

What about those fire hydrants? Aren't they looking smart! Thanks to Aron and Darlene Strogal for their cool idea and leading the project. Bonnie Erhardt and Rhonda Perry are also contributing artists. Soon the days will be too short and cool to paint but look for our artists lurking around your fire hydrant in the spring. We were able to purchase paint and supplies for this project from the very generous support we receive from our community fundraising events: the Mother's Day hanging baskets and from the metal recycling bin. It's through your support that we can continue to promote and beautify Pilot Butte.

Thank you Pilot Butte!

Residents of Pilot Butte have been charmed and delighted to find that many of our plain yellow fire hydrants have been magically transformed. The paint fairies have been out!

There is something on the hydrants that is stirring to the heart
 Touch of colour, hint of art
 And the pumps are like a rhyme
 With the yellow and the purple and the crimson keeping time.

There's Snoopy and Sylvester; bubble gum
 and a Dalmatian
 To remind us of the station
 And our happy hearts are thrilled
 To see the hydrants blooming like the
 flowers in a field

There is something in the hydrants sets the
 merriment astir
 And we thank the ones who were
 Lending of their art and arm
 To give our Town a vision and a claim to
 country charm.

Proverbs 3:5-6

It's October! Happy Thanksgiving! We do have so much to be thankful for...

Angels are already busy knitting, crocheting and quilting items of warmth to meet our fall and winter weather demand. We are constantly in need of yarn donations to keep these projects on going.

Angels 4 Warmth Inc. will meet for drop off of finished projects and pick up of supplies for future projects on Wednesday, October 5 at Holy Trinity Roman Catholic Church at 5020 Sherwood Drive, North entrance in Regina. Please attach pairs of mitts, slippers, socks or any sets.

Angels 4 Warmth Inc. have set up an account at SARCAN for donations to help us provide the yarn and fabric supplies to keep our Angels' hands busy. At SARCAN the Account is Angels4Warmth Inc. and the Group Phrase is 'keep warm'. Tags are printed for the number of bags/boxes before placing them on the conveyor belt. Proceeds are e-transferred to the Angels account. SARCAN donations would be greatly appreciated.

The **Drop Box** for donations of yarn and quilting cottons is located in the **Recreation Centre Lobby**.

Thank you for helping to keep Angels stitching and creating the much-needed items of warmth.

NICOLE'S PRESCHOOL

back to
School

**Back to School!**

We have had a wonderful start to our new preschool year and already fall is upon us bringing with it cooler temperatures, shorter days and colourful surroundings! For the preschoolers, the month of September brought with it the joys of meeting new friends and learning more about our self and our new surroundings. The children were excited to see the return of our class mascots, "Squeaky" the squirrel and "Mr. Monkey" puppet. They have been busy teaching us the importance of caring and sharing.

We also learned how we are alike and different while exploring the "I'm Me, I'm Fantastic" topic. Some of September's highlights also included getting to understand our feelings and the importance of paying attention to the feelings of others. Meeting new friends, catching up with old ones, getting to know a new place and even finding where to hang up one's jacket can be a scary experience when you're little. But we're off and running now eager to discover, explore and welcome our preschool adventures ahead. Have a great month!

HAPPY HALLOWEEN

WELCOME BACK!

The 2022/23 school year is officially underway! We are excited to welcome back our students and staff, as well as our new Griffins! To kick off the school year, Greenall has been a busy place. To welcome back staff and students, the SLC hosted their first spirit week with a number of fun dress up days. Extra-Curricular is well underway with Football, Volleyball, Cross-Country, Golf, Yearbook, Equity Club, GSA, and Drama all starting back up again for another season. We are looking forward for another school year here at Greenall!

TIM HORTON'S SMILE COOKIES & COMMERCIAL COOKING 30

Commercial Cooking 30 students had the opportunity to assist Tim Horton's Balgonie and White City locations with making Smile Cookies! Students were baking and decorating 700-800 cookies in a 1 hour class. 100% of the Smile Cookie proceeds from both locations was donated to Regina Food Bank this year.

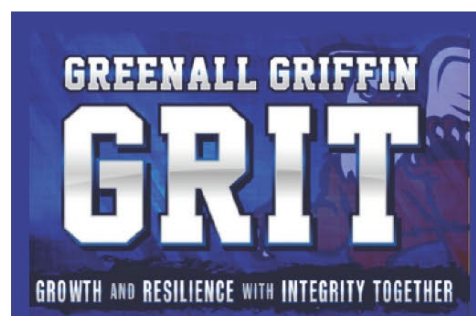

GRIFFIN DRAMA

Griffin Drama is off and running. We auditioned and cast our production of Sister Act during the first few weeks of school. We have over 70 students and 15 staff members working on this show. Show dates are Dec. 1, 2 & 3 - mark your calendars. The disco nuns are going to rock the stage!

GRIFFIN FOOTBALL

Griffin Football is back for another season! The team consists of over 35 hard-working and eager players who are ready to defend their City Championship title for the 2022 season. The team has had a number of regular season games and have been successful in defeating Johnson and Martin Luther-Kings. We are excited to see what this season holds for the Griffins!

GREENALL GRIFFIN GRIT

Greenall High School is pleased to embark on some re-branding this fall. After a few years of work Greenall is pleased to introduce their new school values, represented in the acronym GRIT. Greenall new values are "Growth and Resilience with Integrity Together". The school looks forward to teaching the school community about these values and helping them to actualize them everyday as part of being a Griffin.

The Underworld Life of Plants

Jenelle Sedo

As gardeners, we watch the growth and change in our plants above ground, but what goes on in the hidden darkness beneath the soil? What type of interactions exist and what kind of communication is possible? Tonight, we explore the mysterious underworld of plants.

Microorganisms found in Rhizosphere (Rhizosphere Microbiome)

Rhizospheric microorganisms and effects. PGPR and Mycorrhiza (microbenotes.com)

Jenelle is a lifelong gardener and avid learner. Jenine of Edible Landscaping's Plant walks introduced her to Permaculture and a Permaculture Design Certificate. Additional courses in rainwater design and 4 season greenhouses helped her guide a community to create food forests and a garden box program. She is a mother of two and passionate about working with the earth to remain plentiful for future generations.

The **Town of Pilot Butte** provides financial funding as well as continued support in other ways. The Town has pledged to ensure that the News and viewS will publish, no matter what! Thank you to the Town for their ongoing and continuing support. It takes a tremendous financial worry off of the volunteers!

The **R.M. of Edenwold** also supplies the newsletter with financial funding and we use a portion of these funds to send copies of the newsletters to some R.M. residents.

This financial windfall (for us!) is enabling us to produce a larger, more attractive newsletter for your enjoyment. We hope that we can continue to provide a quality of newsletter that makes us the **"must read"** item each month.

We truly appreciate the support and could not publish without this funding along with our backpage sponsors.
