WINTER PARKING RESTRICTIONS

Winter parking restrictions are in place from November 1st to April 30th every year. There is a 72 hour restriction on parking on Town boulevards.

- The boulevard is the Town-owned land between the edge of the paved street and your property line.
- On streets with no curb, there is NO allowance for parking on the pavement at any time.
- On streets with no curb, the boulevard may be used for parking of vehicles in daily use. The 72 hour restriction doesn't mean that you drive your vehicle around the block and re-park it. It means that you cannot store vehicles on the boulevard during the winter months. The same thing applies to paved streets where there is a curb.
- On any street, where there is or is not a curb, the Town appreciates that vehicles will not be parked either on the boulevard or on the pavement when snowfall is imminent. When operators are cleaning the streets, particularly after heavy snowfall, that snow has to go somewhere, the boulevards serve that purpose.

The Town thanks all those residents who help us out by complying with the law. Please be assured that vehicles which are left on boulevards or on streets may be ticketed and /or towed.

**NICOLE'S PRESCHOOL****November!**

The month of November found us staring up at the stars at preschool! We put on our space helmets and climbed aboard our imaginary rocket ship to blast off and explore the Solar System!

From stirring up a "solar system" in our Water Table, to making rocket ships, the preschoolers had a blast during the month of November exploring our space project and learning all about planets, and the great beyond.

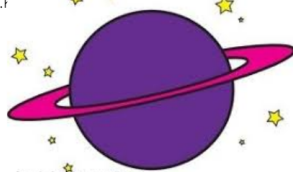

"The planets play Ring Around the Rosie around the sun!"; "The sun is a star made of fire!"; "Gravity sucks you down to the Earth and did you know that the Big Red Dot on Jupiter is a giant storm that never goes away?" These were just a few of the cute quotes of the children as we learned about the topic. My favourite is when they learned that Pluto is no longer considered a planet but instead it is a Dwarf or "baby" planet.

At the Water Table the children enjoyed scooping up "alien" wiggle eyes with ladles and wrapping wooden blocks with foil to build a Space Station. We made constellations with star stickers and chalk and little toy astronauts in moon buggies scurried about in the Moon Sand table and "moon rocks"! We even shone photos of the planets on the wall with our new solar system photo projector.

We also crashed tennis ball "meteors" into sand to make our own craters and made a Venus "volcano" with baking soda, vinegar, liquid soap and a pop bottle!

Until next time...!

CAREER FAIR

On November 8, all grade 11 students from Greenall High School attended the See Your Future Career Fair in Regina. The tradeshow-type career fair consisted of over 90 booths and 18 seminars for students to visit to learn more about post-secondary and employment options. There were representatives from colleges, universities, and employers from across Canada and North Dakota. Students were able to ask questions to help with future career planning, engage in conversation directly with recruiters, and learn more about specific programs and careers.

THINK ENTREPRENEURSHIP FIELD TRIP

The Entrepreneurship 30 class attended the RDIEC THINK Entrepreneurship event on November 15 in Regina. Students heard from local entrepreneurs and business experts. Join us for coffee and goodies and fellowship!

Pick up some treats to take home with you!

Father Chinh Vu is available before mass between 8:20 and 8:50 on Sundays if you would like to meet or speak with him and to hear confessions.

The parish held 2 protein food drives (Nov 2021 and May 2022).

A total of approximately 200 lbs. of protein was delivered to St. Anne's Parish going towards "The Good Neighbour Project". Thank you all for your generous donations.

Then the angel said to them, "Do not be afraid, for behold, I bring you good tidings of great joy which will be to all people. For there is born to you this day in the city of David a Savior, who is Christ the Lord."
- Luke 2:10-11

It's December! It is definitely wintery weather! It is COLD outside! Many are cold and homeless in the Regina area.

The desire to provide warmth for those in need drives Angels4Warmth to continue knitting, crocheting and quilting items of warmth. We are constantly in need of yarn donations to keep these projects on going.

We completed our Eighth Annual Scarves in the Park, tying 200 six-foot scarves around the trees in Victoria Park, in early November. We complete and gift about 13,000 items of warmth annually.

Angels 4 Warmth Inc. will meet for drop off of finished projects and pick up of supplies for future projects on Wednesday, December 7 at Holy Trinity Roman Catholic Church at 5020 Sherwood Drive, North entrance in Regina. New Angels are welcome. Please attach pairs of mitts, slippers, socks or any sets.

Angels 4 Warmth Inc. have set up an account at SARCAN for donations to help us provide the yarn and fabric supplies to keep our Angels' hands busy. At SARCAN the Account is Angels4Warmth Inc. and the Group Phrase is 'keep warm'. Tags are printed for the number of bags/boxes before placing them on the conveyor belt. Proceeds are e-transferred to the Angels account. SARCAN donations would be greatly appreciated.

The Drop Box for donations of yarn and quilting cottons in Pilot Butte is located in the Recreation Centre Lobby.

Angels thank you for your continued support and wish you a warm and joyous holiday season.

Contact: Sharlene (Pilot Butte) at 306-790-7441 or Ruth (Regina) at 306-543-0583.

The Way of Life Church has been an integral part of Pilot Butte for several years and so has the church's Pastor, Norm Proulx. It was with profound sadness when we learnt that Norm was leaving the church at the end of 2022.

Norm and his wife Denise, along with their children Alex and Emily have been familiar faces in and around the church. Many programs and activities have been implemented by Norm and his church team and Pilot Butte families have been the thankful recipients. It is hard to believe that we will not see their smiling faces nor experience their joyful energy in the future.

Norm generously gave of his time for a verse and prayer for the community's Remembrance Day Ceremony. His Sunday sermons are timely, real and full of hope, faith and love. There are times you are certain he knew what kind of week you had because it seemed he was speaking to you! He sprinkles his sermons with true life stories, sports, humour and hope for the future. He never makes you feel like you should be in church because you have something to be regretful for. He makes you feel like you should be in church because you belong. No matter what your church or no matter what your denomination. If you haven't had an opportunity to hear him "sermonize" hopefully you will have an opportunity to do so before he leaves.

A Heartfelt Thank you Norm and Denise and family for your dedication and devotion to and for the church and to the Community of Pilot Butte. Thank you from the many people whose lives you have touched. You will be forever in our hearts and minds and may your future endeavours bring you continued fulfillment. You will be missed more than you could possibly know . . .

The 100 Radon Test Kit Challenge targets municipalities across Canada where there is a potential for homes to have elevated radon levels. If you are an RM resident, drop by the RM office before December 2nd to get your FREE radon kit.

Radon is a radioactive gas. When we breathe it in, we are exposing our lung tissue to ionizing radiation. This radiation can lead to lung cancer.
